WebDoctor Richard M. Sharp, Vicki F. Sharp, 1998 Originally published in 1973 *Black Players* was the first book to do a thorough examination of the urban pimp culture. Social anthropologists Richard and Christina Milner were allowed access to the secretive and controversial world of pimps and prostitutes. *Black Player* guides the reader through every aspect of this unfamiliar world, allowing the Players to describe themselves and the rules of the game in their own words. The Milners interviewed many of the top pimps in the Bay area and other parts of the country during the late 60s and early 70s. There is even a rare interview with legendary pimp turned author Iceberg Slim in this book. Out of this experience has come one of the most fascinating journeys into a secret culture ever written.
