Pendergast, 2011-08 God isn't someone we're encouraged to speak of much except perhaps inside of a church and not even there sometimes and then for only an hour each week if that But that's understandable because according to the experts God isn't relevant to civil economic or political life Why Because He's a myth Is it any wonder then that most of us do not know who He is and who we His sons are Is it any wonder that we do not know what is meant to be which encompasses nothing less than the real meaning of life An important phrase that the meaning of life What could be more important than knowing what life means and holds for us in a world where too many experts say that there is no meaning Some myths however are true and because they are there is real meaning to be had It simply requires that we step back and look at who God is really look and by doing so learn who we are and were always meant to be as his sons and daughters The Lord of the Impossible is the story of God and who we really are **Earth-Moving Prayers** Timothy Atunnise, 2013-07-02 Earth Moving Prayers is a highly anointed deliverance prayer book that will transform your life and set you free from any form of bondage or captivity you may find yourself Over 600 pages of mountain moving and yoke destroying prayer points Over 5300 problems solving and solution finding prayer points prepared by the Holy Ghost to set you free This book is for you a must have for every household **40-Day Journey to the Heart of God** Tammy M.
