Republican Right Since 1945:

The Republican Right Since 1945 David W. Reinhard, 1983 **The Republicans** Lewis L. Gould, 2014 This is a new edition of the best history of the Republican party in half a century with coverage through the presidential election of 2008 It treats Republican suspicion of Democratic legitimacy as a key element in American political history **Black Republicans and the Transformation of the GOP** Joshua D. Farrington, 2016-10-18 In his narrative history of black Republicans in the twentieth century Joshua Farrington reevaluates the relationship between black politicians activists and voters and the Republican Party challenging the assumption that African Americans abandoned the Party of Lincoln after 1936 *The Right Nation* John Micklethwait, Adrian Wooldridge, 2005-05-31 The Right Nation is not for liberals and it s not for conservatives It s for any of us who want to understand one of the most important forces shaping American life How did America s government become so much more conservative in just a generation Compared to Europe or to America under Richard Nixon even President Howard Dean would preside over a distinctly more conservative nation in many crucial respects welfare is gone the death penalty is deeply rooted abortion is under siege regulations are being rolled back the pillars of New Deal liberalism are turning to sand Conservative positions have not prevailed everywhere of course but this book shows us why they ve been so successfully advanced over such a broad front because the battle has been waged by well organized shrewd and committed troops who to some extent have been lucky in their enemies John Micklethwait and Adrian Wooldridge like modern day Tocquevilles have the perspective to see this vast subject in the round un beholden to forces on either side They steer The Economist s coverage of the United States and have unrivaled access to resources and because of the magazine s renown for iconoclasm and analytical rigor have had open door access wherever the book s research has led them And it has led them everywhere To reckon with the American right you have to get out there where its centers are and understand the power flow among the brain trusts the mouthpieces the organizers and the foot soldiers The authors write with wit and skewer whole herds of sacred cows but they also bring empathy to bear on a subject that sees all too little of it You won t recognize this America from the far left s or the far right s caricatures Divided into three parts history anatomy and prophecy *The Right Nation* comes neither to bury the American conservative movement nor to praise it blindly but to understand it in all its dimensions as the most powerful and effective political movement of our age Chapter One FROM KENNEBUNKPORT TO CRAWFORD Sir Lewis Namier the great historian of English politics in the age of George III once remarked that English history and especially English parliamentary history is made by families rather than individuals The same could be said of American political history especially in the age of George I and George II There is no better introduction to the radical transformation of Republicanism in the past generation from patrician to populist from Northeastern to Southwestern from pragmatic to ideological than the radical transformation of Republicanism s current leading family the Bushes Grandfather Prescott The Bushes began political life as classic establishment Republicans WASPs

who summered in Kennebunkport educated their children at boarding schools and the Ivy League and claimed family ties to the British royal family Queen Elizabeth II is the thirteenth cousin of the first President Bush George W's paternal great grandfather Samuel P Bush was a steel and railroad executive who became the first president of the National Association of Manufacturers and a founding member of the United States Chamber of Commerce His maternal great grandfather George Herbert Walker was even grander The cofounder of W A Harriman Wall Street's oldest private investment bank Walker's stature was summed up by his twin Manhattan addresses his office at One Wall Street and his home at One Sutton Place There was certainly muck beneath this brass both Walker and Bush had their share of Wall Street shenanigans and cozy government deals but in the age

National Party Organizations and Party Brands in American Politics Boris Heersink, 2023-06-23 In this book Boris Heersink analyzes the DNC and RNC in their role as party branders Specifically he argues the main role of the committees is to try and promote an image of the party to voters in a way they hope will help them win elections However in doing so they often have to make controversial decisions such as picking sides in big intra party fights about what policies to support and what voting groups to target or ignore Through extensive historical analysis this book shows that the DNC and RNC were part of every major American policy debate throughout the 20th century

Truman and the Democratic

Party Sean J. Savage, 2021-12-14 What best defines a Democrat in the American political arena idealistic reformer or pragmatic politician Harry Truman adopted both roles and in so doing defined the nature of his presidency Truman and the Democratic Party is the first book to deal exclusively with the president's relationship with the Democratic party and his status as party leader Sean J Savage addresses Truman's twin roles of party regular and liberal reformer examining the tension that arose from this duality and the consequences of that tension for Truman's political career Truman saw the Democratic party change during his lifetime from a rural dominated minority party often lacking a unifying agenda to an urban dominated majority party with strong liberal policy objectives A seasoned politician who valued party loyalty and recognized the value of political patronage Truman was also attracted to a liberal ideology that threatened party unity by alienating southern Democrats By the time he succeeded Franklin Roosevelt the diversity of opinions and demands among party members led Truman to alternate between two personas the reformer committed to liberal policy goal civil rights national health insurance federal aid to education and the party regular who sought greater harmony among fellow Democrats Drawing on personal interview with former Truman administration members and party officials and on archival materials most notably papers of the Democratic National Committee at the Harry S Truman Library Savage has produced a fresh perspective that is both shrewd and insightful This book offers historians and political scientists a new way of looking at the Truman administration and its impact on key public policies *Encyclopedia of American Social Movements* Immanuel Ness, 2015-07-17 This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women's equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice
