Rescuing The American Dream Public Policies And The Crisis In Housing:

Rescuing the American Dream Rolf Goetze,1983 *Rescuing the American Dream* Rolf Goetze,1983 *Housing Policy Debate* ,1991 **The New Housing Shortage** Graham Hallett,2021-06-29 Originally published in 1993 this book is a detailed comparative examination of the housing issue by housing experts looking at the USA UK Germany the Netherlands and France The volume offers an excellent blend of critical analysis and practical policy recommendations including a better targeting of tax concessions a move back to social housing more diverse than in the past and measures for reducing homelessness Perennial issues which remain as pertinent today as when the book was first published are also discussed homelessness housing affordability for people on low incomes changes in housing markets **Our Town** David L. Kirp,John P. Dwyer,Larry A. Rosenthal,1995 An account of the legal battle to open up New Jersey s suburbs to the poor looking at the views of lawyers on both sides of the controversy It is a case study of judicial activism and its consequences and an analysis of suburban attitudes regarding race class and property *Houses and Homes* Barbara Howe,1997 This volume in the Nearby History series helps the reader document the history of a home The reader will learn to examine written records oral testimonies visual sources and the house s surroundings The author covers American housing patterns the individual characteristics of houses in different regions construction techniques and materials household technology and family life styles Houses and Homes is Volume 2 in The Nearby History Series *American Studies* Jack Salzman,American Studies Association,1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 **Life Spaces** Caroline Andrew,Beth Moore Milroy,2011-11-01 Written by some of Canada s top researchers in the field the articles in this collection introduce a new chapter in feminist literature focusing on women and their experiences in Canadian urban settings and illustrating the importance of gender in the development of urban areas While the articles represent diverse approaches and methodologies they all point out that the specific needs of women are not being met and that women must create opportunities for democratic participation in the institutions that affect their lives In the introduction the editors develop the broad area of gender relations in urban society and describe how this field of study has evolved in Canada The following seven chapters deal with women s experiences in the city emphasizing the complex interrelations between individuals and their environments Three main themes stand out in the book the changing relationships between women s roles as paid labour and in the household the interconnection between public and private activities and the way our understanding of these is linked to changing urban milieux Specific policy areas particularly housing but also leisure recreation and transportation are examined by some of the contributors while in the concluding chapter the editors discuss directions for further study and suggest appropriate research methods The annotated bibliography in itself a major contribution to the field will prove invaluable to future scholars *Community Economic Development in Social Work* Steven D. Soifer,Joseph B.

McNeely, Cathy Costa, Nancy Pickering-Bernheim, 2014-11-18 Community economic development CED is an increasingly essential factor in the revitalization of low to moderate income communities This cutting edge text explores the intersection of CED and social work practice which both focus on the well being of indigent communities and the empowerment of individuals and the communities in which they live This unique textbook emphasizes a holistic approach to community building that combines business and real estate development with a focus on stimulating family self reliance and community empowerment The result is an innovative approach to rehabilitating communities in decline while preserving resident demographics The authors delve deep into the social political human and financial capital involved in effecting change and how race and regional issues can complicate approaches and outcomes Throughout they integrate case examples to illustrate their strategies and conclude with a consideration of the critical role social workers can play in developing CED s next phase

Community Matters Margot Kempers, 2001 Community Matters is unique in its use of a contextualized interactionist approach to analyze the nature and extent of community Its theoretical discussion of community as process is expanded through the inclusion of arguments raised in political science and philosophy and is balanced by descriptive analyses of a diverse selection of communities This book helps bridge the divide between works of academic argument concerning civil society and community life and books explicitly focused on presenting practical information on what is and is not effective in community work Community Matters shifts attention away from a conceptualization of community as a fixed evolutionary stage identified with specific types of settings and instead provides numerous illustrations of the dynamic quality of social ties and community life This book convinces readers that they can and should study community and community matters A Burnham Publishers book
