Post Cards Home Maureen Stewart, 1987 *Hollywood, 1900-1950, in Vintage Postcards* Thomas Dangcil, Tommy Dangcil, 2002 With the advent of new inexpensive photographic technology emerging in the United States during the mid 19th century communication by postcard became a very popular way to exchange travel stories news and gossip over the decades Drawing on a private collection of vintage postcards this new book features a history of Hollywood spanning half a century Exploring Hollywood before and after it became the entertainment capital of the world these images offer readers a glimpse of some of the city's most interesting places during its Golden Years Long before motion pictures arrived when the area was a residential neighborhood of beautiful homes and lemon groves Hollywood was just another suburb of Los Angeles striving to become a community From the familiar sights of Metro Goldwyn Mayer Studios and the Chinese Theater to the horse and buggy driven dirt roads and pineapple fields at the turn of the century Hollywood in Vintage Postcards will guide the curious through the city's progress in the first half of the 20th century *60 Postcards* Rachael Chadwick, 2015-02-26 The heartfelt and uplifting story of how a project to scatter 60 Postcards in memory of her mother helped a young girl come to terms with her loss On 11 February 2012 Rachael Chadwick lost her Mother to cancer just sixteen days after first being diagnosed and her world shattered right in front of her Utterly fed up of the milestones and reminders in December of that year she decided she would do something different and created a project based around her Mum's approaching 60th Birthday Desperate to spread the word about the wonderful person she had lost Rachael had the brainwave of leaving notes around a city in her memory Deciding she would take it a step further she wondered what would happen if she could ask people to respond to her Full of hope and energy she hand wrote sixty postcards each with her email address at the bottom asking the finder to get in touch But one question remained where should she go Knowing how much she longed to visit Paris the last gift that Rachael's mum had given her was Eurostar vouchers and so it seemed fitting that this would be her chosen city So off she went with a group of friends to celebrate discover and to scatter her memories Filling their time in Paris with sight seeing food and drink laughter and of course postcards **Heart of the Home Postcard Collection** Susan Branch, 1994-10-19 **Palm Springs in Vintage Postcards** Judy Artunian, Mike Oldham, 2005 Palm Springs has been a desert vacation oasis for nearly a century and remains the ultimate posh desert spa in pop culture Film stars put Palm Springs on the map as a destination for weekend getaways In the postwar era it became a centerpiece for golfers and a second home for such Hollywood icons as Bob Hope and Bing Crosby Over the years postcards portraying Palm Springs have concentrated on its hotels spas golf courses celebrities and other aspects that have fed the national reputation of the city and its environs as a playground for the rich and famous **Clarksville in Vintage Postcards** Billy Frank Morrison, 2004-08-18 Clarksville Tennessee has undergone a colossal metamorphosis since the 1700s when men like Sevier Montgomery and Renfro fought Native Americans along the Cumberland and Red Rivers Though these founding fathers would not recognize

the present rivers nor the hills upon which Clarksville has grown Clarksvillians have kept an awareness of their rich past bridging their lives with those of the early frontiersmen Today Clarksville eclectically blends both metropolitan and rural settings to offer residents the best of both worlds *Postcards from the Front 1914-1919* Kate J. Cole,2016-05-15 Postcards from the Front 1914 1919 captures the essence of this medium in a unique and fascinating way bringing to life the pathos the trauma and the mud and the blood of Flanders and France as the embattled Tommies wrote home to their loved ones

Congress,1970 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Quick and Easy Ways to Connect with Students and Their Parents, Grades K-8** Diane Mierzwiak,2016-04-26 The research is indisputable The more involved parents are with their child s education the more successful that child will be in school Therefore finding ways as a teacher to reach out to students and their parents is crucial in improving academic performance Quick and Easy Ways to Connect With Students and Their Parents Grades K 8 provides strategies to enrich the classroom environment motivate students and improve communication with parents Supplying numerous sample forms documents and letters that teachers can use or adapt for their own purposes author Diane Mierzwiak offers simple classroom tested methods for building relationships with students

