Nutrition and HIV

Vivian Pribram, 2011-06-13 Today over 40 million adults and children worldwide are infected with HIV, however knowledge of the disease has increased greatly and the prognosis is now good for those with access to anti retroviral treatment. For many HIV is now a long term chronic condition and with decreased mortality, patient requirements and disease patterns have changed, making it increasingly apparent to health care professionals that the treatment of HIV should include optimum nutrition and healthy lifestyle interventions to help sufferers lead long and healthy lives. In this essential new book, an international team of authors under the editorship of Specialist HIV Dietitian Vivian Pribram bring together the latest research to provide the practicing dietitian and nutritionist with a practical guide to the nutritional care of the HIV and AIDS patient. Students and other health care professionals working and studying this area will also find Nutrition and HIV an important and valuable resource. **Passport to Successful ICU Discharge** Carole Boulanger, David

McWilliams, 2020-06-04 This book provides a holistic and multi professional approach to maximising the chances of a successful recovery for the ICU patient surviving a period of critical illness. An admission to ICU with a critical illness has a well recognised physical, psychological and social impact all on the individual and their loved ones, of which need to remain in sharp focus from admission. Successful discharge from ICU requires significant attention to detail on all aspects of care concurrently to ensure a return to the best quality of life achievable. Early focus on structured rehabilitation and avoidance, prevention of ICU related complications are identified as paramount to improve both short and long term outcomes. This attention to detail needs to continue through the transition to the ward and planning discharge home. Passport to a successful ICU discharge explores key areas to look forward to a successful recovery beginning with admission through to discharge in a holistic way. A Passport to discharge covers some key aspects to be achieved to the highest standards to create the best environment for success. A focus on promoting the best quality of life for the individual by careful attention to detail to benchmark every stage of their ICU journey which begins with admission. Chapters written by multidisciplinary ICU team members provide expert guidance and an evidence based approach to improve outcomes and return patients to their families.
