complacency A New York guide book half as old would be most annoyingly out of date During the three years that this present volume has been in active preparation some parts of it have because of changes been rewritten and actually reset three times while other changes in the text have occurred literally on every page up to the moment of closing forms About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
