Nic Leonhardt, Christopher B. Balme

On Broadway Art And Commerce On The Great White Way:

On Broadway Adler, Steven, 2004 **The Musical** William Everett, 2011-06-02 The musical whether on stage or screen is undoubtedly one of the most recognizable musical genres yet one of the most perplexing What are its defining features How does it negotiate multiple socio cultural economic spaces Is it a popular tradition Is it a commercial enterprise Is it a sophisticated cultural product and signifier This research guide includes more than 1 400 annotated entries related to the genre as it appears on stage and screen It includes reference works monographs articles anthologies and websites related to the musical Separate sections are devoted to sub genres such as operetta and megamusical non English language musical genres in the U S traditions outside the U S individual shows creators performers and performance The second edition reflects the notable increase in musical theater scholarship since 2000 In addition to printed materials it includes multimedia and electronic resources **The Oxford Handbook of American Drama** Jeffrey H. Richards, Heather S. Nathans, 2014-02

This volume explores the history of American drama from the eighteenth to the twentieth century It describes origins of early republican drama and its evolution during the pre war and post war periods It traces the emergence of different types of American drama including protest plays reform drama political drama experimental drama urban plays feminist drama and realist plays This volume also analyzes the works of some of the most notable American playwrights including Eugene O'Neill Tennessee Williams and Arthur Miller and those written by women dramatists **The Oxford Handbook of The American Musical** Raymond Knapp, Mitchell Morris, Stacy Wolf, 2013-03

This text presents keywords and critical terms that deepen analysis and interpretation of the musical Taking into account issues of composition performance and reception the book's contributors bring a range of practical and theoretical perspectives to bear on their considerations of American musicals

The ^AOxford Handbook of Dance and Theater Nadine George-Graves, 2015-07-13 The Oxford Handbook of Dance and Theater brings together genres aesthetics cultural practices and historical movements that provide insight into humanist concerns at the crossroads of dance and theater broadening the horizons of scholarship in the performing arts and moving the fields closer together In doing so it demonstrates that physical performance and the intersections of theater and dance are more than musical theater story ballet or contemporary dance theater **Drop Dead** Hillary Miller, 2016-10-15 Winner

2017 American Theater and Drama Society John W. Frick Book Award Winner 2017 ASTR Barnard Hewitt Award for Outstanding Research in Theater History Hillary Miller's *Drop Dead Performance in Crisis 1970s* New York offers a fascinating and comprehensive exploration of how the city's financial crisis shaped theater and performance practices in this turbulent decade and beyond New York City's performing arts community suffered greatly from a severe reduction in grants in the mid 1970s A scholar and playwright Miller skillfully synthesizes economics urban planning tourism and immigration to create a map of the interconnected urban landscape and to contextualize the struggle for resources She reviews how numerous theater professionals including Ellen Stewart of La MaMa E T C and Julie Bovasso Vinnette Carroll and Joseph

Papp of The Public Theater developed innovative responses to survive the crisis Combining theater history and close readings of productions each of Miller's chapters is a case study focusing on a company a production or an element of New York's theater infrastructure Her expansive survey visits Broadway Off Broadway Off Broadway Coney Island the Brooklyn Academy of Music community theater and other locations to bring into focus the large scale changes wrought by the financial realignments of the day Nuanced multifaceted and engaging Miller's lively account of the financial crisis and resulting transformation of the performing arts community offers an essential chronicle of the decade and demonstrates its importance in understanding our present moment

Musical Theatre Histories Millie Taylor, Adam Rush, 2022-10-20 Musical theatre is often perceived as either a Broadway based art form or as having separate histories in London and New York **Musical Theatre Histories** Expanding the Narrative however depicts the musical as neither American nor British but both and more having grown out of frequent and substantial interactions between both centres and beyond Through multiple thematic histories Millie Taylor and Adam Rush take readers on a series of journeys that include the art form's European and American origins African American influences negotiations around diversity national identity and the globalisation of the form as well as revival culture censorship and the place of social media in the 21st century Each chapter includes case studies and key concept boxes to identify explain and contextualise important discussions offering an accessible study of a dynamic and ever evolving medium Written and developed for undergraduate students this introductory textbook provides a newly focused and alternative way of understanding musical theatre history

The Best Plays Theater Yearbook Jeffrey Eric Jenkins, 2007 Covers plays produced in New York theater awards details of productions prizes people and publications as well as the editors choices of the ten best plays

Staging a Comeback Peter C. Kunze, 2023-09-15 Drawing on original archival research and interviews Peter C Kunze offers a revisionist account of the Disney Renaissance that foregrounds the role of theatrically trained talent in revitalizing Disney Animation In so doing he situates this impressive turnaround at the intersection of two dynamic entertainment industries with a long underexamined relationships Hollywood and Broadway

