Reproductive Urges

POPULAR NOVEL-READING, SEXUALITY, AND THE ENGLISH NATION

Reproductive Urges Popular Novel Reading Sexuality And The English Nation New Cultural Studies

Christopher David, Bram Stoker

Reproductive Urges Popular Novel Reading Sexuality And The English Nation New Cultural Studies:

Reproductive Urges Anita Levy, 1999-07-08 *Reproductive Urges* challenges traditional and Marxist accounts of the oppositional relationship between production and reproduction by focusing on reproduction as one of the most widely used and highly contested concepts in modern culture. Although it appears to refer only to the most obvious of biological facts, Anita Levy contends that reproduction includes a diverse field of cultural and social practices. Levy looks to the writings of Charlotte Lennox, Jane Austen, Charlotte Brontë, Charles Dickens, Bram Stoker, and Oscar Wilde among others to explain both conceptual changes in notions of reproduction and the acute anxiety about controlling it, still dominant in contemporary debates concerning the individual, the family, and sexuality. *Inventing Maternity* Susan C. Greenfield, Carol Barash, 2021-10-21 Not until the eighteenth century was the image of the tender full-time mother invented. This image retains its power today. *Inventing Maternity* demonstrates that despite its association with an increasingly standardized set of values, motherhood remained contested terrain. Drawing on feminist cultural and postcolonial theory, *Inventing Maternity* surveys a wide range of sources: medical texts, political tracts, religious doctrine, poems, novels, slave narratives, conduct books, and cookbooks. The first half of the volume, covering the mid-seventeenth to the late eighteenth centuries, considers central debates about fetal development, pregnancy, breastfeeding, and childbearing. The second half, covering the late eighteenth to the mid-nineteenth centuries, charts a historical shift to the regulation of reproduction as maternity is increasingly associated with infanticide, population control, poverty, and colonial, national, and racial instability. In her introduction, Greenfield provides a historical overview of early modern interpretations of maternity. She concludes with a consideration of their impact on current debates about reproductive rights and technologies, child custody, and the cycles of poverty. **Problem Novels** Anna Maria Jones, 2007 In *Problem Novels*, Anna Maria Jones argues that far from participating invisibly in disciplinary regimes, many Victorian novels articulate sophisticated theories about the role of the novel in the formation of the self. In fact, it is rare to find a Victorian novel in which questions about the danger or utility of novel reading are not embedded within the narrative. In other words, one of the stories that the Victorian novel tells over and over again is the story of what novels do to readers. This story occurs in moments that call attention to the reader's engagement with the text. In chapters on Wilkie Collins, Anthony Trollope, and George Meredith, Jones examines problem novels that are novels that both narrate and invite problematic reading as part of their theorizing of cultural production. *Problem Novels* demonstrates that these works posit a culturally embedded, sensorially susceptible reader and at the same time present a methodology for critical engagement with cultural texts. Thus, the novels theorize paradoxically a reader who is both unconsciously interpellated and critically empowered. And Jones argues it is this paradoxical construction of the unconscious critical subject that re-emerges in the theoretical paradigms of Victorian cultural studies scholarship. Indeed, as *Problem Novels* shows, Victorianists' attachments to critical detective work closely resemble the sensational attachments that we assume shaped Victorian novel readers. BOOK

JACKET **Irishness and Womanhood in Nineteenth-century British Writing** Thomas J. Tracy, 2009 Using Lady Morgan's *The Wild Irish Girl* as his point of departure Thomas J. Tracy argues that nineteenth century debates over what constitutes British national identity often revolved around representations of Irishness especially Irish womanhood He maps the genealogy of this development in fiction political discourse and the popular press from Edgeworth's *Castle Rackrent* through Trollope's Irish novels focusing on the pivotal period from 1806 through the 1870s **Dickens, Sexuality and Gender** Lillian Nayder, 2017-03-02 This volume of essays examines Dickens's complex representations of sexuality and gender as well as his use of gender ideologies and sexual and gender differences over the course of his literary career from his first sketches and early novels to his late works of fiction The essays approach gender issues in Dickens's writing by focusing on a number of topics his treatment of gender ideals and transgressions the intersections and displacements among gender class and race the ties between gender and the body and among gender voice and language his depiction of the homosocial and the homoerotic and the relation between gender and the law The essays provide an introduction to the most recent approaches to Dickens's fiction in addition to those now considered classic draw on queer theory and also feature a variety of methodologies ranging across feminist historicist and psychoanalytic methods of interpretation The collection represents the best of previously published research by Dickens's scholars and illuminates for students and scholars alike the meaning of gender in such novels as *The Pickwick Papers* *Dombey and Son* and *Our Mutual Friend* *Novel Professions* Jennifer Ruth, 2006 **Dracula Scholar's Annotated Edition.** Christopher David, Bram Stoker, 2016-01-28 A labor of love this fully annotated edition of Bram Stoker's *Dracula* is meant for the university level literature student Can be used as a resource when reading *Dracula* or on its own Inspired by the La Trobe University subject Gothic Literature and its Children and initially made up of notes taken for that subject and driven by the editor's difficulty in locating a digital annotated copy at a reasonable price Hundreds of hours of work has gone into this edition and it is being offered at a low price to ensure that as many students as possible are able to benefit from it Some of the most recent literary scholarly approaches to the text have been incorporated into the annotations alongside definitive articles and interpretations Students are offered a never before seen enriched text that both enhances the depth of reading and prepares for further scholarly investigation Sheds light on often dismissed and neglected parts of the text and considers different scholarly approaches to interpretation including post colonial and gender studies This edition also includes definitions for obscure terms explanations of key parts of the text and important historical notes Relying on dozens of sources including many known to have been employed by Bram Stoker Includes images from the British Library and other collections to help illustrate key aspects of the text Lavishly illustrated throughout including over 20 original and exclusive artworks This edition is a scholarly reference a beautifully formatted novel and a creative piece of art The original text of the American edition of *Dracula* has been carefully edited to provide the closest possible presentation of Bram Stoker's original vision Important differences between the American and

