God and Eros Colin Patterson, Conor Sweeney, 2015-10-12 What can God and eros have to do with each other Against Nietzsche's claim that Christianity poisoned eros God and Eros rereads the mystery of human love as an ecstatic sharing in the mystery of the triune God who is Love Body sex and affectivity far from being locked in a lower order called nature instead belong to a sacramental order that is permeated by the call to love In presentations designed to appeal to a general audience the faculty of the John Paul II Institute for Marriage and Family Melbourne approach this mystery through the lens of St John Paul II's theology of the body with the goal to both introduce and more clearly illumine its major features In particular emphasis is placed on how a theology of the body is not just about sex Rather it is above all about how each and every person no matter what her state of life is stamped by the watermark of being from and being for Working within this broader perspective God and Eros offers the reader a lively engaging and at times challenging tour of the full ethos of the nuptial mystery
Companion God George T. Montague, 2010 This revised edition of Companion God is a unique commentary resource that combines contemporary biblical scholarship with the perspective of a third world culture similar to that of biblical times Based upon the author's many years of teaching and preaching the Gospel of Matthew along with his experience of having spent six years living in Nepal and India the biblical text is accompanied by an engaging and anecdotal presentation drawing upon the practices and customs of the tribal cultures indigenous to that region such as

arranged marriages animal sacrifices festivals resembling the Israelite Passover foot washing week long weddings extended family smothering hospitality tribal traditions and dealing with widespread leprosy The five narratives and discourses in the Gospel of Matthew leading to the passion death resurrection and the Great Commission are considered along with the major Matthean themes the Beatitudes the Lord's Prayer Jesus conflicts in dealing with the Pharisees and insights with practical application to contemporary life This commentary is an ideal resource for use in colleges Bible study programs Bible study groups and homily preparation Book jacket *The Mirror* E.N.O. Provencal,1997-01-04 *A Murderous Marriage* Alyssa Maxwell,2019-01-29 A raucous wedding reception turns sober when the wealthy groom is murdered in this historical mystery set in post WWI England Since the Great War the Renshaw family fortune has suffered and Lady Julia Renshaw is under pressure to marry for money She has settled on Gilbert Townsend a much older viscount and wealthy industrialist It's clear to her sister Phoebe that this is not a love match Nevertheless the wedding takes place and in a hurry At the reception aboard the groom's yacht there appears to be tension between Gil and several guests his best man a fellow veteran of the Boer War his grouchy spinster sister and his current heir a nervous young cousin named Ernest The bride is also less than pleased when she discovers that Gil's attractive young secretary will be escorting them on their honeymoon The next morning before the yacht can depart the harbor Gil's body is found in the water below and Julia is the prime suspect Now Phoebe and her maid Eva must discover who pushed him over before the Renshaws social standing is irreparably stained by murder *Reproducing the State* Jacqueline Stevens,2020-12-08 People are said to acquire their affiliations of ethnicity race and sex at birth Hence these affiliations have long been understood to be natural independent of the ability of political societies to define who we are *Reproducing the State* vigorously challenges the conventional view as well as post structuralist scholarship that minimizes state power Jacqueline Stevens examines birth based theories of membership and group affiliations in political societies ranging from the Athenian polis to tribes of Australia to the French republic to the contemporary United States The book details how political societies determine the kinship rules that are used to reproduce political societies Stevens analyzes the ways that ancestral and territorial birth rules for membership in political societies pattern other intergenerational affiliations She shows how the notion of ethnicity depends on the implicit or explicit invocation of a past present or future political society She also shows how geography is used to represent political regions including continents as the seemingly natural underpinning for racial taxonomies perpetuated through miscegenation laws and birth certificates And Stevens argues that sex differences are also constituted through membership practices of political societies In its chronological and disciplinary range *Reproducing the State* will reward the interest of scholars in many fields including anthropology history political science sociology women's studies race studies and ethnic studies **The Wedding of the Lamb** James L. Papandrea,2011-01-01 The Wedding of the Lamb does not fit into any of the traditional categories of interpretation for the book of Revelation The author uses historical sources to combine New Testament interpretation with

the history of the Roman early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text Far from a doomsday message the message of Revelation is one of hope for a Church in the midst of persecution The result is an interpretation which unlike the proliferation of fictionalized accounts of the end times recognizes that most of the images in the book of Revelation are references to events in the history of the Church *Bowker's Guide to Characters in Fiction* 2007 ,2008-02 **Reformed Ethics : Volume 3 (Reformed Ethics)**

Downing,2010-04 Marriage is God s idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God s idea but Satan s idea to destroy God s ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and

Moses and God in Dialogue Karla R. Suomala, 2004 In Exodus 32-34 through a series of dialogues Moses persuades God to spare the Israelites from destruction after they have made and worshipped a golden calf The significance of this passage was not lost on ancient interpreters At the heart of their concerns was the relationship between Moses and God as well as the extent to which the Divine could be swayed by human reason and passion For some the idea that God could be moved by human efforts was welcome providing hope in difficult times For others it was alarming after all God was not only supposed to be all powerful but immune to change This book evaluates the ancient reworkings of these dialogues translations rewritten Bible Midrash and Targum in light of the difference in power and position between Moses and God and its influences on the form of their communication
