Channelling the Inner Fire Brendan McManus, 2022-02-28 Many people are good people and genuine searchers but often lack the practical methods and tools to know how to deepen their faith Often the idea about faith that they have inherited is not helpful and they need something real and experiential that helps with the complexity of contemporary living This book redefines spirituality as about channelling the inner fire there is some God-given desire within us that seeks expression Our goal is to become fully alive and human just like Jesus was by tuning into our inner world of feelings and desires We are called to live like Christ tuning into God's plan for us and how we could serve the world This book synthesizes the Ignatian system into 15 easy-to-understand concrete aspects God is at work in each of our lives right now Our job is to uncover the subtle messages that God is communicating to us to be in dynamic relationship with God and engaged with the world It is a lot more about letting go and abandoning ourselves to the reality of what is rather than trying to make things happen through our efforts This is a personal journey that everyone has to make for themselves though having companions and support is crucial to making it possible This book spells out the practical steps and techniques developed by St Ignatius Loyola that allow us to find God in our experience and change our lives to be active agents for change *Compendium on the Family and Human Life* United States Conference of Catholic Bishops, 2024-01-04 The family is the nucleus around which society is built Now more than ever Christian values and teachings concerning the family are being challenged The Church's voice of Truth has become harder to hear amidst all the noise This collection of documents and addresses assembles the most recent expressions of the eternal Truths of the Church regarding the family and human life Together they comprise a comprehensive reference work and a source of inspiration and growth providing insight into the role of the Christian family in the world as well as rich teaching about the inherent dignity of human life *Smart and Sassy* Joyce West