American Culture in the 1950s Martin Halliwell, 2007-03-13 This book provides a stimulating account of the dominant cultural forms of 1950s America fiction and poetry theatre and performance film and television music and radio and the visual arts Through detailed commentary and focused case studies of influential texts and events from *Invisible Man* to *West Side Story* from Disneyland to the Seattle World's Fair from *Rear Window* to *The Americans* the book examines the way in which modernism and the cold war offer two frames of reference for understanding the trajectory of postwar culture The two core aims of this volume are to chart the changing complexion of American culture in the years following World War II and to provide readers with a critical investigation of the 1950s The book provides an intellectual context for approaching 1950s American culture and considers the historical impact of the decade on recent social and cultural developments

America in the Round Donatella Galella, 2019-03-15 2020 Barnard Hewitt Award honorable mention Washington D C's Arena Stage was the first professional

regional theatre in the nation's capital to welcome a racially integrated audience the first to perform behind the Iron Curtain and the first to win the Tony Award for best regional theatre This behind the scenes look at one of the leading theatres in the United States shows how key financial and artistic decisions were made using a range of archival materials such as letters and photographs as well as interviews with artists and administrators Close ups of major productions from *The Great White Hope* to *Oklahoma* illustrate how Arena Stage navigated cultural trends More than a chronicle *America in the Round* is a critical history that reveals how far the theatre could go with its budget and racially liberal politics and how Arena both disputed and duplicated systems of power With an innovative in the round approach the narrative simulates sitting in different parts of the arena space to see the theatre through different lenses economics racial dynamics and American identity

The Humana Festival Jeffrey Ullom, 2008-06-19 Far from the glittering lights of Broadway in a city known more for its horse racing than its artistic endeavors an annual festival in Louisville Kentucky has transformed the landscape of the American theater The Actors Theatre of Louisville the Tony Award winning state theater of Kentucky in 1976 successfully created what became the nation's most respected new play festival the Humana Festival of New American Plays The Humana Festival The History of New Plays at Actors Theatre of Louisville examines the success of the festival and theater's Pulitzer Prize winning productions that for decades have reflected new play trends in regional theaters and on Broadway the result of the calculated decisions dogged determination and good luck of its producing director Jon Jory The volume details how Actors Theatre of Louisville was established why the Humana Festival became successful in a short time and how the event's success has been maintained by the Louisville venue that has drawn theater critics from around the world for more than thirty years Author Jeffrey Ullom charts the theater's early struggles to survive the battles between troupe leaders and the desperate measures to secure financial support from the Louisville community He examines how Jory established and expanded the festival to garner extraordinary local support attract international attention and entice preeminent American playwrights to premier their works in the Kentucky city In *The Humana Festival* Ullom provides a broad view of new play development within artistic administrative and financial contexts He analyzes the relationship between Broadway and regional theaters outlining how the Humana Festival has changed the process of new play development and even Broadway's approach to discovering new work and also highlights the struggles facing regional theaters across the country as they strive to balance artistic ingenuity and economic viability Offering a rare look at the annual event *The Humana Festival* provides the first insider's view of the extraordinary efforts that produced the nation's most successful new play festival

Identities and Audiences in the Musical Raymond Knapp, Mitchell Morris, Stacy Wolf, 2018-09-04 Issues of identity have always been central to the American musical in all its guises Who appears in musicals who or what they are meant to represent and how over time those representations have been understood and interpreted provide the very basis for our engagement with the genre In this third volume of the reissued *Oxford Handbook of the American Musical* chapters focus on race ethnicity gender

and sexuality regional vs national identity and the cultural and class significance of the musical itself As important as the question of who appears in musicals are the questions of who watches and listens to them and of how specific cultures of reception attend differently to the musical Chapters thus address cultural codes inherent to the genre in particular those found in traditional school theater programs Histories of the Musical Raymond Knapp, Mitchell Morris, Stacy Wolf, 2018-09-04 Histories of the Musical looks at the ways that the American musical has evolved from early minstrel shows to the present day **The Oxford Handbook of the Operatic Canon** Cormac Newark, William Weber, 2020 Opera has always been controversial not only because of how vastly expensive it is to produce It has historically been a vital and complex mixture of high art and commerce socially elite and popular or middle class the new and the increasingly old When a city wants a new landmark building an opera house is very often the solution why should this still be the case The Oxford Handbook of the Operatic Canon examines how opera has become the concrete edifice it was never meant to be by looking at how it evolved from a market entirely driven by novelty to one of the most arthritically canonic art forms still in existence This new collection addresses questions that are key to opera s past present and future Why is the art form apparently so arthritically canonical with the top ten titles all more than a century old accounting for nearly a quarter of all performances world wide Why is this top heavy system of production becoming still more restrictive even while the repertory is seemingly expanding notably to include early music Why did the operatic canon evolve so differently from that of concert music And why has that evolution attracted so comparatively little attention from scholars Why finally if opera houses all over the world are dutifully honoring their audiences loyalty to these favorite works are they having to struggle so hard financially Answers to these and other problems are offered here by 26 musicologists historians and industry professionals working in a wide range of contexts Topics range from the seventeenth century to the present day and from Russia to England and continental Europe to the Americas In an effort to reflect the contested nature of most of the issues facing opera each topic is addressed by two essays introduced jointly by the respective authors and followed by a jointly compiled list of further reading These paired essays complement each other in different ways for example by treating the same geographical location in different periods by providing different national or regional perspectives on the same period or by thinking through similar conceptual issues in contrasting or changing contexts Posing its questions in fresh provocative terms The Oxford Handbook of the Operatic Canon challenges scholarly assumptions and expectations and breathes fresh air into the fields of music and cultural history Angels in America at the British National Theatre Emily Garside, 2022-10-21 Angels in America was one of the most significant pieces of American theatre in the 20th Century Much has been written on Tony Kushner s epic drama However the National Theatre of Great Britain s productions of the show are relatively under discussed Not only was the National Theatre responsible for helping to originate the play in the early 1990s but it helped revitalize interest in 2018 with Marianne Elliott s reimagined version starring Andrew Garfield and Nathan Lane This book considers the role of the National

