
The History of the US Republican Party

Republicans A History Of Their Party

William E. Gienapp

Republicans A History Of Their Party:

The ^ARepublicans Lewis L. Gould,2014-08-29 This is a new edition of the best history of the Republican party in half a century with coverage through the presidential election of 2008 It treats Republican suspicion of Democratic legitimacy as a key element in American political history

The Republicans Malcolm Moos,1956 A lifelong Republican covers the first century of the G O P from its humble origins to its revived modern status under the Presidency of Dwight D Eisenhower Origins growth ideology character this lively history examines them all and much more besides from book cover

The Origins of the Republican Party, 1852-1856 William E. Gienapp,1987 The 1850s saw in America the breakdown of the Jacksonian party system in the North and the emergence of a new sectional party the Republicans that succeeded the Whigs in the nation s two party system This monumental work uses demographic voting and other statistical analysis as well as the more traditional methods and sources of political history to trace the realignment of American politics in the 1850s and the birth of the Republican party Gienapp powerfully demonstrates that the organization of the Republican party was a difficult complex and lengthy process and explains why even after an inauspicious beginning it ultimately became a potent political force The study also reveals the crucial role of ethnocultural factors in the collapse of the second party system and thoroughly analyzes the struggle between nativism and antislavery for political dominance in the North The volume concludes with the decisive triumph of the Republican party over the rival American party in the 1856 presidential election Far reaching in scope yet detailed in analysis this is the definitive work on the formation of the Republican party in antebellum America Publisher descri ption

Grand Old Party Lewis L. Gould,2012-08-15 From Abraham Lincoln and the Civil War through the disputed election of George W Bush and beyond the Republican Party has been at the dramatic center of American politics for 150 years In Grand Old Party the first comprehensive history of the Republicans in 40 years Lewis L Gould traces the evolution of the Grand Old Party from its emergence as an antislavery coalition in the 1850s to its current role as the champion of political and social conservatism Here Gould brings to life the major figures of Republican history Lincoln Theodore Roosevelt Dwight D Eisenhower Richard Nixon Ronald Reagan and George W Bush and uncovers a wealth of fascinating anecdotes about Republicans from the Plumed Knight James G Blaine in the 1880s to Barry Goldwater in the 1960s to Newt Gingrich in the 1990s Gould also uncovers the historical forces and issues that have made the Republicans what they are the crusade against slavery the rise of big business the Cold War and opposition to the power of the federal government Based on Gould s research in the papers of leading Republicans and his wide reading in the party s history Grand Old Party is a book that will outlast the noisy tumult of today s partisan debates and endure as a definitive treatment of how the Republicans have shaped the way Americans live together in a democracy Written with balance and keen insight Grand Old Party is required reading for anyone interested in American politics especially as Americans gear up for the 2012 presidential election Republicans Democrats and independents alike will find their understanding of national politics

deepened and enriched by this invaluable guide to the unfolding saga of American politics **The Birth of the Grand Old Party** Robert F. Engs, Randall M. Miller, 2002-07 This collection of six original essays by some of America's most distinguished historians of the Civil War era examines the origins and evolution of the Republican party over the course of its first generation **The Republican Party and American Politics from Hoover to Reagan** Robert Mason, 2011-11-21 During a long period of the twentieth century stretching from the Great Depression until the Reagan years defeat generally characterized the electoral record of the Republican party Although Republicans sometimes secured victory in presidential contests a majority of Americans identified with the Democratic party not the GOP This book investigates how Republicans tackled the problem of their party's minority status and why their efforts to boost GOP fortunes usually ended in failure At the heart of the Republicans' minority puzzle was the profound and persistent popularity of New Deal liberalism This puzzle was stubbornly resistant to solution Efforts to develop a Republican version of government activism met little success Only the Democratic party's decline eventually created opportunities for Republican resurgence This book is the first to offer a wide ranging analysis of the topic which is of central importance to any understanding of modern US political history **The Republican Party** Ronald Laone, Ronald Laone DBA, Jay Laone, 2012-03 When Ronald Laone's son was eleven he asked his father What does it mean to be a conservative From that simple question came a journey of political enlightenment for father and son one that culminated in *The Republican Party* a history of the Republican Party leaders and beliefs Beginning with a comprehensive overview of the origins of the Republican Party Laone examines the various political battles of the nineteenth century and how they shaped the party's establishment in 1854 and its core ideologies He then profiles each Republican president from Abraham Lincoln to George W Bush offering a short biography and major highlights of each one's presidency Laone also reveals the major political firsts of the Republican Party including the first African American US senator the first Hispanic US congressman and the first female US congresswoman recording their significant contributions to the conservative movement A comprehensive bibliography offers titles for further reading Thoroughly researched and educational *The Republican Party* offers information for those seeking to understand the origins of conservative thinking values and beliefs within the American political system **The Grand Old Party** Charles River Editors, 2017-02-23 Includes pictures Includes quotes by Republican leaders over the years Includes online resources and a bibliography for further reading Includes a table of contents 2016 has been one of the most unusual election years and nothing represents the unprecedented nature more than the race for the Republican Party's presidential nomination which featured over 15 candidates As with most years several candidates with various political experience from former and current governors to Congressmen and Senators ran but the race also featured a number of political novices one of whom is poised to be the party's nominee In a sense all of that is fitting given the winding nature of the Republican Party's history Now dominant in the American South the party was anathema in the South for more than a century Likewise if someone asked a man on the street

