Global Television Barbara Selznick, 2008-06-15 The face of U S television broadcasting is changing in ways that are both profound and subtle Global Television uncovers the particular processes by which the international circulation of culture takes place while addressing larger cultural issues such as identity formation Focusing on how the process of internationally made programming such as Highlander The Series and The Odyssey amusingly dubbed Europudding and commercial white bread are changing television into a transnational commodity Barbara Selznick considers how this mode of production as a means by which transnational television is created has both economic rewards and cultural benefits as well as drawbacks

Global Television explores the ways these international co productions create a global culture as well as help form a national identity From British brand programming e g Cracker that airs on A E in the U S to children s television programs such as Plaza Sesamo and documentaries Selznick indicates that while the style narrative themes and ideologies may be interesting corporate capitalism ultimately affects and impacts these programs in significant ways **Rescue Heroes!** ,2016-06-30 What a busy day in Pontypandy Can Fireman Sam rescue Naughty Norman put out a fire and save a fishing boat lost out at sea Little heroes will love to lift all the flaps to reveal the hidden surprises in this hands on action book A perfect interactive book for all Fireman Sam fans **My Big Book of Rescue Heroes** Ronne Randall,2002-07-01 **The Childlike Kingdom** Jay J. Anderson,2025-02-27 O Father Lord of heaven and earth thank you for hiding these things from those who think themselves wise and clever and for revealing them to the childlike Yes Father it pleased you to do it this way JESUS This book crayons and cartoons notwithstanding really isn t a children s book Yet at its heart that s exactly what it is It s kind of hard to explain which is probably why the author uses so many colors and pictures though that s not the only reason As a starting point let s agree it s a book alphabet for kids of all ages especially those who have experienced a few more birthday parties and Christmas mornings And for Anderson s first word play it is also a book filled with truth that is for all times all places and all people all ages After all the eternal words of Jesus will be front and center from start to finish The call of Jesus to his kingdom requires we become and live childlike So what does that sound like look like and live like Oh and play like You are invited by the King to enter The Childlike Kingdom
