including Barbara Rotteveel founder of The Three Bells Delftware factory in 1671 We are introduced to female Delftware patrons such as Queen Mary II who found her means of expression while creating a vogue in the 17th century for Delft blue and white across royal courts And then there are the female collectors beginning in the 19th century who saw the artistry and craft in these ceramics others had overlooked Foremost among them was Mrs J Pierpont Morgan and Mrs Cornelius Vanderbilt II who came together with fellow New York women and laid the groundwork for women in the museum world while preserving decorative arts with an educational mission With illustrations of period objects documents maps paintings prints and drawings Beyond Blue and White is a colorful celebration of an iconic decorative art and dynamic women living in extraordinary times Wheeler Brown s rich narrative encourages us to see beyond the dazzling cobalt glaze of Delftware to consider that these vessels are also our connection to a history with a fascinating group of women at its center
