Lorentz On Film Movies 1927 To 1941:

Lorentz on Film Pare Lorentz,1975 Marie Dressler Matthew Kennedy,1999 Early in the century Marie Dressler was hailed as one of America's finest comics with a 20 year string of Broadway and vaudeville successes including *The Lady Slavey* *Miss Prinnt Higgleddy Piggledy* *The Man in the Moon* and *Tillie's Nightmare* She starred with Charlie Chaplin in the first ever feature length comedy *Tillie's Punctured Romance* and later in *Min and Bill* for which she won an Academy Award A brilliant comedienne in body timing inflection and reactions her talents far exceeded the expectations of slapstick and her movies earned sums far greater than those of Garbo or Harlow or even Gable This work examines Dressler's life from vaudeville to talkies Based on extensive research and interviews with Dressler's surviving friends co stars and colleagues including Maureen O Sullivan Jackie Cooper and Anita Page it details her public and personal successes and failures A listing of her stage appearances vocal recordings and films is included Movies 1927 to 1941 Pare Lorentz,1975 **The Complete History of American Film Criticism** Jerry Roberts,2010-02-01 The Complete History of American Film Criticism is a chronicle of the lives and work of the most influential film critics of the past 100 years From the first movie review in the New York Times in 1896 through the Silent Era the pre and postwar years the Film Generation of the 1960s the Golden Age of the 1970s and into the 21st century critics have educated generations of discriminating moviegoers on the differences between good films and bad They call attention to great directors cinematographers production designers screenwriters and actors and shed light on their artistic visions and storytelling sensibilities People interested in what the great film critics had to say have usually been shortchanged as to their backgrounds and just why they are qualified to sit in judgment Using mini biographies placed within a chronological framework The Complete History of American Film Criticism is the biography of a profession whose cultural impact has left an indelible mark on the 20th century's most significant art form *Film Study* Frank Manchel,1990-10 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities *Encyclopedia of the Documentary Film 3-Volume Set* Ian Aitken,2013-10-18 The Encyclopedia of the Documentary Film is a fully international reference work on the history of the documentary film from the Lumi re brothers *Workers Leaving the Lumi re Factory* 1885 to Michael Moore's *Fahrenheit 911* 2004 This Encyclopedia provides a resource that critically analyzes that history in all its aspects Not only does this Encyclopedia examine individual films and the careers of individual film makers it also provides overview articles of national and regional documentary film history It explains concepts and themes in the study of documentary film the techniques used in making films and the institutions that support their production appreciation and preservation **In Search of Cinema** Bert Cardullo,2004 In Search of Cinema chronicles the vitality of international film art in the last two decades At a time when

the movie review has degenerated into mere publicity for Hollywood pictures and film scholarship has become entangled in its own pseudo scientific discourse Bert Cardullo reclaims the territory of a certain type of film critic somewhere between a reviewer journalist and a scholar theorist With elegance clarity and rigour he offers close readings of individual films to show how moviemakers use the resources of the medium to pursue complex significant human goals The essays collected here reflect the spectacular rise of Iranian cinema in recent years as well as the strong contributions of contemporary filmmakers from countries such as Belgium Canada China Israel Lebanon Scotland and Spain But In Search of Cinema does not neglect the best recent films from major film producing nations like the United States France and Italy and includes retrospective pieces on the careers of Ingmar Bergman and Woody Allen as well as several essays on the interrelationship between film form or film genres and drama and the novel the two forms from which the cinema continues to draw a wealth of its material

Screen Writings: Partial views of a total art, classic to contemporary Bert Cardullo, 2010 Screen Writings Genres Classics and Aesthetics offers close readings of genre films and acknowledged film classics in an attempt to explore both the aesthetics of genre and the definition of classic as well as the changing perception of so called classic movies over time

"Natures Nation" Revisited European Association for American Studies. Conference, 2003 Taking their cue from Perry Miller's early definition of America as Nature's Nation the essays collected in this volume offer critical reconsiderations of the manifold ways in which over time different concepts of nature have affected US attitudes towards the land Americans have explored settled cultivated exploited and more recently also begun to protect Scholars from Europe and North America approach the topic from a wide range of disciplines history literature popular culture religion social and economic geography film studies ethnic studies philosophy ethics gender and sexuality studies and Native American studies Conjointly the thirty five essays re examine the infinite manifestations of nature in US culture politics and society from practices of gardening strip mining farming and urban planning to forms of environmentalist activism and representations of nature and nationality in literature film art and ideology In addition they explore the possibilities of newer approaches eco criticism eco theology eco feminism eco queer studies and transnational perspectives within the interdisciplinary domain of American studies

Philosophical Perspective on Cinema Pedro Blas González, 2022-05-17 The main premise of Philosophical Perspective

on Cinema is simple Can a visual medium such as cinema put in greater perspective diverse aspects of human experience Films are usually sorted by genres but by applying metaphysical existential categories to cinema the author enables readers to reflect on the nature and essence of existence by making life appear less transparent to itself Undoubtedly the connection between sensual reality and philosophical reflection is often glossed over when the emphasis is placed on theoretical abstractions and not life itself While this work is a reflection on the philosophy of existence the author embraces a practical approach to the metaphysical existential foundation of human existence

Cinematic Fictions David Seed, 2012-01-01 The phrase cinematic fiction has now been generally accepted into critical discourse but is usually applied to post war novels This book asks a simple question given their fascination with the new medium of film did American novelists attempt to apply cinematic methods in their own writings From its very beginnings the cinema has played a special role in defining American culture Covering the period from the 1910s up to the Second World War Cinematic Fictions offers new insights into classics like *The Great Gatsby* and *The Grapes of Wrath* discussing major writers critical writings on film and active participation in film making Cinematic Fictions is also careful not to portray cinema as a single or stable entity Some novelists drew on silent film others looked to the Russian theorists for inspiration and yet others turned to continental film makers rather than to Hollywood Film itself was constantly evolving during the first decades of the twentieth century and the writers discussed here engaged in a kind of dialogue with the new medium selectively pursuing strategies of montage limited point of view and scenic composition towards their different ends Contrasting a diverse range of cinematic and literary movements this will be compulsory reading for scholars of American literature and film
