Hyperthematics Marc M. Anderson,2019-08-01 Presents a new and unique method for developing principles to be applied in creating and increasing value In this innovative work Marc M Anderson presents an account of value and value creation which both defines value and introduces a method to manipulate value practically Using this new methodology Anderson first explores where value lies in experience both human and otherwise uncovering tendencies in human action and the natural world that create and destroy value From that analysis he generates practical principles to be applied in creating value in any region or discipline of human experience at any scale including corporate organization and product design economics the sciences the arts urban and architectural design and sustainable development He tests this methodology by focusing on the organization and production of commercial corporations in particular suggesting ways to rethink and transform organization product creation and the contemporary currency system He considers the implications for the many intersections of corporate production with human life from urban planning medicine and food production to pornography weaponry and environmental engagement with corresponding suggestions for transformation toward value Throughout Hyperthematics examines complexity the nature of objects the inevitable future intermingling of science and ethics and assumptions driving the contemporary culture wars

In Search of La Grande Illusion Nicholas Macdonald,2013-11-08 This is an extended analysis of the film from different perspectives The first half is largely a discussion of the cinematic technique with key sequences analyzed shot by shot The second half approaches the film from many other angles including its history the critical reception Renoir s life and career and film theory e g film in relation to music A case is made that Renoir s career was inconsistent especially after La Regle du jeu but also during the 1930s And rather than emphasizing the humanist anti war thrust of La Grande Illusion the film is approached as a work of art that is deeply expressive cinematically
