Lets Be Friend - A Curious, Calm Cow Dr. Sahadeva Das, 2018-01-01 As the title suggests this book deals with the subject of cows Normally we see cows as docile dumb creatures grazing nonchalantly in some far distance But there is a whole lot more going on in their lives Numerous stories from around the World are presented herein to substantiate this point Where does all the war racism terrorism violence and cruelty that's so endemic to human civilization come from Why do humans exploit and massacre each other so regularly Why is our species so violence prone To answer these questions we would do well to think about our exploitation and slaughter of animals and its effect on human civilization

Well-Being as Value Fulfillment Valerie Tiberius, 2018-10-18 What is human well being Valerie Tiberius argues that our lives go well to the extent that we succeed in terms of what matters to us emotionally reflectively and over the long term In other words well being consists in fulfilling or realizing our appropriate values over time In the first half of the book Tiberius

sets out the theory of well being as value fulfilment She explains what valuing is and what it is to fulfill values over time In the second half of the book she applies the theory to the problem of how to help others particularly our friends We don't always know how to provide the help we know others need but we also have the problem of knowing what help they need in the first place and this is a problem that requires ethical thinking Tiberius argues that when we want to help others achieve greater well being we should pay attention to their values This entails attending to how others values fit together how they understand what it means to succeed in terms of these values and how things could change for them over time Being a good and helpful friend then requires cultivating some habits of humility that overcome our tendency to think we know what's good for other people without really understanding what it's like to be them [We Can't Be Friends](#) Cyndy Etler,2017-10-03

The companion to *The Dead Inside* An unnerving and heartrending memoir Publishers Weekly This is the story of my return to high school This is the true story of how I didn't die High school sucks for a lot of people High school extra sucks when you believe deep in your soul that every kid in the school is out to get you I wasn't popular before I got locked up in Straight Inc the notorious tough love program for troubled teens So it's not like I was walking around thinking everyone liked me But when you're psychologically beaten for sixteen months you start to absorb the lessons The lessons in Straight were You are evil Your peers are evil Everything is evil except Straight Inc Before long you're a true believer And when you're finally released sent back into the world you crave safety Crave being back in the warehouse And if you can't be there you'd rather be dead **My Own Monster** Jeff Tucker,Ramona Tucker,2001-09-18
