

REQUIEM FOR YUGOSLAVIA

by Borka Tomljenović

Requiem For Yugoslavia

Sergej Flere, Rudi Klanjšek

Requiem For Yugoslavia:

Requiem for Yugoslavia Borka Tomljenovic, 2001-02 Requiem for Yugoslavia is a sightseeing tour shortly before the disintegration of that country It covers Serbian medieval monasteries the beautiful Adriatic coast and ends in the Baroque Zagreb It also includes letters written by friends of the author from different parts of the country which document their experience in the war the breakdown of Yugoslavia

Requiem for Yugoslavia Borka Tomljenović, 1996 *The Destruction of Yugoslavia* Maga, 1993-03-17 Traces the story of Yugoslavia's disintegration over the entire period since Tito's death in 1980 This book explains why this once stable and seemingly harmonious country was fated to break up in a savage war for territory

The Rise and Fall of Socialist Yugoslavia Sergej Flere, Rudi Klanjšek, 2019-09-06 This book examines the relationship between nationalism and the rise and fall of Yugoslavia under the rule of Josip Broz Tito It deals particularly with the interactions between communist and intellectual elites The authors analyze elites' initial enthusiasm about the Yugoslav federation and how with time they found themselves unable to suppress the nationalists in Yugoslavia Other scholars have argued that in a certain sense Tito's Yugoslavia proved to be a hatchery for the nations that once constituted Yugoslavia making them ever closer to completeness However as the authors highlight in this study this process was one of conflict The personal role of Tito as an arbiter was essential although for the majority of his time in power he did not act as a dictator His departure was strongly felt in the 1980s when ethnic entrepreneurial activity began to flourish and when ethnic and political relations had gone out of control While a significant part of this book follows the chronology of ethnic elite interaction in communist Yugoslavia the global context of Yugoslavia's rise and fall is taken into account The authors also use Yugoslavia as a case study to test the validity of nationalism studies more generally

Beyond Yugoslavia Sabrina Petra Ramet, 2019-02-22 The fruit of a landmark international collaboration this book focuses on the final years of socialist Yugoslavia and on the beginning of the country's breakup With chapters devoted to each of erstwhile Yugoslavia's six republics the book also offers a unique blend of thematic essays on political cultural economic environmental religious and foreign policy issues Bringing together renowned scholars from the United States Great Britain Serbia and Croatia the book shows how disintegrative tendencies penetrated and affected all spheres of life in Yugoslavia The resultant war has therefore been fought not only on military and diplomatic fronts but also at the level of economics through literature and film and in the spheres of religion and gender relations

A History of the War in the Balkans R. Craig Nation, 2018-04-04 The Balkans is often described as a grim backwater a no man's land of world politics in the words of a post World War II study foredoomed to conflict springing from heterogeneity The stereotype is false but it has been distressingly influential in shaping perceptions of the Balkan conflict and its origin By encouraging pessimism about prospects for recovery it may also make it more difficult to sustain commitments to post conflict peace building This book seeks to refute simplistic ancient hatreds explanations by looking carefully at the sources and dynamics of the Balkan conflict in all of its dimensions

Nationalism and the Politicization of

History in the Former Yugoslavia Gorana Ognjenovic, Jasna Jozelic, 2021-03-19 This book is very timely the instrumentalization of history for political goals has become a pressing issue and worrisome feature of many polities to the point of challenging even the most consolidated democracies Focusing on Yugoslavia's fragile successor states the authors explore plurifold analytical levels including local regional transnational European and global perspectives The authors comprehensively demonstrate how politicizing history in the postwar and postcommunist societies of what was once Yugoslavia has prevented both reconciliation and democratization Sabine Rutar Leibniz Institute for East and Southeast European Studies Germany Ognjenovic and Jozelic focus here on the former Yugoslavia before and after its fragmentation to explore and evaluate the various uses of histories by nationalists both those who promoted federal nationalism and those who peddle specific local nationalisms in successor states The book deals specifically with the Western Balkans but these developments have their parallels in many other parts of the world and the book will be useful well beyond the region on which the study is based Paul Mojzes Professor Emeritus Rosemont College USA The former Yugoslavia has become a battlefield for the Memory Wars in spite of the wealth of judicially established facts and available evidences gathered about the atrocities in the region and various initiatives aimed at dealing with the past and efforts at transitional justice Focusing on three periods of Yugoslav history the Second World War socialist Yugoslavia and the Yugoslav wars of 1991-2001 the contributors show that despite these efforts to deal with the past sustainable peace and reconciliation across ethnic and religious groups remain a distant aim Marijana Toma Center for Cultural Decontamination Serbia This book analyzes how nationalists in the former Yugoslavia have politicized history to further their political agendas retaining and prolonging conflict among different cultural and religious groups and impeding the process of lasting reconciliation It explores how narratives have been mis used drawing on examples from all of the former Yugoslav republics With contributors from a range of disciplinary backgrounds it provides a vital assessment of how nationalists have attempted to re shape public collective memory and relativize facts

