Rescue The Captors:

Rescue the Captors Russell Stendal, 2012-12 American bush pilot Russell Stendal on routine business landed his plane in a remote Colombian village. Gunfire exploded throughout the town and within minutes Russell's 142-day ordeal had begun. The Colombian cartel explained that this was a kidnapping for ransom and that he would be held until payment was made. Held at gunpoint deep in the jungle and with little else to occupy his time, Russell got hold of some paper and began to write. He told the story of his life and kept a record of his experience in the guerrilla camp. His book became a bridge to the men who held him hostage and now serves as the basis for this incredible true story of how God's love penetrated a physical and ideological jungle. How did this incredible true story affect Russell? At first my mind went wild with thoughts of revenge and violence. Then after a while I was able to see through their attempt to break me down and brainwash me. I started making a determined effort to throw all their stories and dramas out of my mind and not to let my thoughts dwell on them at all. I would trust God that He would take care of my wife and I would close my mind to my captors' input. I decided to think about positive values instead. I told them that they had two choices: either kill me or let me go for whatever small amount my family could afford. One of the guerrillas turned and asked me if I was afraid to die. I replied that dying is obviously uncomfortable, but yes, I was prepared to die. My captors tied me up and left the rope on day and night. They were seriously trying to completely break me psychologically and then brainwash me. Every day new things were done to alter me and work towards that goal. My captors started telling me scare stories. Some of these stories were about wild animals. They told me some of the wildest hair-raising tales about lions and tigers that I have ever heard. These stories were designed both to intimidate me, reducing my ability to sleep and to cause me to think twice before I decided to try to escape into the jungle again. God used my hostage situation to show me that I had been guilty of resisting God's hand on my life and had therefore been unwittingly spending an unnecessary amount of time in that spiritual birth canal, being squeezed all out of shape instead of coming out into the light and being born again. I decided that I was going to forget my own big missionary plans and projects and instead I would concentrate on discerning where God was moving and then try to jump on His bandwagon. God taught me how to be a true missionary for Him. I began to react towards problems and adversity as opportunities to learn important things and as opportunities for God to use me to bring glory to Himself. My life changed to one of victory in Jesus Christ. I still have problems, difficulties, and even an occasional defeat, but now I can clearly see the design and purpose that God has for my life. If I have the right attitude, God can reign over everything that happens in my life and teach me something useful from even the most difficult experiences.

The Tabernacle of David Stendal, Russell M., 2022-08-01 What exactly does the tabernacle of David represent In the new covenant there is only one mediator between God and man this is the Lord Jesus Christ the living Word of God and he is presently seated upon a heavenly throne high above all things Psalm 138 2 The ark of the covenant is a representation of Jesus Christ and of how our reconciliation with God the Father is made possible The tabernacle of David depicts the heavenly realm touching the earth and is a living prophetic parable of how we may come into a direct and personal relationship with God Through Jesus Christ and without intermediary clergy or religious legalistic ritual we may become registered as citizens of heaven Hebrews 12 18 24 The once and for all blood sacrifice at Calvary was required in order to put the new covenant into effect However the fullness of what is represented by the tabernacle of David with the ark as its sole piece of furniture will be restored at the second coming In that day I will raise up the tabernacle of David that is fallen and close up its breeches and I will raise up its ruins and I will build it as in the days of old Amos 9 11 12 Acts 15 16 When God decided to cut off the corrupt house of Eli he said And I will raise me up a faithful priest that shall do according to that which is in my heart and in my mind and I will build him a sure house and he shall walk before my anointed Heb Messiah for ever 1 Samuel 2 35 The faithful priest for whom God would build a sure house could not have been Samuel The fact that he shall walk before God s anointed Messiah forever means that this does not refer directly to Jesus Christ The only sure house that can be seen that fits this bill is the house of David 1 Samuel 17 which continued in God s favor until the birth of Jesus Christ And in Christ the royal priesthood 1 Peter 2 9 of the order of Melchisedec Psalm 110 4 continues forever

this even includes us if we are in Christ Revelation 1 6 And in mercy shall the throne be established and he shall sit on it in the tabernacle of David judging and seeking judgment and hastening righteousness Isaiah 16 5 What is the prophetic numerology found in the Psalms Anyone who knows the author or has read one of his previous books knows that in addition to emphasizing a personal relationship with God the Father he is focused on the Day of the Lord with a deep concern that Christians regard End Times prophecy with utmost concern and soberness It is within this context that he directs the reader's attention to the prophetic numbers within the Psalms that once decoded according to their trajectory through the Scriptures unlock the stunning messianic narrative that will soon take place here on the earth Amidst ever increasing feelings of social isolation and the realities of political division and unrest as well as the impending and potentially disastrous outcomes of man made crises facing the earth people are looking for answers to their fears and inner longing to feel secure connected and satisfied in their daily lives While many attempt to control things politically others are looking for answers through esoteric means such as prophecies numerology tarot cards and even witchcraft Although David obviously didn't face the difficulties unique to our time he definitely felt socially isolated dwelled in political unrest and faced many possibilities for disaster His answer was to ask God to protect him and direct his every footstep which ultimately met his every need and eventually led him to dwell in peace and security to a ripe old age

