Republican National Convention 1972:

Official Program, 30th Republican National Convention, Miami Beach, August, 1972 Republican Party (U.S. : 1854-). National Convention, 30th, Miami Beach, Fla., 1972,1972 Statement of Information United States. Congress. House. Committee on the Judiciary,1974 **Republican National Convention** Donald M. Kendall,Russell W. Freeburg,1968

Republican National Convention, Miami Beach, August, 1972 Republican Party (U.S. : 1854-). National Convention, 30th, Miami Beach, Fla., 1972,1972 Gimme Some Truth Jon Wiener,2000-01-21 When FBI Director J Edgar Hoover reported to the Nixon White House in 1972 about the Bureau s surveillance of John Lennon he began by explaining that Lennon was a former member of the Beatles singing group When a copy of this letter arrived in response to Jon Wiener s 1981 Freedom of Information request the entire text was withheld along with almost 200 other pages on the grounds that releasing it would endanger national security This book tells the story of the author s remarkable fourteen year court battle to win release of the Lennon files under the Freedom of Information Act in a case that went all the way to the Supreme Court With the publication of Gimme Some Truth 100 key pages of the Lennon FBI file are available complete and unexpurgated fully annotated and presented in a before and after format Lennon s file was compiled in 1972 when the war in Vietnam was at its peak when Nixon was facing reelection and when the clever Beatle was living in New York and joining up with the New Left and the anti war movement The Nixon administration s efforts to neutralize Lennon are the subject of Lennon s file The documents are reproduced in facsimile so that readers can see all the classification stamps marginal notes blacked out passages and in some cases the initials of J Edgar Hoover The file includes lengthy reports by confidential informants detailing the daily lives of anti war activists memos to the White House transcripts of TV shows on which Lennon appeared and a proposal that Lennon be arrested by local police on drug charges Fascinating engrossing at points hilarious and absurd Gimme Some Truth documents an era when rock music seemed to have real political force and when youth culture challenged the status quo in Washington It also delineates the ways the Reagan Bush and Clinton administrations fought to preserve government secrecy and highlights the legal strategies adopted by those who have challenged it Fatal Politics Ken Hughes,2015-04-21 In his widely acclaimed Chasing Shadows the best account yet of Nixon s devious interference with Lyndon Johnson s 1968 Vietnam War negotiations Washington Post Ken Hughes revealed the roots of the covert activity that culminated in Watergate In Fatal Politics Hughes turns to the final years of the war and Nixon s reelection bid of 1972 to expose the president s darkest secret While Nixon publicly promised to keep American troops in Vietnam only until the South Vietnamese could take their place he privately agreed with his top military diplomatic and intelligence advisers that Saigon could never survive without American boots on the ground Afraid that a preelection fall of Saigon would scuttle his chances for a second term Nixon put his reelection above the lives of American soldiers Postponing the inevitable he kept America in the war into the fourth year of his presidency At the same time Nixon negotiated a decent interval deal with the Communists

to put a face saving year or two between his final withdrawal and Saigon's collapse. If they waited that long, Nixon secretly assured North Vietnam's chief sponsors in Moscow and Beijing the North could conquer the South without any fear that the United States would intervene to save it. The humiliating defeat that haunts Americans to this day was built into Nixon's exit strategy. Worse, the myth that Nixon was winning the war before Congress tied his hands has led policy makers to adapt tactics from America's final years in Vietnam to the twenty-first century conflicts in Iraq and Afghanistan, prolonging both wars without winning either. Forty years after the fall of Saigon and drawing on more than a decade spent studying Nixon's secretly recorded Oval Office tapes, the most comprehensive, accurate and illuminating record of any presidency in history, much of it never transcribed until now, *Fatal Politics* tells a story of political manipulation and betrayal that will change how Americans remember Vietnam. *Fatal Politics* is also available as a special e-book that allows the reader to move seamlessly from the book to transcripts and audio files of these historic conversations. **Culture Wars** Roger Chapman, 2015-03-17

The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades. This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students, teachers and the general reader. It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context. With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues, this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today. Richard Nixon and the Quest for a New Majority Robert Mason, 2005-10-12

In recent years, historians have paid substantial attention to the origins of modern political conservatism and the record of the Nixon administration in building a Republican majority in the late twentieth century. In *Richard Nixon and the Quest for a New Majority*, Robert Mason analyzes Nixon's response to the developing conservative climate and challenges revisionist claims about the activist nature of the Nixon administration. Nixon was an activist in intent, Mason contends, but not in deed. Nixon's silent majority speech of 1969 not only undermined the growth of the antiwar movement, Mason shows, but also identified a constituency for Nixon to cultivate in order to secure reelection. However, the implementation of his new majority project was hindered by the resort to dirty tricks against political opponents and the ineffectual pursuit of a policy agenda. Although some Nixon initiatives were enacted, says Mason, they were not substantial enough to rival the Democrats' bread and butter issues. While Nixon built Republican strength at the presidential level, Mason argues, he did not succeed in mobilizing popular support for broad-based political conservatism. **JOHN LENNON - Wanted by the FBI** Julien Kern, 2014-10-15

The ultimate and most comprehensive book on the John Lennon FBI files. For the first time, the complete FBI files on John Lennon are published, explained and illustrated. These documents, completed by CIA and INS archives, shine a new light on John Lennon's post-Beatles life in New York City. He was investigated for pornography, harassed for several years by President Nixon's

administration that wanted to deport him because of his political and anti Vietnam War activism The FBI also investigated when Lennon and his family were later threatened for money The last file tackles issues relating to his murder in December 1980 This book is a must have for every Lennon fan and for anyone interested in his life artistic achievements political activism and peace campaigns United States Reports United States.
