A History of the Netherlands Friso Wielenga, 2015-06-25 Books offering an overview of Dutch history are few and far between in the English speaking world Friso Wielenga's *A History of the Netherlands From the Sixteenth Century to the Present Day* fills this gap It offers a modern integrated outline of Dutch history from the period in which the country took shape as a geographical administrative and political entity and undermines the presumption that Dutch history since the 16th century was characterised by political consensus and religious toleration Domestic and foreign politics take pride of place interwoven with the broad lines of economic and cultural developments as Wielenga uses the Netherlands geographical location and its international relations to better understand the partially tumultuous past and present of this small land on the North Sea *A History of the Netherlands* provides an authoritative comprehensive in depth survey and will be of great value to students of modern European history

Statehood Before and Beyond Ethnicity Linas Eriksonas, Leos Müller, 2005 Today's world is a world of nation states few have survived since the early modern period some have existed for three hundred years most came into being during the second part of the last century Yet the equation between the state and the nation does not go back far in history despite the prevailing tendency to view the state as closely linked to ethnicity To challenge the latter this book attempts to examine statehood separately from the concept of ethnicity it asks what is non ethnic about statehood by looking at statehood before and beyond ethnicity A non ethnic statehood is analysed in two forms as a historical phenomenon at the time of the emergence of the early modern state Part One and as a historical tradition which had been pursued by the nation builders in the nineteenth and twentieth centuries Part Two Instead of looking at great powers as traditional models of statehood individual chapters focus on minor and less familiar states in Northern and Eastern Europe from the period c 1600 2000 including Belgium Bohemia Greece the Netherlands Romania Poland Lithuania Serbia and Montenegro Sweden Scotland and Transylvania

The Rise of the Dutch New Right Merijn Oudenampsen, 2020-09-13 In the past 20 years a wave of right wing populist movements has swept over Europe changing the face of European politics The Netherlands has been one of the more iconic countries to partake in this shift Known internationally as an emblem of progressivism and tolerance the country soon became a frontrunner in the revival of nationalist and anti immigrant sentiment This is the first study to offer an extensive engagement with the ideas behind the Dutch swing to the right The emergence of Dutch populism this book shows formed an integral part of a broader conservative tendency identified as the Dutch New Right In the US and the UK the term New Right has been used to describe conservative backlash movements that arose in opposition to the progressive movements of the 1960s The Dutch swing to the right this book argues formed a belated iteration of the New Right backlash that occurred overseas This text will be essential reading for students and scholars in the fields of European Studies and Political Science and Dutch politics and society more specifically

The Hunger Winter Ingrid de Zwart, 2020-07-23 A pioneering study on the causes and consequences of the

Dutch famine of 1944 1945 **Border-crossing in Education** Joëlle Droux, Rita Hofstetter, 2018-02-02 Border crossing in Education comprises a series of case studies covering a variety of cultural areas in order to reveal the density of connections and exchanges that inform educational practices policies and systems It attaches particular importance to individual and collective actors that govern these flows initiating promoting or reconfiguring transfers of policy models The contributors explore various aspects of the circulatory mechanisms that have been deployed in the field of education during the modern and contemporary period Varying the observation scales from local to international they demonstrate the multilateral character of the circulatory dynamics observed The implementation of rich and varied approaches to these complex processes offers a perspective that complements and renews our knowledge of the genesis and evolution of educational policies and systems most notably highlighting their foreign inspirations However these studies do not merely evoke borrowings and hybridization as if national borders proved porous or non existent Instead they show that the phenomena of resistance reinterpretation and rejection are also an integral part of transnational mechanisms of exchanges The book thus demonstrates the relevance of a historical approach in addressing these transnational mechanisms in the field of education and childhood policy This book was originally published as a special issue of *Paedagogica Historica* **From Micro to Macro: Dealing with Uncertainties in the Global Marketplace** Felipe Pantoja, Shuang Wu, 2022-04-04 The focus of the volume is on dealing with uncertainties and challenges within the global marketplace brought by digital technology companies that are leveraging artificial intelligence machine learning cloud computing robotic automation augmented reality and other recent advancements Additionally these companies operate in the sharing economy and offer collaborative consumption opportunities Featuring contributions presented at the 2020 Academy of Marketing Science AMS Virtual Annual Conference the enclosed contributions assess the impact of these radical and disruptive innovations on long standing incumbents and traditional industries as well as consumer experiences Founded in 1971 the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory research and practice Among its services to members and the community at large the Academy offers conferences congresses and symposia that attract delegates from around the world Presentations from these events are published in this Proceedings series which offers a comprehensive archive of volumes reflecting the evolution of the field Volumes deliver cutting edge research and insights complementing the Academy s flagship journals the Journal of the Academy of Marketing Science JAMS and AMS Review Volumes are edited by leading scholars and practitioners across a wide range of subject areas in marketing science **Globalizing Automobility** Gijs Mom, 2020-08-07 Why has car society proven so durable even in the face of mounting environmental and economic crises In this follow up to his magisterial *Atlantic Automobility* Gijs Mom traces the global spread of the automobile in the postwar era and investigates why adopting more sustainable forms of mobility has proven so difficult Drawing on archival research as well as wide ranging forays into popular culture

Mom reveals here the roots of the exuberance excess and danger that define modern automotive culture

Twentieth-Century Mass Society in Britain and the Netherlands Bob Moore, Henk van Nierop, 2006-10-01 From the beginning of the nineteenth century Western Europe witnessed the emergence of a mass society Grand social processes such as urbanization industrialization and democratization blurred the previous sharp distinctions that had divided society This massive transformation is central to our understanding of modern society Comparing the British and Dutch experience of mass society in the twentieth century this book considers five major areas politics welfare media leisure and youth culture In each section two well known specialists one from each country examine the conditions behind the rise of a mass society and show how these conditions were distinctively British or Dutch Drawing on history cultural studies and sociology the authors bring new insight into the development of modern European society **The selfmade land** Gerhard Dekker, Len de

Klerk, Peter Paul Witsen, Hans van der Cammen, 2012-09-26 Nederland is n van de meest dichtbevolkte landen ter wereld Dan moet je verstandig omgaan met de beschikbare ruimte Waar gaan we werken waar wonen en waar vakantie houden Wat bebouwen en wat blijft ongerept Nergens ter wereld wordt daar zo grondig over nagedacht als in Nederland Internationaal geldt Nederland als gidsland op het gebied van de ruimtelijke ordening Vanwege deze positie en om aan de vraag vanuit het Engelstalige onderwijs te voorzien verschijnt nu deze geheel herziene Engelstalige editie van het standaardwerk Ruimtelijke ordening *The Afterlife of the Leiden Anatomical Collections* Hieke Huistra, 2018-11-02 The Afterlife of the Leiden

Anatomical Collections starts where most stories end after death It tells the story of thousands of body parts kept in bottles and boxes in nineteenth century Leiden a story featuring a struggling medical student more than one disappointed anatomist a monstrous child and a glorious past Hieke Huistra blends historical analysis morbid anecdotes and humour to show how anatomical preparations moved into the hands of students and researchers and out of the reach of lay audiences In the process she reveals what a centuries old collection can teach us about the future fate of the biobanks we build today
