Renewing The Irish Church Towards An Irish Liberation Theology:

Renewing the Irish Church Joseph McVeigh, 1993 **Towards a New Liberation Theology** Arzu Merali, Javad Sharbaf, 2009 *The Shaping of the Celtic World* Patrick Lavin, 2011-11-08

The Shaping of the Celtic World traces the rise and decline of the great Celtic peoples. Ranging from prehistoric to modern times it undertakes an examination of Celtic civilization revealing a proud and independent society with its unique history, mythology, pantheon of gods, literature and artistry. The romance of Celtic mythology is unsurpassed. It introduces us to many intriguing legends of which the battles between the gods and giants are most alluring. Emerging in the 6th century BC the Celts conquered and settled the greater part of Europe, laying the foundation for western civilization. Their contribution in shaping the modern world cannot be underestimated. As Europe languished in the barbarism of the Dark Ages the great heritage of Western Europe was endangered of being entirely lost but for the Celtic monks of Ireland and Britain who scribed and illuminated Europe's treasury of literature. The book is written for the millions who proudly identify with their Celtic roots known today by their ethnic identities as Irish, Scottish, Welsh, Manx, Breton and Cornish. This concise yet user friendly guide to ancient European history will be enjoyed by a variety of readers including students, travelers, history enthusiasts and those interested in their Celtic origins.

Word and Power Gareth W. D. Stewart, 2015-02-16

Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive. In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers. This work aims at considering the contribution of John Wimber, the late leader of the Vineyard Churches, to contemporary theological reflection within the Reformed tradition. Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical, this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty-first century. Written from a confessional Presbyterian context in Northern Ireland, Word and Power places Wimber in his theological context and asks whether Wimber's view of power, evangelism, discipleship, formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today.
