Shadows Of Reality Survival:

Living in the Shadow of Reality Dr. Silas Gaines, 2022-12-18 Westerners often make the mistake of discounting the spiritual aspects of life as not real imaginary a mere reflection of what is experienced in the real world by which they usually mean the physical world that we experience with our five senses Many claim that the concept of angels and demons are creations of our imagination that God or the gods of other religions are mere projections that we create for ourselves The argument goes like this Humans look at physical reality and then create imagine a shadow world the spirit world based upon our experience of real life But what if the opposite is true What if what we are experiencing with our five senses is really just a reflection in a pond What if the real begins with the spiritual and then is reflected into the physical If this hypothesis is true if indeed what we see happening around us in the physical world begins in the spiritual world and is only later manifested where we can perceive it with our five senses then that has profound implications for us in a practical sense If true this would mean that individual crimes acts of evil and aggression and perhaps even larger events armed conflicts terrorist strikes or man made catastrophes that occur in our physical world might be avoided altogether if we can stop them at the spiritual level Likewise what if good might blossom in our physical world as a result of intervention at the spiritual level It certainly seems that we have evidence for both in human experience and in the scriptures Join Dr Silas Gaines as he walks his readers through a scriptural historical and personal journey to identify spiritual laws and principles that govern our current reality Gaines aids us in highlighting spiritual laws woven into the Created Order of which we are often dangerously ignorant and which often hold the keys to humanity flourishing in God s plans and purposes Gaines invites us to join in a journey that will open our eyes to new realities around us and empower us to walk into our God given destinies impacting people and the world around us as we were born to do

Shadow of Reality Jatto Jonathan, 200? **Bright Shadow of Reality** Corbin Scott Carnell, 1999 The writings of C S Lewis often stir in readers a profound sense of spiritual longing a desire for joy lying beyond the offerings of this world This special kind of longing known to the Romantic tradition by the German word *Sehnsucht* has been a recurrent theme in some of our most powerful works of literature *Bright Shadow of Reality* first published in 1974 remains the best available study of this idea of spiritual longing especially as it functions as a key to understanding the writings of C S Lewis Corbin Scott Carnell explores Lewis s life theology and literary legacy looking in particular at his science fiction trilogy and *Till We Have Faces* and evaluates Lewis s own reflection on the concept of *Sehnsucht* and its relation to the human quest for joy

Shadow Games Chinedu Nnadi, 2025-11-03 When a high profile whistleblower vanishes investigative journalist Grace Nolan knows one thing for certain someone powerful wants the truth buried Her search for answers collides with Darius Cole a private security contractor with a haunted past and his own reasons for chasing the same ghost From Detroit s crumbling factories to its gleaming tech towers Grace and Darius unravel a conspiracy linking corporate espionage cyber surveillance and political blackmail Each lead draws them closer to a secret

worth killing for and to each other But love is a dangerous liability when everyone has a price and every shadow hides an enemy As assassins close in and allies turn traitor Grace and Darius must decide whether exposing the truth is worth their lives or if surviving means becoming part of the very system they swore to destroy In a city built on secrets truth comes with a body count

The Shadow Of Giants Gerald Ciccarone,2023-04-04 Apparently we are entering a Brave New World where truth justice and the American way have been cast aside for subterfuge indoctrination and manipulation Most of the people who live in this amazing country still hold the traditional values which have always been the solid ground under its foundation Local national and social media as well as the doublespeak from most of our self serving politicians employ outright lies and innuendo to convince the majority of good people they are in the minority and their voice is irrelevant They have been erroneously led to believe and accept their supposed minority status with the vast bulk of the population supposedly residing on the opposite end of the political spectrum Such is the false propaganda being foisted on us To quote Joseph Goebbels Hitler s minister of propaganda Think of the press as a great keyboard on which the government can play Accuse the other side of that which you are guilty You can t change the masses They will always be the same dumb gluttonous and forgetful If you repeat a lie often enough people will begin to believe it and you ll even come to believe it yourself Propaganda works best when those who are being manipulated are confident they are acting on their own free will A lie told once remains a lie but a lie told a thousand times becomes the truth Sound familiar It ought to We are living it and it will be our undoing Never believe for one minute this is simply the way it goes in all societies The greatest sin reasonable individuals can commit is the refusal to think and perceive reality for what it is This is my attempt to create a character Iggy Marcus the epitome of integrity bearing the standard for all honest men and women everywhere who abhor the destruction of America man s greatest political creation If we refuse to take up the standard with him and abandon our obligation to posterity we will witness America s slide into oblivion as we get what we deserve for our apathy Gerald Ciccarone Bright Shadow of Reality: C.