British editions are noted in the annotations and the text has been completely edited to fix spelling errors and typos where doing so enhances rather than diminishes the integrity of the text Possibly the most accurate and faithful to the author's original intentions edition of the Dracula text ever published Meant for the university level student but equally engaging for the casual reader or anybody with an interest in Dracula Deliberately priced to allow for maximum possible accessibility A truly enhanced edition of Dracula and a labor of love

Victorian Negatives Susan E. Cook, 2019-07-01 *Victorian Negatives* examines the intersection between Victorian photography and literary culture and argues that the development of the photographic negative played an instrumental role in their confluence The negative is a technology that facilitates photographic reproduction by way of image inversion and Susan E Cook argues that this particular photographic technology influenced the British realist novel and literary celebrity culture as authors grappled with the technology of inversion and reproduction in their lives and works The book analyzes literary works by Charles Dickens Arthur Conan Doyle E W Hornung Cyril Bennett Robert Louis Stevenson Oscar Wilde Thomas Hardy and Bram Stoker and puts readings of those works into conversations with distinct photographic forms including the daguerreotype solarization forensic photography common cabinet cards double exposures and postmortem portraiture In addition to literary texts the book analyzes photographic discourses from letters and public writings of photographers and the nineteenth century press as well as discussions and debates surrounding Victorian celebrity authorship The book's focus on the negative both illuminates an oft marginalized part of the history of photography and demonstrates the way in which this history is central to Victorian literary culture

Nineteenth-century Literature, 1999 Contains articles which focus on a broad spectrum of significant figures in fiction philosophy and criticism such as Austen Carlyle Dickens Thackeray the Brontës Tennyson Browning Arnold Emerson Hawthorne Thoreau Whitman Twain and Henry James

Theater Figures Emily Allen, 2003 Why did nineteenth century novels return over and over again to the scene of theater Emily Allen argues that theater provided nineteenth century novelists and critics with a generic figure that allowed them to position particular novels and novelistic genres within a complex literary field Novel genres high and low male and female public and private realistic and romantic all came to identify themselves within a set of coordinates that included if only for the purpose of exclusion the spectacular figure of theater This figure likewise provided a trope around and against which to construct images of readers and authors images that most frequently worked to mediate between the supposedly private acts of reading and writing and the very public facts of the print market In readings of novels by Burney Austen Scott Dickens Jewsbury Flaubert Braddon and Moore Allen shows how frequently theater appears as figure in novels of the nineteenth century and how theater figures actively and importantly in what we have come to look back on as the history of the nineteenth century novel Theater Figures thus offers a new model for thinking about how theater helped produce changes in the nineteenth century literary market While previous critics have considered theater as an enabling foil for the novel either a constitutive opposite or constructive ally Allen demonstrates how

theater figures and tropes were used to negotiate competition among the novels and novelists eagerly seeking their share of the literary limelight

This is likewise one of the factors by obtaining the soft documents of this **Reproductive Urges Popular Novel Reading Sexuality And The English Nation New Cultural Studies** by online. You might not require more mature to spend to go to the book foundation as without difficulty as search for them. Reproductive Urges Popular Novel Reading Sexuality And The English Nation New Cultural Studies Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reproductive Urges Popular Novel Reading Sexuality And The English Nation New Cultural Studies PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial

barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reproductive Urges Popular Novel Reading Sexuality And The English Nation New Cultural Studies PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reproductive Urges Popular Novel Reading Sexuality And The English Nation New Cultural Studies free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Reproductive Urges Popular Novel Reading Sexuality And The English Nation New Cultural Studies Books
