Global James Bond Klaus Dodds, Lisa Funnell, 2023-12-20 *Global James Bond Re Imagining and Transplanting a Popular Culture Icon* focuses on the ambivalent yet fascinating interplay between the global and the local in the longest running film franchise in history It explores how James Bond established itself as a global standard for action spy film making and even as a minor global cinema i e imagining and how the franchise subsequently inspired a series of genre bending blending and breaking in local visual and some literary contexts i e reimagining and transplanting The chapters in this collection consider how the world is envisaged in the official series and subsequently reinterpreted on local and regional levels and how investments with alternative meanings might run counter to the dominant representational and geo political logics of the novels and filmic texts *Global James Bond* is a starting point for further conversation and exchange over an extraordinary film franchise **For His Eyes Only** Lisa Funnell, 2015-10-20 The release of *Skyfall* in 2012 marked the fiftieth anniversary of the James Bond film franchise It earned over one billion dollars in the worldwide box office and won two Academy Awards