The Prize of the High Calling of God Stendal, Russell M., 2022-11-11 What is the greatest danger to the Christian life Is it the government or the next pandemic Is it the wrath of unbelievers or exposure to their lifestyles The life of a committed Christian is often fraught with difficulty and danger yet this is not something that should be seen as abnormal The apostle Paul dealt with trials and was in jeopardy throughout his entire ministry even to the point of being incarcerated for his faith Even so he knew that the greatest danger to the Christian life comes from within us Namely the insatiable and unchecked desires of the flesh of which he also referred to as the old man Paul understood that the flesh must be dealt with before believers can ever come to maturity in Christ therefore this was a matter he addressed within most of his epistles In totality Paul teaches that we must be crucified with Christ so that we can live by the Spirit and not fulfill the lust of the flesh This is because he that sows to his flesh shall of the flesh reap corruption but he that sows in the Spirit shall of the Spirit reap eternal life Galatians 6 8 How can this be our reality In this latest book *The Prize of the High Calling of God* author Russell M Stendal examines the entirety of the epistles Paul wrote while imprisoned in Rome As always with Russell's gift for seeing both the finer details and the larger picture he helps the reader to see that they can individually take hold of what God has for them in Christ and by the Holy Spirit Russell M Stendal is the editor and translator of the Jubilee Bible JUB and Biblia del Jubileo JBS translations that are published in English and in Spanish Well over a million copies of the Biblia del Jubileo have been donated and distributed into the most impoverished areas of Colombia and Venezuela Russell Stendal was born in Minneapolis and raised on the mission field in Colombia South America He became a missionary jungle pilot at age nineteen Almost ten years later he was kidnapped in 1983 by Marxist

rebels and held hostage for five months Russell has written many other books produced videos and produced the two aforementioned Bible translations Russell heads up the work of Colombia Para Cristo which operates 12 radio stations involving over 100 staff and co workers and covering much of Latin America with the Gospel A thriving underground church has developed in remote jungle areas of Colombia New high gain antennas are now beaming the Gospel message deep into areas of deepening crisis across the borders of Venezuela Ecuador Peru and Brazil as well as throughout Colombia The Promise of Our Father Russell M. Stendal,2022-04-13 A Study of the Book of Luke and Acts 1 7 The past one hundred years or so have seen great advances regarding the spread of the gospel all over the globe where it thrives amid adversity However some prosperous Western democracies have seen the numbers of Christians peak and then decline Seemingly high powered ministers along with some of their enthusiastic followers have succumbed to corruption in their personal lives in their finances or both Reacting against the ever increasing perversion all around us some groups have pursued increasing legalism leaving them virtually powerless Many congregations have failed to retain young people and are dwindling as the older saints die off Church splits have reached epidemic proportions and have become the bane of Christianity How do we return to the purity power and unity of the early congregations described in the book of Acts They turned the world upside down in just a few years even without any of our modern tools or media What will it take to finish fulfilling the Great Commission according to the will of God and for there to be a perfect bride without spot or wrinkle or any such thing when our Lord Jesus Christ returns According to Luke before Jesus ascended he told his disciples behold I shall send the promise of my Father upon you but tarry ye in the city of Jerusalem until ye are endued with power from on high This promise is still valid If we are to be clean and effective witnesses for our Lord Jesus Christ we will be wise to not leave home without being endued with power from on high God's Plan for Spiritual Battle Russell M. Stendal,2024-09-18 I love a good fight When unjustly attacked I have learned to seek the guidance and leadership of the Holy Spirit and retaliate by Overcoming Evil with Good There is a huge difference between a Peacemaker and a Pacifist This Battle Plan for spiritual warfare gleaned from the life and message of Jesus especially the Sermon on the Mount and the Beatitudes was on my heart even before I was kidnapped by terrorists and held hostage under extreme conditions in 1983 Since then thousands of missionaries pastors and other Christians have been kidnapped murdered or forced to flee from their places of ministry in rural Colombia Had these Christians known and understood this battle plan for spiritual warfare they could have been victorious instead of prematurely suffering defeat Many who did choose to remain in the path of ever present danger have rallied around this message A thriving underground church is multiplying in a huge area about the size of North Korea in the south and east of Columbia where Bibles church buildings formal ministry and even house meetings have been prohibited for more than 25 years Severe persecution in rural Colombia has actually served to bring real Christians together in deepening Christian relationships identify the true church and cleanse believers from corruption This has been possible because of the remnant that has been chosen to fight the good
