Lord Of The Kongo:

Lord of the Kongo Peter Forbath, 1996 A decade before Columbus set sail for the New World Portuguese explorers seeking a route around the southern tip of Africa to the Indies discovered the Kongo To their astonishment the vast rich land many times bigger than Portugal was ruled by a fierce warrior tribe highly sophisticated and wealthy enough to scorn the trade goods the Portuguese had brought with them for barter with the natives and as presents to their chiefs Based on real historical events Lord of the Kongo is the story of a young Portuguese page and cabin boy Gil Eanes whose gift for languages boundless curiosity and true grit win him the friendship of Mbemba one of the two sons of the ManiKongo the great king Sent by his captain on a dangerous journey inland to visit the fabled capital of the Kongo and pay his respects to the king Gil is stranded when his ship sails without him and survives by his wits in the dangerous world of Kongo court politics eventually fathering a son by the beautiful Nimi one of the ManiKongo s princesses and winning the trust of her brother Mbemba whose fascination with the written word and with the teachings of Catholicism is already leading him on a remarkable journey that will pit him against his warrior half brother in a clash for the throne divide the kingdom into warring factions and eventually with the return of the Portuguese in greater numbers turn Mbemba into King Affonso I the black Catholic ruler of a Portuguese puppet kingdom the covert purpose of which is to provide slaves for the newly discovered Portuguese territories in South America In the end Gil s friendship with Mbemba and Mbemba s curiosity about the European world begin the cycle of tragedy that will destroy Gil his son Kimpasi who becomes a Portuguese educated Catholic priest and everything Gil cherishes about the land that has become his home This cycle of civil war dynastic struggle and undisguised slaving all played out amid the burning pyres of the Inquisition will eventually depopulate the Kongo and turn it into the Heart of Darkness it became BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Images on a Mission in Early Modern Kongo and Angola

Cécile Fromont, 2022-04-25 Early modern central Africa comes to life in an extraordinary atlas of vivid watercolors and drawings that Italian Capuchin Franciscans veterans of Kongo and Angola missions composed between 1650 and 1750 for the training of future missionaries These practical guides present the intricacies of the natural social and religious environment of seventeenth and eighteenth century west central Africa and outline the primarily visual catechization methods the friars devised for the region Images on a Mission in Early Modern Kongo and Angola brings this overlooked visual corpus to public and scholarly attention This beautifully illustrated book includes full color reproductions of all the images in the atlas in conjunction with rarely seen related material gathered from collections and archives around the world Taking a bold new approach to the study of early modern global interactions art historian Cécile Fromont demonstrates how visual creations such as the Capuchin vignettes though European in form and craftsmanship emerged not from a single perspective but rather from cross cultural interaction Fromont models a fresh way to think about images created across cultures highlighting the formative role that cultural encounter itself played in their conception execution and modes of operation Centering Africa and Africans and with ramifications on four continents Fromont's decolonial history profoundly transforms our understanding of the early modern world It will be of substantial interest to specialists in early modern studies art history and religion

Abolitionism and Imperialism in Britain, Africa, and the Atlantic

Derek R. Peterson, 2010-01-05 The abolition of the slave trade is normally understood to be the singular achievement of eighteenth century British liberalism Abolitionism and Imperialism in Britain Africa and the Atlantic expands both the temporal and the geographic framework in which the history of abolitionism is

conceived Abolitionism was a theater in which a variety of actors slaves African rulers Caribbean planters working class radicals British evangelicals African political entrepreneurs played a part The Atlantic was an echo chamber in which abolitionist symbols ideas and evidence were generated from a variety of vantage points These essays highlight the range of political and moral projects in which the advocates of abolitionism were engaged and in so doing it joins together geographies that are normally studied in isolation Where empires are often understood to involve the government of one people over another Abolitionism and Imperialism shows that British values were formed debated and remade in the space of empire Africans were not simply objects of British liberals benevolence They played an active role in shaping and extending the values that Britain now regards as part of its national character This book is therefore a contribution to the larger scholarship about the nature of modern empires Contributors Christopher Leslie Brown Seymour Drescher Jonathon Glassman Boyd Hilton Robin Law Phillip D Morgan Derek R Peterson John K Thornton **The Journal of the Royal Anthropological Institute of Great Britain and Ireland** ,1928 Includes articles of worldwide anthropological interest
