Reproducing Jews Susan Martha Kahn,2000 Explores the debates about new reproductive technologies in Israel and how they fit with Orthodox Jewish laws concerning parentage and Jewish identity **Reproducing Jews** Susan Martha Kahn,2000 Explores the debates about new reproductive technologies in Israel and how they fit with Orthodox Jewish laws concerning parentage and Jewish identity **An Anthropology of Biomedicine** Margaret M. Lock,Vinh-Kim

Nguyen,2011-09-09 An Anthropology of Biomedicine is an exciting new introduction to biomedicine and its global implications Focusing on the ways in which the application of biomedical technologies bring about radical changes to societies at large cultural anthropologist Margaret Lock and her co author physician and medical anthropologist Vinh Kim Nguyen develop and integrate the thesis that the human body in health and illness is the elusive product of nature and culture that refuses to be pinned down Introduces biomedicine from an anthropological perspective exploring the entanglement of material bodies with history environment culture and politics Develops and integrates an original theory that the human body in health and illness is not an ontological given but a moveable malleable entity Makes extensive use of historical and contemporary ethnographic materials around the globe to illustrate the importance of this methodological approach Integrates key new research data with more classical material covering the management of epidemics famines fertility and birth by military doctors from colonial times on Uses numerous case studies to illustrate concepts such as the global commodification of human bodies and body parts modern forms of population and the extension of biomedical technologies into domestic and intimate domains Winner of the 2010 Prose Award for Archaeology and Anthropology

Symptoms of Modernity Matti Bunzl,2004-02-03 In the 1990s Vienna's Jews and queers abandoned their clandestine existence and emerged into the city's public sphere in unprecedented numbers *Symptoms of Modernity* traces this development in the context of Central European history Jews and homosexuals are signposts of an exclusionary process of nation building Cast in their modern roles in the late nineteenth century they functioned as Others allowing a national community to imagine itself as a site of ethnic and sexual purity In Matti Bunzl's incisive historical and cultural analysis the Holocaust appears as the catastrophic culmination of this violent project an attempt to eradicate modernity's abject by products from the body politic As *Symptoms of Modernity* shows though World War II brought an end to the genocidal persecution the nation's exclusionary logic persisted accounting for the ongoing marginalization of Jews and homosexuals Not until the 1970s did individual Jews and queers begin to challenge the hegemonic subordination a resistance that by the 1990s was joined by the state's attempts to ensure and affirm the continued presence of Jews and queers *Symptoms of Modernity* gives an account of this radical cultural reversal linking it to geopolitical transformations and to the supersession of the European nation state by a postmodern polity *Boundaries of Jewish Identity* Susan A Glenn,Naomi B. Sokoloff,2011-07-01 The subject of Jewish identity is one of the most vexed and contested issues of modern religious and

ethnic group history This interdisciplinary collection draws on work in law anthropology history sociology literature and popular culture to consider contemporary and historical responses to the question Who and what is Jewish These essays are focused especially on the issues of who creates the definitions and how and in what social and political contexts The ten leading authorities writing here also look at the forces ranging from new genetic and reproductive technologies to increasingly multicultural societies that push against established boundaries The authors examine how Jews have imagined themselves and how definitions of Jewishness have been established enforced challenged and transformed Does being a Jew require religious belief practice and formal institutional affiliation Is there a biological or physical aspect of Jewish identity What is the status of the convert to another religion How do definitions play out in different geographic and historical settings What makes Boundaries of Jewish Identity distinctive is its attention to the various Jewish epistemologies or ways of knowing who counts as a Jew These essays reveal that possible answers reflect the different social intellectual and political locations of those who are asking This book speaks to readers concerned with Jewish life and culture and to audiences interested in religious cultural and ethnic studies It provides an excellent opportunity to examine how Jews fit into an increasingly diverse America and an increasingly complicated global society [Place in Modern Jewish Culture and Society](#) Richard I.
