Developmental Disabilities Abstracts ,1978 **International Review of Research in Mental Retardation** ,1986-12-22 **International Review of Research in Mental Retardation** **Routledge Library Editions: Special Educational Needs** Various,2021-07-29 This set of 62 volumes originally published between 1951 and 1999 amalgamates a wide breadth of literature on Special Educational Needs with a particular focus on inclusivity class management and curriculum theory This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject how it has evolved over time and will be of particular interest to students of Education and those undertaking teaching qualifications **Handbook of Child Psychology, Child Psychology in Practice** William Damon,Richard M. Lerner,K. Ann Renninger,Irving E. Sigel,2007-07-30 Part of the authoritative four volume reference that spans the entire field of child development and has set the standard against which all other scholarly references are compared Updated and revised to reflect the new developments in the field the Handbook of Child Psychology Sixth Edition contains new chapters on such topics as spirituality social understanding and non verbal communication Volume 4 Child Psychology in Practice edited by K Ann Renninger Swarthmore College and Irving E Sigel Educational Testing Service covers child psychology in clinical and educational practice New topics addressed include educational assessment and evaluation character education learning disabilities mental retardation media and popular culture children s health and parenting **The Raising of Intelligence** Herman H. Spitz,1986 First Published in 1986 Routledge is an imprint of Taylor Francis an informa company **Education and Training in Mental Retardation** ,1993 *What is Mental Retardation?* Harvey N. Switzky,Stephen Greenspan,2006 What is Mental Retardation is a rare peek into the divergent and at times contentious points of view among the world s leading researchers on what the condition of mental retardation is and how it should be defined measured and implemented in the 21st century This candid and insightful collection of 21 essays features expert opinion on issues ranging from whether mental retardation really is a slowing of mental development and what the disability should be called to how cultural norms affect the definition of the condition worldwide and lessons learned from the Atkins v Virginia case The definitions of mental retardation published from 1921 2002 by the American Association on Intellectual and Developmental Disabilities provide the backdrop for this powerful discussion *MENTAL DEFICIENCY 4TH EDITION (THE CHANGING OUTLOOK)* Ann Margaret Clarke,Alan Douglas Benson Clarke,Joseph Maurice Berg,1985 New edition completely revised to reflect the breakthroughs in research and changes in public attitudes over the past decade **Handbook of Behavior Modification with the Mentally Retarded** Johnny L. Matson,2013-11-22 The development of behavior modification principles and procedures and the ensuing research have had a dramatic impact on services for mentally re tarded persons This book is the second edition of a volume that is designed to update readers on some of these many developments Although many of the chapter titles and authors from the first edition remain unchanged we have added additional chapters to reflect

new areas of research The book is thus a critical review of this literature and as such provides essential and important notions about what we know and what can be done to expand our current knowledge The authors of the chapters are all recognized experts who have been active in publishing in the research areas they critique As a result they have a good understanding of what are the major issues in the field And because they are also active in service provision to persons with identified handicaps their material will be especially useful to practitioners and it is hoped to those_ professionals who are working in the field in establishing data based treatments One important change in the field has concerned the terminology used to We are aware that persons with mental retard describe handicapped persons dation are no longer referred to as the mentally retarded and although no disrespect is intended for the sake of continuity the original title has been retained on the advice of the publisher