in the play's history and how Elliott's production reframed the play 25 years after the original it chronicles the tumultuous first production and the play's successes in London and New York The book also looks at the key features of the play its representation of AIDS its status as an iconic gay play and its searing political commentary Concluding with an in depth analysis of Marianne Elliott's reimagining of the play this book is an up to date history of *Angels in America* and a reflection on its continued importance Innovation in Music Russ Hepworth-Sawyer, Jay Hodgson, Justin Paterson, Rob

Toulson, 2019-06-25 *Innovation in Music* Performance Production Technology and Business is an exciting collection comprising of cutting edge articles on a range of topics presented under the main themes of artistry technology production and industry Each chapter is written by a leader in the field and contains insights and discoveries not yet shared *Innovation in Music* covers new developments in standard practice of sound design engineering and acoustics It also reaches into areas of innovation both in technology and business practice even into cross discipline areas This book is the perfect companion for professionals and researchers alike with an interest in the Music industry Chapter 31 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **Shadow Cinema** James Fenwick, Kieran Foster, David Eldridge, 2020-11-12

Filmmakers and cinema industries across the globe invest more time money and creative energy in projects and ideas that never get produced than in the movies that actually make it to the screens Thousands of projects are abandoned in pre production halted cut short or even made and never distributed a shadow cinema that exists only in the archives This collection of essays by leading scholars and researchers opens those archives to draw on a wealth of previously unexamined scripts correspondence and production material reconstructing many of the hidden histories of the last hundred years of world cinema Highlighting the fact that the movies we see are actually the exception to the rule this study uncovers the myriad reasons why failures occur and considers how understanding those failures can transform the disciplines of film and media history The first survey of this new area of empirical study across transnational borders *Shadow Cinema* is a vital and fascinating demonstration of the importance of the unmade unseen and unknown history of cinema Developing Theatre in the Global South Nic Leonhardt, Christopher B. Balme, 2024-04-09 Drawing on new research from the ERC project *Developing Theatre* this collection presents innovative institutional approaches to the theatre historiography of the Global South since 1945 Covering perspectives from Africa Asia the Middle East and Latin America as well as Eastern Europe the chapters explore how US philanthropy international organisations and pan African festivals all contributed to the globalisation and institutionalisation of the performing arts in the Global South During the Cultural Cold War the Global North intervened in and promoted forms of cultural infrastructure that were deemed adaptable to any environment This form of technopolitics impacted the construction of national theatres the introduction of new pedagogical tools and the invention of the workshop as a format The networks of experts responsible for this foreground seminal figures both celebrated Augusto Boal Efua

Sutherland but also lesser known Albert Botbol Severino Montano Metin And who contributed to the worldwide theatrical epistemic community of the postwar years *Developing Theatre in the Global South* investigates the institutional factors that led to the emergence of professional theatre in the postwar period throughout the decolonising world The book s institutional and transnational approach enables theatre studies to overcome its still strong national and local focus on plays and productions and connect it to current discourses in transnational and global history [Latin Music](#) Ilan Stavans, 2014-07-29 This definitive two volume encyclopedia of Latin music spans 5 centuries and 25 countries showcasing musicians from Celia Cruz to Plácido Domingo and describing dozens of rhythms and essential themes *Eight years in the making Latin Music Musicians Genres and Themes* is the definitive work on the topic providing an unparalleled resource for students and scholars of music Latino culture Hispanic civilization popular culture and Latin American countries Comprising work from nearly 50 contributors from Spain Latin America the Caribbean and the United States this two volume work showcases how Latin music regardless of its specific form or cultural origins is the passionate expression of a people in constant dialogue with the world The entries in this expansive encyclopedia range over topics as diverse as musical instruments record cover art festivals and celebrations the institution of slavery feminism and patriotism The music traditions and history of more than two dozen countries such as Argentina Brazil Costa Rica Cuba El Salvador Guatemala Honduras Mexico Panama Spain and Venezuela are detailed allowing readers to see past common stereotypes and appreciate the many different forms of this broadly defined art form

Eventually, you will very discover a supplementary experience and attainment by spending more cash. yet when? reach you say yes that you require to get those every needs afterward having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more in the region of the globe, experience, some places, like history, amusement, and a lot more?

It is your extremely own grow old to comport yourself reviewing habit. in the midst of guides you could enjoy now is **On Broadway Art And Commerce On The Great White Way** below.