in the early 1900s to describe the Republican Party he might point to Teddy Roosevelt's efforts on behalf of progressive politics and conservation whereas a few years later the Party was known as a protector of big business and later law and order During the Reagan Era the words small government came to characterize the party even as its leaders took one hit after another for wanting to limit social spending Republicans were in office at the start of the Depression and the end of the Vietnam War Ultimately the direction that the Republican Party has taken at any given time has been determined for the most part by the party leadership which has traditionally made its voice most heard at the Republican National Convention which convenes once every 4 years to nominate candidates for the presidency and vice presidency During its more than 150 years of existence it has nominated saints and scoundrels seen some men make it to the White House and others not Its first successful candidate was assassinated as was one of his successors a few decades later It has survived through war and economic downturns as well as the just as dangerous prosperity that seems to have been created by someone else It remains one half of the two party system that has almost always dominated American politics even as many question its future Of course given the party's history those who wonder how it will survive and move forward should probably take a look at what the party has already endured The Grand Old Party The History of the Republican Party examines the formation of the GOP and the twists and turns the party has taken during its history Along with pictures of important people places and events you will learn about the GOP like never before

The Grand Old Party Charles River Editors, 2016-06-15 Includes pictures Includes quotes by Republican leaders over the years Includes online resources and a bibliography for further reading Includes a table of contents 2016 has been one of the most unusual election years and nothing represents the unprecedented nature more than the race for the Republican Party's presidential nomination which featured over 15 candidates As with most years several candidates with various political experience from former and current governors to Congressmen and Senators ran but the race also featured a number of political novices one of whom is poised to be the party's nominee In a sense all of that is fitting given the winding nature of the Republican Party's history Now dominant in the American South the party was anathema in the South for more than a century Likewise if someone asked a man on the street in the early 1900s to describe the Republican Party he might point to Teddy Roosevelt's efforts on behalf of progressive politics and conservation whereas a few years later the Party was known as a protector of big business and later law and order During the Reagan Era the words small government came to characterize the party even as its leaders took one hit after another for wanting to limit social spending Republicans were in office at the start of the Depression and the end of the Vietnam War Ultimately the direction that the Republican Party has taken at any given time has been determined for the most part by the party leadership which has traditionally made its voice most heard at the Republican National Convention which convenes once every 4 years to nominate candidates for the presidency and vice presidency During its more than 150 years of existence it has nominated saints and scoundrels seen some men make it to the White House and others not Its first successful candidate

was assassinated as was one of his successors a few decades later It has survived through war and economic downturns as well as the just as dangerous prosperity that seems to have been created by someone else It remains one half of the two party system that has almost always dominated American politics even as many question its future Of course given the party s history those who wonder how it will survive and move forward should probably take a look at what the party has already endured The Grand Old Party The History of the Republican Party examines the formation of the GOP and the twists and turns the party has taken during its history Along with pictures of important people places and events you will learn about the GOP like never before **The Origins of the Republican Party, 1852-1856** William E. Gienapp Professor of History Harvard University,1987-06-04 The 1850s saw in America the breakdown of the Jacksonian party system in the North and the emergence of a new sectional party the Republicans that succeeded the Whigs in the nation s two party system This monumental work uses demographic voting and other statistical analysis as well as the more traditional methods and sources of political history to trace the realignment of American politics in the 1850s and the birth of the Republican party Gienapp powerfully demonstrates that the organization of the Republican party was a difficult complex and lengthy process and explains why even after an inauspicious beginning it ultimately became a potent political force The study also reveals the crucial role of ethnocultural factors in the collapse of the second party system and thoroughly analyzes the struggle between nativism and antislavery for political dominance in the North The volume concludes with the decisive triumph of the Republican party over the rival American party in the 1856 presidential election Far reaching in scope yet detailed in analysis this is the definitive work on the formation of the Republican party in antebellum America

Republicans A History Of Their Party Introduction

In the digital age, access to information has become easier than ever before. The ability to download Republicans A History Of Their Party has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Republicans A History Of Their Party has opened up a world of possibilities. Downloading Republicans A History Of Their Party provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Republicans A History Of Their Party has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Republicans A History Of Their Party. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Republicans A History Of Their Party. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Republicans A History Of Their Party, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Republicans A History Of Their Party has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Republicans A History Of Their Party Books

1. Where can I buy Republicans A History Of Their Party books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
