blackjack players But what they can do is work some simple techniques to increase their chances at the one game that already offers better odds for winning than slots craps roulette or any other John Bukofsky explains all you need to know from the basics of game play and strategy to card counting at the professional level so you can actually gain an advantage over the house Blackjack Play Like the Pros also provides helpful information on other important aspects of the game including Betting and bankroll Casino countermeasures Camouflage techniques Plus a special section devoted to negative swings the number one reason why many players end up leaving the game Beating the casinos at their own game isn't easy But it can be done and Blackjack Play Like the Pros can increase your chances of walking out a winner A savvy comprehensive text that covers the essentials of winning blackjack from soup to nuts Bukofsky is an excellent writer whose hold your hand style makes it easy for the reader to master sequentially the skills needed to become a successful player Many blackjack books skim on details especially when it comes to the mathematics of the game or complete card counting systems Not so here I highly recommend it Don Schlesinger author of Blackjack Attack Playing the Pros Way John Bukofsky is an electrical engineer and expert blackjack player who has played throughout the United States and Europe Because of his card counting skill he has been barred from playing in Las Vegas harassed in Atlantic City and Connecticut and has played alongside some of the highest rollers in the world at the casinos in Monte Carlo John is married with two children and lives in southern New Jersey

Playing Blackjack as a Business Lawrence Revere, 2000-09 This is the most talked about book on the Blackjack scene This book has sold more copies since its initial release than any other gaming book Prior to this new edition there was no foolproof way to learn how to play Blackjack accurately This is the only Blackjack book that is easy to understand and completely accurate written for the beginner or for the expert player Playing Blackjack as a Business was written by a successful professional Blackjack player The author has probably spent more time playing Blackjack more time in the casinos and more time in research than have all of the others combined who have written Blackjack books or devised Blackjack systems The book features a new Basic Strategy for one deck the first accurate Strategy to be published for four decks and four easy to learn Count Strategies including the Reverse Point Count Strategy which is the most accurate and most powerful strategy that has ever been published The strategies were devised from computer runs by Julian H Braun of IBM Corporation long recognized as the world's most capable man in this field

Blackjack - Made Simple John A. Jameson, 2005 What makes this book different than any other blackjack book is that it was written for beginner and novice blackjack players Unlike most gambling books where the author tries to prove how much he knows by using complicated math and confusing terms to make his point Blackjack Made Simple will not intimidate or overwhelm new players If you are new to blackjack or just want to improve your understanding of the game in general this book was written for you This book covers The basic fundamentals of playing blackjack and all aspects involved in the game of blackjack It also includes an introduction to card counting blackjack tournaments basic strategy simple betting strategies and table etiquette

Get the

Edge at Blackjack John May, 2001 This book is a blackjack nuclear bomb There is information in it that has never appeared anywhere except in the secret world inhabited by a handful of elite professional blackjack players Learn real strategies that not only the casinos don't want you to know but that many of the greatest blackjack players would prefer to keep all to themselves *Children's Books in Print, 2007 ,2006*
