research I experience I seek gurus I talk to my peers Yet I remember at the end of it all I am the expert of my own body We may all have the same healthy living goal longer healthier lives but it s ok for each of us to construct our own path to get there Are you ready It s time to start creating yours Carla Birnberg *How to Manage Your Home Without Losing Your Mind* Dana K. about aesthetic experience as a paradigm of what is most true and most profound in analysis Why write about beheading Many art galleries feature paintings of heroines performing this cruel act Delilah Salome Judith Yael and others At the antithesis to this there is another theme to be found in painting that consistently garners attention namely the so called Sacred Conversation in which the Madonna holds a small child in her lap and their gazes cross The first scene depicts how a mind is destroyed the second how it is born Losing Your Head analyzes well known artwork from classical literature cinema and contemporary art to enhance psychoanalytic understanding **Don't Lose Your Head** Harriet Marsden,2021-02-16 Survive alongside Henry VIII s ill fated wives with this witty book of essential life advice history and trivia perfect for fans of the hit musical Six Get the inside scoop from some of the toughest women in English history as ex wives mothers and daughters of King Henry VIII dish out all their survival secrets in this humorous guide to life With a bit of sarcasm and friendly charm each of these legendary ladies explains how their sixteenth century hard earned lessons from living with unstable men to stifling Tudor traditions apply to twenty first century dating marriage and feminism Written from the perspectives of each of the different women around Henry VIII you ll get the facts from the Queen Mother and the less remembered but no less important Anne of Cleves Katherine Howard and more With must know historical trivia alongside wise life advice Don t Lose Your Head is the perfect survival guide for fans obsessed with Broadway s latest historical pop musical Six as well as anyone fascinated by British royalty and culture *Just In Case! Passionate Work Renyi Hong, 2022-04-04 In Passionate Work Renyi Hong theorizes the notion of being passionate about your work as an affective project that encourages people to endure economically trying situations like unemployment job change repetitive and menial labor and freelancing Not simply a subject of aspiration passion has been deployed as a means to build resilience and mend disappointments with our experiences of work Tracking the rise of passion in nineteenth century management to trends like gamification coworking and unemployment insurance Hong demonstrates how passion can emerge in instances that would not typically be understood as passionate Gamification numbs crippling boredom by keeping call center workers in an unthinking suspensive state pursuing even the most banal tasks in hope of career advancement Coworking spaces marketed toward freelancers combat loneliness and disconnection at the precise moment when middle class sureties are profoundly threatened Ultimately Hong argues the ideal of passionate work sustains a condition of cruel optimism in which passion is offered as the solution for the injustices of contemporary capitalism
