Reordered Love, Reordered Lives David K. Naugle, 2008-11-03 If we have a particle of sense St Augustine said we realize that we all want to be happy What's more God actually designed human beings to crave and seek happiness Why then is there so much unhappiness in the world According to David Naugle it's because in our desperate quest we're looking in the wrong places *Reordered Love* *Reordered Lives* explores a distinctly Augustinian theme that is supremely relevant for the twenty first century Naugle explains that if we love properly that is if we love beginning with God and progressing to other humans ourselves and the world around us we will also live properly and in so doing will find our own true happiness Packed with select quotes and references to popular music literature and other media and including provocative questions for discussion the book presents classic theological ideas in a conversational and edgy fashion Naugle's refreshing take is sure to appeal to anyone searching for happiness which in the end is all of us
