

The background of the book cover is a photograph of a person's silhouette against a bright, colorful sky. The person is seen from the back, looking towards the horizon. The sky is a mix of blue, pink, and yellow, suggesting a sunset or sunrise. The person's head is tilted back, and their arms are slightly out to the sides. The overall mood is contemplative and dramatic.

America **Violence in Canada** Jeffrey Ross, 2017-09-29 Many people consider Canada particularly in comparison to its southern cousin as a peaceable kingdom. However, as the historical record demonstrates, Canadians have never been a thoroughly non-violent people. *Violence in Canada* highlights from an interdisciplinary perspective the major areas and contexts where violence takes place. Consisting of thirteen contributions, the book forms an indispensable guide to the subject. All of the authors are experts in their field, many with international reputations, and are drawn from the fields of sociology, political science, history, and criminology. The foreword by Ted Robert Gurr, author of *Violence in America*, is followed by an historical analysis of violence on the Canadian western frontier. Other scholars describe contemporary violence by and against indigenous peoples, women, children, and the elderly in labor-related disputes, homicide, police and prison violence, terrorism, and discuss government responses and policy implications. Each chapter specifically addresses the sociological and political dimensions of violence. The authors make ample use of statistics and empirical research. Jeffrey Ian Ross's introduction outlines the sociopolitical dynamics of violence, and his summary chapter offers directions for future research. When the book was first published in 1995, it was widely praised by scholarly journals and has since become a standard text in the study of violence and modern Canadian cultural studies. The book is all the more valuable as its new introduction places its findings in the context of research that has been produced since the original publication. *Violence in Canada* will be of interest to sociologists, criminologists, and political scientists. Jeffrey Ian Ross is an associate professor in the Division of Criminology, Criminal Justice, and Social Policy, and fellow with the Center for Comparative and International Law, University of Baltimore. His work has appeared in many academic journals and chapters in academic texts, as well as articles in popular magazines in Canada and the United States. He is the author, co-author, editor, or co-editor of eight books. Ted Robert Gurr is Distinguished University Professor at the University of Maryland. Among his books are *Why Men Rebel* and *Violence in America*.

Women and Urban Crimes Doel Mukherjee, 2005 The book deals with the magnitude of crimes against women in the developed and the developing World context. Through two empirical case studies, the spatial context of crime has been explained, especially how socio-economic parameters and the environment can play a role to promote crime and disorder in a city. Crime remedy is through good legislation, NGOs working on women's issues, the government while making policies, and the media need to find ways to strengthen legislation to protect the vulnerable women. *Forbidden Desires* Edward Ksenych, 2003-09-08 This informative reader introduces students to the sociological imagination in a way that is informative and entertaining. From a pedagogical standpoint, this is an excellent reader for introductory level courses on the sociology of deviance and social control. The collection of articles combines readings on sociological perspectives and theories with journalistic treatments of deviance and social control. The focus is on the social construction of deviance and the legitimizing of social control.

Force & Fear Frederick John Desroches, 2002 Eighty convicted bank robbers, the Canadian penitentiary service, and police departments across the country have all actively contributed to Desroches' quest to uncover why an

individual embarks on a crime for which the proceeds are minimal the arrest rate high and the jail sentence long The first book of its kind **Force and Fear** Robbery in Canada examines robbery not just as a crime but as a criminal event The author looks at offender motivation and social background responses to robberies by the criminal justice system and interaction between robber and victim

Power and Resistance Wayne Antony, Jessica Antony, Les Samuelson, 2020-05-06T00:00:00Z How do we make sense of the social problems that continue to plague Canadian society Our understanding of issues such as poverty racism violence homophobia crime and pollution stems from our view of how society is structured From the dominant neoliberal perspective social problems arise from individuals making poor choices From a critical perspective however these social troubles are caused by structural social inequalities Disparities in economic social and political power that is relations of power based on class race gender and sexual orientation are the central structural element of capitalist patriarchal colonialist societies The contributors to **Power and Resistance** use this critical perspective to explore Canadian social issues such as poverty colonialism homophobia violence against women climate change and so on This sixth edition adds chapters on the corporatization of higher education the lethal impacts of colonialism democracy the social determinants of health drug policy and sexual violence on campus

Unruly Women Karlene Faith, 2011-07-26 Winner of the VanCity Book Prize **Unruly Women** The Politics of Confinement institutionalized violence and sexual abuse against incarcerated women women loving women in prison motherhood inside prison battered woman syndrome Hollywood's formulaic women in prison films political education in prisons and acts of resistance inside and out Karlene Faith challenges misconceptions of deviant women and celebrates the unruly woman the unmanageable woman who claims her own body and who cannot be silenced As the drug war wages on riddled with excessive and inequitable prison sentences the incarcerated population skyrockets toward 2.5 million up from less than 200 000 nationwide in 1970 and private prisons burgeon around the coasts now is a critical moment to educate ourselves about what is at stake with our prison system Faith's incisive work causes us to question the usefulness of the forced confinement and surveillance of mostly nonviolent people
