Shah And The Ayatollah Iranian Mythology And Islamic Revolution

Ali Mirsepassi

Shah And The Ayatollah Iranian Mythology And Islamic Revolution:

The Shah and the Ayatollah Fereydoon Hoveyda, 2003-02-28 Twenty two years after Ayatollah Khomeini's ascent to power in Iran many aspects of his 1979 Islamic revolution remain obscure if not baffling For instance in November 1978 an offer was made to him in his Paris exile to return to Iran with international guarantees of freedom of speech and action He refused and demanded the departure of the Shah Americans put pressure on the monarch to leave the country Khomeini arrived in Tehran in early February 1979 and he immediately demanded the return of the Shah and his trial before an Islamic tribunal No one could give a valid explanation of this contradiction in Khomeini's conduct and demands Many other mysteries in the unfolding of the revolution and the policies of the Islamic republic which replaced the monarchy have gone unexplained up to now Scholars and experts in the West have offered the usual explanations for the Islamic revolution corruption deepening gaps between the rich and the poor rapid industrialization sky rocketing inflation westernizing policies that offended traditions lack of democratic institutions authoritarian rule and on and on But such characteristics which exist in other Muslim countries especially in the Arab world fail to clarify the particularities of the Iranian revolution Indeed as Ambassador Hoveyda points out Iran is not an Arab country It has kept alive its ancient mythological heritage which is not Islamic It is an Indo European nation with a recorded history of three thousand years To understand the real causes of the 1979 revolution one must refer to the deep rooted beliefs of Iranians and to their very rich mythology One must also take into account the kind of Islam shiism Iranians have created and nurtured In fact Iran is a powerful example of how mythologies remain alive and can account for the conduct of a whole nation Hoveyda shows the influence of myths in history in the making Indeed he has found in the Iranian revolution many points that can be clarified only by the impact of old mythology and mindsets He provides a very original explanation of the events that led to the fall of the Shah and the ascent of Khomeini changing the political and diplomatic situation in the Middle East the Persian Gulf and the Caspian Sea region As such it will be of great interest to scholars students researchers and foreign policy makers involved with the Middle East and Islamic fundamentalism

A Concise History of the Middle East Ibrahim Al-Marashi, Arthur Goldschmidt Jr., 2018-09-03 A Concise History of the Middle East provides a comprehensive introduction to the history of this turbulent region Spanning from pre Islam to the present day it explores the evolution of Islamic institutions and culture the influence of the West modernization efforts in the Middle East the struggle of various peoples for political independence the Arab Israel conflict the reassertion of Islamic values and power the issues surrounding the Palestinian Question and the Middle East post 9 11 and post Arab uprisings The twelfth edition has been fully revised to reflect the most recent events in and concerns of the region including the presence of ISIS and other non state actors the civil wars in Syria and Yemen and the refugee crisis New parts and part timelines will help students grasp and contextualize the long and complicated history of the region With updated biographical sketches and glossary and a new concluding chapter this book remains the quintessential text for

students of Middle East history **US Foreign Policy in the Middle East** Kylie Baxter, Shahram Akbarzadeh, 2012-08-21 Over the last sixty years Washington has been a major player in the politics of the Middle East From Iran in the 1950s to the Gulf War of 1991 to the devastation of contemporary Iraq US policy has had a profound impact on the domestic affairs of the region Anti Americanism is a pervasive feature of modern Middle East public opinion But far from being intrinsic to Muslim political culture scepticism of the US agenda is directly linked to the regional policies pursued by Washington By exploring critical points of regional crisis Kylie Baxter and Shahram Akbarzadeh elaborate on the links between US policy and popular distrust of the United States The book also examines the interconnected nature of events in this geo strategically vital region Accessible and easy to follow it is designed to provide a clear and concise overview of complex historical and political material Key features include maps illustrating key events and areas of discontent text boxes on topics of interest related to the Arab Israeli Wars Iranian politics foreign interventions in Afghanistan and Iraq the wars of the Persian Gulf September 11 and the rise of Islamist movements further reading lists and a selection of suggested study questions at the end of each chapter **The Shah** Abbas Milani, 2011-01-04 The definitive biography of the last Shah of Iran tracing his dramatic rise and fall and his role in the creation of the contemporary Islamic Republic Though his monarchy was toppled in 1979 and he died in 1980 the life of Mohammad Reza Shah Pahlavi the last Shah of Iran continues to resonate today Here internationally respected author Abbas Milani gives us the definitive biography more than ten years in the making of the monarch who shaped Iran's modern age and with it the contemporary politics of the Middle East The Shah's was a life filled with contradiction as a social reformer he built schools increased equality for women and greatly reduced the power of the Shia clergy He made Iran a global power courting Western leaders from Churchill to Carter and nationalized his country's many natural resources But he was deeply conflicted and insecure in his powerful role Intolerant of political dissent he was eventually overthrown by the very people whose loyalty he so desperately sought This comprehensive and gripping account shows us how Iran went from politically moderate monarchy to totalitarian Islamic republic Milani reveals the complex and sweeping road that would bring the U S and Iran to where they are today **Iranian Irony: Marxists Becoming Muslims** , **Iran's Quiet Revolution** Ali Mirsepassi, 2019-08-29 A new perspective on Iranian politics and culture in the 1960s 1970s documenting the Westoxification discourses adopted by the Pahlavi State **The Literature of the Iranian Diaspora** Sanaz Fotouhi, 2015-04-03 The 1979 Revolution in Iran caused the migration of millions of Iranians many of whom wrote and are still writing of their experiences Formed at the junctions of Iranian culture English language and Western cultures this body of work has not only formed a unique literary space offering an insightful reflection of Iranian diasporic experiences and its shifting nature but it has also been making a unique and understudied contribution to World Literatures in English as significant as Indian African and Asian writing in English Sanaz Fotouhi here traces the origins of the emerging body of diasporic Iranian literature in English and uses these origins to examine the socio political position and historical

