Rescuing Jeffrey Richard Galli, 2001-11-06 A father writes of his determination in the days following his son's paralyzing accident to remove his quadriplegic son from life support Signifying Bodies G. Thomas Couser, 2009-10-22 Sheds new light on the memoir boom by asking Is the genre basically about disability *Vulnerable Subjects* G. Thomas Couser, 2018-08-06 My primary concern is with the ethics of representing vulnerable subjects persons who are liable to exposure by someone with whom they are involved in an intimate or trust based relationship unable to represent themselves in writing or unable to offer meaningful consent to their representation by someone else Of primary importance is intimate life writing that done within families or couples close relationships or quasi professional relationships that involve trust rather than conventional biography which can be written by a stranger The closer the relationship between writer and subject the greater the vulnerability or dependency of the subject the higher the ethical stakes and the more urgent the need for ethical scrutiny from the Preface *Vulnerable Subjects* explores a range of life writing scenarios from the celebrity to the ethnographic and a number of life writing genres from parental memoir to literary case studies by Oliver Sacks G Thomas Couser addresses complex contemporary issues he investigates the role of disability in narratives of euthanasia and explores the implications of the Human Genome Project for life writing practices in any age when many regard DNA as a code that scripts lives and shapes identity Throughout his book is concerned with the ethical implications of the political and economic as well as the mimetic aspects of life writing **The New York Times Book Reviews 2000** New York Times Staff, 2001 This anthology examines *Love's Labours Lost* from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource **The Ethics of Life Writing** Paul John Eakin, 2004 Our lives are increasingly on display in public but the ethical issues involved in presenting such revelations remain largely unexamined How can life writing do good and how can it cause harm The eleven essays here explore such questions 9/11 and the Literature of Terror Martin Randall, 2014-05-21 Explores the fiction poetry theatre and cinema representing the 9 11 attacks **Terra Nova** Thelma Ritchie, 2008-02 A ruthless trillionaire has plans for the Red Planet and its resourceful citizens must work together to confront this new and unexpected threat The author weaves science and Christianity together in this story of romance suspense and adventure in a futuristic frontier settlement on Mars Seizure Laszlo Varszegi, 2014-09-27 Jeffrey Clark has been working at UCLA for a number of years as a professor of history and has been a lifelong researcher on his own time His deepest interests are in human behavior and human relations that define our world After thirty plus years of diligent research he decided to make his findings public by going on a speaking tour Six

countries accepted his proposed topic to be presented as scientific lectures His tour turned out to be a great success yet controversial in more ways he could imagine His speeches stirred up the public's mood in each country and that mood began spreading around the globe via the Internet Upon returning home he found himself in the center of official attention and disapproval He is soon kidnapped from his home to be interrogated by authorities but rescued by sympathizers to his cause The authorities determined to detain him regardless of his growing popularity mount a nationwide search to locate him While in a short and voluntary exile Jeffrey Clark continues to speak his mind His courage to stand up for what he believes in earns him many new friends They are true patriots who work selflessly to save the country and its government from foreign interests The FEDs finally locate and surround his hideout only to find themselves surrounded by The Peoples Network

The Caregiver's Tale Ann Burack-Weiss, 2006-03-14 Ann Burack Weiss explores a rich variety of published memoirs by authors who cared for ill or disabled family members Contrary to the common belief that caregiving is nothing more than a stressful situation to be endured memoirs describe a life transforming experience self discovery a reordering of one's priorities and a changed view of the world The Caregiver's Tale offers insight and comfort to individuals caring for a loved one and is a valuable resource for all health care professionals Identifying common themes Burack Weiss describes how the illness career and social meaning of cancer dementia HIV AIDS mental illness and chemical dependence affect the caregiving experience She applies the same method to an examination of family roles parents caring for ailing children couples and siblings caring for one another and adult children caring for aging parents Jamaica Kincaid Sue Miller Paul Monette Kenzaburo O and Philip Roth are among the many authors who share their caregiving stories Burack Weiss provides an annotated bibliography of the more than one hundred memoirs and an accompanying chart to help readers locate those of greatest interest to them