another as they write and read their exchanges this does not necessarily inhibit affective communication Indeed this study demonstrates how physical absence may in some instances provide correspondents with intense intimacy and a spiritual almost telepathic sense of the other's presence While corresponding by letter postcard or email readers construe an imaginary incorporeal body for their correspondents that in turn reworks their interlocutor's self presentation In this regard the fantasy of presence reveals a key paradox of cultural communication namely that material signifiers can be used to produce the experience of incorporeal presence *Winston-Salem in Vintage Postcards* Molly Grogan Rawls, 2004 The Moravian town of Salem joined with its industrial neighbor Winston to officially become the city of Winston Salem in 1913 Located in the Piedmont section of North Carolina at the foothills of the Blue Ridge Mountains Winston Salem has a rich cultural heritage Tourists and residents alike visit Old Salem to experience the restored Moravian village and participate in traditional events Some come to explore Winston Salem's historic homes and neighborhoods and to sample the city's varied culinary treats Others come to tour picturesque college campuses attend sporting events and partake in the city's vast array of arts offerings

First Postcards Amelia Khatri, AI, 2025-02-12 First Postcards explores the captivating history of postcards revealing their evolution from simple communication tools to cherished collectibles It examines how postcards reflect social trends artistic movements and technological advancements of the 19th and early 20th centuries The book contextualizes their emergence within postal reforms and printing innovations highlighting the rapid adoption of postcards across social classes It argues that these seemingly simple pieces of ephemera offer a unique window into the past providing insights into everyday life and cultural values often overlooked by traditional historical sources especially during the golden age of postcards The book unfolds in three sections beginning with the origins of postcards and their precursors then exploring the Golden Age of postcards including diverse types and printing techniques Finally it delves into the world of postcard collecting highlighting early collecting mania and modern practices as well as major postcard artists and themes By drawing on primary sources like early postcard collections and postal archives First Postcards provides a comprehensive view of postcard history and their cultural impact This book will appeal to collectors history enthusiasts and hobbyists alike

New Philadelphia in Vintage Postcards Erin L. VanFossen, 2004 In 1772 Native Americans granted land in the Tuscarawas Valley to Moravian missionary David Zeisberger and he established the Christian community of Schoenbrunn Village which remained until 1777 when members were forced to relocate Then in late 1804 John Knisely his family and other pioneers braved the western frontier and settled on the Tuscarawas River near the Schoenbrunn Village site On October 23 1804 John Knisely founded the town of New Philadelphia He was a great philanthropist donating land to the city for future public buildings guaranteeing its selection as the Tuscarawas County Seat In Schoenbrunn Village which has been partially excavated and rebuilt as a historic site in New Philadelphia missionaries lived in harmony with Native Americans and so it seems fitting that New Philadelphia through the influence of John Knisely's generosity has maintained its image as the new

city of brotherly love Two hundred years later the city strives to keep Knisely's dream alive with its generous allocation of resources and commitment to those in need Altmann's Tongue, 2002-01-01 Brian Evenson has added an O Henry Award winning short story Two Brothers to this controversial book and a new afterword in which he describes the troubling aftermath of the book's publication in 1994 *Postcards of Our Time: Impressions of American Life* Pasquale De Marco, 2025-07-25 Postcards have been a part of American life for over a century and they offer a unique glimpse into the history and culture of the United States This book explores the impact of postcards on American culture and society from their humble beginnings to their widespread popularity The first chapter of the book provides a brief overview of the history of the postcard from its origins in the 19th century to its widespread popularity in the early 20th century The subsequent chapters explore the different ways that postcards have been used to reflect American culture and society One chapter examines the role of postcards in promoting tourism and travel while another looks at the way postcards have been used to document major historical events The book also explores the personal side of postcards examining the way that people have used them to stay connected with friends and family One chapter looks at the role of postcards in wartime while another examines the way postcards have been used to commemorate personal milestones such as birthdays weddings and anniversaries The final chapter of the book looks at the future of postcards in the digital age With the rise of email and social media the postcard has faced new challenges However the postcard has proven to be a resilient medium and it continues to be used by people around the world to share messages and images This book is a comprehensive look at the history and impact of the postcard in the United States It is a valuable resource for anyone interested in American culture and history as well as for collectors of postcards If you like this book write a review