context from which they have emerged Fotouhi brings together introduces and analyses for the first time a significant range of diasporic Iranian writers alongside each other and alongside other diasporic literatures in English While situating this body of work through existing theories such as postcolonialism Fotouhi sheds new light on the role of Iranian literature and culture in Western literature by showing that these writings distinctively reflect experiences unique to the Iranian diaspora Analysing the relationship between Iranians and their new surroundings by drawing on theories of migration narration and identity Fotouhi examines how the literature borne out of the Iranian diaspora reconstructs maintains and negotiates their Individual and communal identities and reflects today s socio political realities This book will be vital for researchers of Middle Eastern literature and its relationship with writings from the West as well as those interested in the cultural history of the Middle East

The Great Satan Vs. the Mad Mullahs William O. Beeman,2008-04-15 Originally published Westport Conn Praeger Publishers 2005 With new preface

Religion and Global Politics Sheriff Folarin,Olusola Ogunnubi,2022-06-21 Religion and Global Politics Soft Power in Nigeria and Beyond examines the deployment of religious soft power in African states and the potential it has for transforming perceptions of the continent The contributors refocus the attention on religion away from the misery discourse of conflict and violence towards the domain of international relations diplomacy and foreign policy in Africa Through this shift the contributors analyze the ways in which religion has impacted the external relations of African states Religion and Global Politics introduces the theme of religion to the discourse of African international relations and politics to provide a thorough examination of religion s influence on politics in the daily lives of African people

Farewell Shiraz Cyrus Kadivar,2017-06-16 A poignant memoir of pre 1979 Iran and the human drama behind the fall of the last shah In October 1999 during a trip to Cairo Cyrus Kadivar an exiled Iranian living in London visited the tomb of the last shah and opened a Pandora s box Haunted by nostalgia for a bygone era he recalled a protected and idyllic childhood in the fabled city of Shiraz and his coming of age during the 1979 Iranian revolution Back in London he reflected on what had happened to him and his family after their uprooting and decided to conduct his own investigation into why he lost his country He spent the next ten years seeking out witnesses who would shed light on the last days of Pahlavi rule Among those he met were a former empress ex courtiers disaffected revolutionaries and the bereaved relatives of those who perished in the cataclysm In Farewell Shiraz Kadivar tells the story of his family and childhood against the tumultuous backdrop of twentieth century Iran from the 1905 1907 Constitutional Revolution to the fall of Mohammad Reza Shah Pahlavi before presenting accounts of his meetings with key witnesses to the Shah s fall and the rise of Khomeini Each of the people interviewed provides a richly detailed picture of the momentous events that took place and the human drama behind them Combining exquisite vignettes with rare testimonials and first hand interviews Farewell Shiraz draws us into a sweeping yet often intimate account of a vanished world and offers a compelling investigation into a political earthquake whose reverberations still live with us today

Whispering the Techniques of Language: An Mental Quest through **Shah And The Ayatollah Iranian Mythology And Islamic Revolution**

In a digitally-driven earth wherever screens reign supreme and immediate connection drowns out the subtleties of language, the profound strategies and psychological subtleties concealed within words often move unheard. Yet, nestled within the pages of **Shah And The Ayatollah Iranian Mythology And Islamic Revolution** a interesting fictional treasure pulsating with natural emotions, lies an exceptional quest waiting to be undertaken. Composed by an experienced wordsmith, that enchanting opus attracts readers on an introspective journey, lightly unraveling the veiled truths and profound influence resonating within ab muscles cloth of each word. Within the mental depths with this emotional evaluation, we will embark upon a genuine exploration of the book is core styles, dissect their charming writing design, and fail to the powerful resonance it evokes deep within the recesses of readers hearts.
