**The Speech of the Negros Congos of Panama** John M. Lipski, 1989 The negros congos of Panama s Caribbean coast are a unique cultural manifestation of Afro Hispanic contact During Carnival season each year this group reenacts dramatic events which affected black slaves in colonial Panama performs dances and pantomimes and enforces a set of ritual

laws and punishments A key component of congo games is a special dialect the hablar en congos which is employed by a subset of the congos in each settlement The present study investigates the congo dialect from a linguistic point of view along two dimensions The first involves deliberate phonetic syntactic and semantic distortion as part of the overall spirit of burlesque and ridicule that surrounds Panamanian Carnival The second is the retention of earlier partially creolized Afro Hispanic language forms which may still be extracted from contemporary congo speech These Afro Hispanic vestiges are of key importance to monogenetic theories of Afro Romance creolization as Panamanian congo speech provides examples of unique creolized Spanish

**Americans at the Gate** Carl J. Bon Tempo, 2008-10-05 Unlike the 1930s when the United States tragically failed to open its doors to Europeans fleeing Nazism the country admitted over three million refugees during the Cold War This dramatic reversal gave rise to intense political and cultural battles pitting refugee advocates against determined opponents who at times successfully slowed admissions The first comprehensive historical exploration of American refugee affairs from the midcentury to the present *Americans at the Gate* explores the reasons behind the remarkable changes to American refugee policy laws and programs Carl Bon Tempo looks at the Hungarian Cuban and Indochinese refugee crises and he examines major pieces of legislation including the Refugee Relief Act and the 1980 Refugee Act He argues that the American commitment to refugees in the post 1945 era occurred not just because of foreign policy imperatives during the Cold War but also because of particular domestic developments within the United States such as the Red Scare the Civil Rights Movement the rise of the Right and partisan electoral politics Using a wide variety of sources and documents *Americans at the Gate* considers policy and law developments in connection with the organization and administration of refugee programs