Yugoslavia Dejan Jović, 2009 The disintegration of Yugoslavia was the result of many factors not of a single one but the primary one the author argues was commitment of the Yugoslav political elite to the Marxist ideology of withering away of the state Ideology had a central place in Yugoslav politics The trend of decentralization of Yugoslavia was not primarily motivated by reasons of ethnic politics but by Marxist beliefs that the state should be decentralized and weakened until it was finally replaced by a self managing society especially the case during the extended period of the last 15 years before the actual breakdown of the Yugoslav socialist federation Yugoslavia A State that Withered Away examines the emergence implementation crisis and the breakdown of the fourth Kardelj's constitutive concept of Yugoslavia 1974-1990 and relations between anti statist ideology of self management and the actual collapse of state institutions

Milosevic Dusko Doder, Louise Branson, 1999-11-12 Who is Slobodan Milosevic Is he the next Saddam Hussein the leader of a renegade nation who will continue to torment the United States for years to come Or is he the next

Moammar Qaddafi an international outcast silenced for good by a resolute American bombing campaign The war in Kosovo in the spring of 1999 introduced many Americans to the man the newspapers have called the butcher of the Balkans but few understand the crucial role he has played and continues to play in the most troubled part of Europe Directly or indirectly Milosevic has waged war and instigated brutal ethnic cleansing in Croatia Bosnia and Kosovo and he was indicted for war crimes in May 1999 Milosevic s rise to power from lowly Serbian apparatchik to president of Yugoslavia is a tale of intrigue cynical manipulation and deceit whose full dimensions have never been presented to the American public In this first full length biography of the Yugoslav leader veteran foreign correspondents Dusko Doder and Louise Branson paint a disturbing portrait of a cunning politician who has not shied from fomenting wars and double crossing enemies and allies alike in his ruthless pursuit of power Whereas most dictators encourage a cult of personality around themselves Milosevic has been content to operate in the shadows shunning publicity and allowing others to grab the limelight and then to take the heat when things go badly Milosevic s secretive style the authors show emerged in response to a family history of depression both of his parents committed suicide and has served him well as he begins his second decade in power Doder and Branson introduce us to the key figures behind Milosevic s rise his wife Mirjana Markovic who is often described with justification as a Serbian Lady Macbeth and the Balkan and American politicians who learned too late about the costs of underestimating Milosevic They also reveal how the United States refused to take the necessary action in 1992 to remove Milosevic from power without bloodshed not realizing that he uses such moments of weakness as opportunities to lull his opponents into traps thereby paving the way for a new consolidation of power Now in the wake of the victory in Kosovo it remains to be seen whether America will learn this lesson or whether we will allow this deeply troubled man to continue to pose a threat to European peace and security as the twenty first century dawns

Sundance to Sarajevo Kenneth Turan, 2003-11 Almost every day of the year a film festival takes place somewhere in the world This book is a tour of the world s film festivals by an insider familiar with the personalities places and culture surrounding the cinema

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Requiem For Yugoslavia**

In a world inundated with monitors and the cacophony of fast connection, the profound energy and emotional resonance of verbal art often disappear in to obscurity, eclipsed by the regular barrage of noise and distractions.
