Rescued Experiencing The Reality Of Gods Power:

Rescued LeRoy Lawson,2000-11 *The Passover Mystery* Gene Tempelmeyer,2022-05-05 The cross remains the most familiar symbol of Christianity and the church so common it is easy to forget it recalls one of the most vicious forms of execution devised Perhaps an electric chair at the peak of our steeples would say to us what the cross said to the first believers Why did Christ have to suffer in such a brutal death Did Jesus die on a cross because God is angry and violent or because we are angry and violent How does the cross create the possibility of a new kind of humanity ready for a new kind of world What does the cross have to say about racial economic gender and other human divisions How does the cross offer forgiveness and end our shame thereby freeing us from the wounds life has inflicted on us What lessons does the cross teach about sharing life in community with others Very early in Christian history the idea of The Pascal Mystery entered the liturgy and thought of the church Incorporating the life death resurrection and ascension of Christ into one broad act by which we are reconciled with God the Passover Pascha Mystery identifies the execution of Jesus with the Passover Lamb rather than the lamb sacrificed as a sin offering on the Day of Atonement The Passover Lamb represents the obedience to God which nourishes and sustains God s people on their journey to freedom and wholeness **Rescued!** Eva Gibson,2000-11

Divine Disorder and the Rescue of God Mark Corner, 2024-02-13 Divine Disorder and the Rescue of God is based on the idea that a kenotic approach is essential to a viable theology It is deeply influenced by the way such an approach influenced the writings of Donald MacKinnon Part I argues that God forces us to live in a state of uncertainty even about God s existence However compelling the sense of God s presence may be religious experience cannot take that uncertainty away We have to understand what sort of God would want to impose upon us the disorder of uncertainty Part II explores this further in terms of God s willingness to give a degree of independence to the created order while Part III compares the instability of the created order with that of the moral order By giving human beings freedom God opens up the possibility of failure including that of God The doctrine of the fall expresses the impossibility of giving human beings autonomy without risking disaster In Parts IV and V the book looks more closely at the nature of this God who embraces risk suffering and even failure Who is the deity behind this divine disorder The focus from a Christian perspective is upon the risk suffering and failure displayed in the life of Christ Jesus is drawn into something that it is beyond him to fathom hence the troubled uncertain character of his own life But from a kenotic perspective even a life marked by failure can be the focal point of God s self revelation

Love that Rescues Eric J. Bargerhuff, 2010-02-01 In an age where church discipline has fallen out of favor in the context of many churches Eric Bargerhuff calls the church to a deeper understanding of its nature and purpose as an expression of God s fatherly love towards his people As a biblically mandated activity instituted by Christ himself in Matthew 18 church discipline is an essential practice of any faithful church that is committed to sharing the Gospel and making disciples Tackling some of the false notions and assumptions surrounding church discipline Bargerhuff sets forth a historical biblical theological and practical position that centers its identity and purpose on a proper understanding of the cross of Christ Since the punitive wrath of God was poured out for sin on the cross of Jesus Christ a penal substitutionary atonement it is therefore necessary to reject the notion that church discipline is punishment but rather it should be seen as God s hand of forgiveness and grace

extended for the purpose of restoring reconciling and rescuing one of his own a sheep that has gone astray It is to be regarded as God s love in the actions of a forgiven and forgiving community **Saved by Grace through Faith or Saved by Decree?** Geoffrey D. Robinson,2022-04-07 This work addresses a topic of interest to many people who are seeking to better understand the Christian doctrine of salvation soteriology It is written to provide a systematic biblical and theological critique of a particularly popular perspective of this doctrine that has seen something of a resurgence in recent years namely Calvinism The book is structured around the so called five points of Calvinism commonly referred to by the acronym TULIP Total depravity Unconditional election Limited atonement Irresistible grace and Perseverance of the saints Following an initial chapter outlining the historical development of the doctrine each of the five points are examined in subsequent chapters Each point is described in the words of prominent Calvinist scholars key biblical texts purporting to support the doctrine carefully evaluated and a series of theological issues related to the point are raised and discussed Goethe's Message for the 21st century: "Islam is the rescue for Humanity" Sufi Path of Love,2014-03-31 Goethe s Message to The 21st century Islam is the Rescue for Humanity Stupid that everyone in his case Is praising his particular opinion If Islam means submission to God We all live and die in Islam Johann Wolfgang Goethe
