Renovated Jewish State:

Destiny of the Tribe of Ephraim and the Restoration of the House of Israel Douglas Hatten, 2011-09-28 This book explores the importance of the tribe of Ephraim and the lost tribes of Israel in regards to the establishment of Zion in the last days In the restoration of all things spoken of by the prophets of old God will bring about the restoration of the whole house of Israel gather the lost tribes to a place of refuge and set up an ensign for a witness to the world This event is known by several names including the great and marvelous work the work of the Father and God's strange act This is a mystery that has been hidden from the world but its time is nearly upon us This is the second edition of this book originally entitled God's Strange Act God's Strange Act: the Destiny of Ephraim and the Restoration of the House of Israel Douglas

Hatten, 2011-07-05 This book explores the importance of Ephraim and the lost tribes of Israel in regards to the establishment of Zion in the last days In the restoration of all things spoken of by the prophets of old God will bring about the restoration of the whole house of Israel gather the lost tribes to a place of refuge and set up an ensign for a witness to the world This event is a mystery that has been hid from the world and its time is nearly upon us *The Jewish State* Yoram Hazony, 2009-04-30

In what may be the most controversial book on Zionism and Israel published in the last twenty years Yoram Hazony graphically portrays the cultural and political revolt against Israel's status as the Jewish state Examining ideological trends in academia literature media law the armed forces and the foreign policy establishment Hazony contends that Israelis are preparing themselves for the final break with the Jewish past and the Jewish future In a dramatic new reading of Israeli history Hazony uncovers the story of how Martin Buber Gershom Scholem Hannah Arendt and other German Jewish intellectuals bitterly fought against the establishment of Israel and later used the Hebrew University as a base for deposing David Ben Gurion and discrediting Labor Zionism *The Jewish State* is a must read for anyone concerned with Israel's present and future **History of the Jews After the Fall of the Jewish State** Ismar Elbogen, 1926 The Nineteenth Century

, 1897 *New Zionism and the Foreign Policy System of Israel (RLE Israel and Palestine)* Ofira Seliktar, 2015-05-22 The invasion of Lebanon was the culmination of an extraordinary change which New Zionism created in Israel's foreign policy system This book first published in 1986 examines how New Zionism came to dominate Israeli politics and it investigates the implications of this new ideology for the future of the Middle East The author agrees that after the creation of the State of Israel the belief system of the evolving society gradually changed After the Six Day War the ideology of Socialist Zionism became increasingly discredited and replaced by the New Zionist quest for Eretz Israel Hardened by the harsh experience of the continuing Arab Israeli conflict and enhanced by the threatening image of the enemy the political culture in Israel became less tolerant and more receptive to the language of New Zionism As a result Begin's Likud came to power in 1977 and quickly changed the whole basis of Israel's foreign policy Instead of the cautious pragmatism of Socialist Zionism the Begin government pursued the grand design that had enjoyed a long tradition in Revisionist thinking Although General

Sharon was responsible for the actual conduct of the war it was the New Zionist propensity to use military force to introduce a new order in the Middle East which was responsible for the invasion The book suggests that it is still too early to assess the full impact of the war in Lebanon on New Zionism Although the war failed to validate any of the grand design tenets of New Zionism the violent Shiite response in Southern Lebanon may serve to strengthen the New Zionist hard line This could hasten the annexation of the occupied territories as the final stage of turning the State of Israel into the Land of Israel *Jewish Options* Arnold Dashefsky,Ira M. Sheskin,J.Alan Winter,2024-10-03 This book offers an examination of an expanding set of options for being Jewish in contemporary American society It examines the evolution of Jewish identity across five epochs of Jewish civilization as well as the transformation of the American Jewish experience across four centuries In addition an institutional history and a geographic demographic and religious profile of American Jews are presented including an outline of contemporary Jewish options to express Jewish identity in twenty first century America Readers will gain an understanding of how these options developed via the provision of a socio historical and a social scientific analysis of each option in one integrated volume The book also discusses contemporary challenges to the continuity of American Jewish community and identity including the issues of education interfaith marriage and philanthropy **The New York Times Index** ,1917

The Two-State Solution Ruth Gavison,2013-06-20 This timely work contributed by noted authorities explains the crucial events in the history of the Israeli Palestinian conflict that led to the UN resolution to partition Palestine into two states on November 29 1947 The book first analyzes the historical context of UN resolution 181 including the positions and internal debates of the Jewish and Arab parties and of the international community It then introduces primary sources related to the resolution such as protocols letters reports and speeches some of these published for the first time in English By combining in depth analyses with such sources the book provides a rich and comprehensive overview of the subject from a variety of perspectives It shows that the arguments for a two state solution i e a Jewish state along a Palestinian state are as relevant today as they were then Featuring both Israeli and Palestinian points of view this significant work renews the debate that has shaped and is still shaping the Arab Israeli conflict It will be an essential resource for anyone interested in the past and future of Israel and Palestine *Survey of the New Testament- Everyman's Bible Commentary* Paul

Benware,2001-11-01 The New Testament is worthy of a lifetime of study as it answers the most significant questions people have asked says Paul Benware What is the purpose of life Is there any real hope What is God like Can I be freed from guilt and sin Jesus Christ is the only answer to those questions He is the key to God s New Covenant the central theme of the New Testament In order to fully appreciate the New Covenant you must explore the lives and times of Christ and the New Testament writers Survey of the New Testament organizes this essential information around the anticipation institution and fulfillment of the New Covenant Dr Benware along with his book by book study of the 27 New Testament books includes a chronological study of the life of Christ a look at political forces and ideologies of the first century Roman world and a
