Lost Childhood A Memoir:

Lost Childhood Henry Silberstern, 2013 **The Lost Childhood** Yehuda Nir, 2007-04 The story of six years in the life of a Polish Jewish boy who along with his mother and sister survived World War II through cunning and guile **The Lost Childhood** Yehuda Nir, 2002 Describes six years in the life of a daring and resourceful Polish Jewish boy and his family who survived the Holocaust by using false papers and posing as Catholics The Lost Childhood Yehuda Nir, 1996 Chronicles Yehuda Nir's harrowing flight from occupied Poland in 1941 during which he was forced to don an Aryan disguise to elude capture Memoir of a Lost Childhood Yona Kunstler Nadelman, 1999* **Lost Childhood** Anilava Roy, 2018-12-12 People of our generation in the age bracket of 40 to 60 are the last of the generation who had a childhood which would never come back. It was simple and had a lot of happiness around small things. It was carefree and adventurous in contrast to today's generations who will never experience the childhood which we did despite the advancement of technology and the improvement in the standard of living. The small joys in life are no longer there and even after having everything in life it does not seem enough. The idea of this book is to bring forth the childhood which many of our generations would be able to relate to and savour. The book also highlights to today's generation as to what they are missing in their childhood. It may bring out some of those aspects in their childhood. This book is not a simple memoir of childhood. It is an attempt to capture the childhood of a child of a middle class family who travelled through 8 cities, lived in around 10 houses and studied in around 8 schools. It is also about the various incidents, cities and its foods.

Sickened Julie Gregory, 2004-09-28 A remarkable memoir that speaks in an original and distinctive Midwestern voice rising to indelible scenes in prose of scathing beauty and fierce humor. A young girl is perched on the cold chrome of yet another doctor's examining table, missing yet another day of school. Just twelve, she's tall, skinny and weak. It's four o'clock and she hasn't been allowed to eat anything all day. Her mother on the other hand seems curiously excited. She's about to suggest open heart surgery on her child to get to the bottom of this. She checks her teeth for lipstick and as the doctor enters shoots the girl a warning glance. This child will not ruin her plans. From early childhood Julie Gregory was continually X-rayed, medicated and operated on in the vain pursuit of an illness that was created in her mother's mind. Münchausen by proxy (MBP) is the world's most hidden and dangerous form of child abuse in which the caretaker almost always the mother invents or induces symptoms in her child because she craves the attention of medical professionals. Many MBP children die but Julie Gregory not only survived she escaped the powerful orbit of her mother's madness and rebuilt her identity as a vibrant healthy young woman. Punctuated with Julie's actual medical records, *Sickened* re-creates the bizarre cocoon of her family's isolated double wide trailer, their wild shopping sprees and gun waving confrontations, the astonishing naïveté of medical professionals and social workers. It also exposes the twisted bonds of terror and love that roped Julie's family together, including the love that made a child willing to sacrifice herself to win her mother's happiness. The realization that the sickness lay in her mother, not in herself, would not come to

Julie until adulthood But when it did it would strike like lightning Through her painful metamorphosis she discovered the courage to save her own life and ultimately the life of the girl her mother had found to replace her Sickened takes us to new places in the human heart and spirit It is an unforgettable story unforgettably told **A Conversation About Happiness**

Mikey Cuddihy, 2014-09-01 Orphaned at the age of nine Mikey Cuddihy left the U S to board at an experimental British school A vivid and intense memoir of coming of age amidst the unraveling social experiment of the late 1960s When Mikey Cuddihy was orphaned at the age of nine her life exploded She and her siblings were sent from New York to board at experimental Summerhill School in England and abandoned there The setting was idyllic lessons were optional pupils made the rules Joan Baez visited and taught Mikey guitar The late sixties were in full swing but with total freedom came danger Mikey navigated this strange world of permissiveness and neglect forging an identity almost in defiance of it **Sickened**

Layson, Herman J. Viola, 2008 The author recounts her childhood experiences as a Japanese prisoner during World War II

My Lost Childhood Abraham Deng Ater, 2013-11-15 My Lost Childhood is a memoir describing immeasurable suffering the author went through in his early childhood In the late 1980s the Islamic government began to systematically torture and

kill Southern Sudanese families burn their villages and enslave young boys and girls As a result an approximately as numbers are largely unknown and only an estimate 27 000 plus boys from Southern tribes were forced to flee from their homes Traveling naked and barefoot they sought refuge in neighboring Fugnido Ethiopia where a few years later they were forced to flee yet another civil war Returning to Sudan the Islamic government forced them to travel for another five months ultimately arriving in Kakuma Kenya after four years of unthinkable hardship and walking over thousands of miles naked barefoot and ailing from starvation dehydration and diseases Many boys perished along the way and their numbers shrank into few thousands Abraham Deng Ater separated from his family in 1987 is one of approximately 3 800 boys now known as the Lost Boys of Sudan He left Kakuma Refugee Camp in Kenya after several years of massive suffering and was granted refuge in the U S in 2001 Many Lost Boys including Abraham have since become U S citizens and have continued to pursue their education Thousands more have also been granted refuge elsewhere and are scattered around the globe **One Lost Boy** Fred Jones,2019-05-05 As a young boy Fred O Jones finds himself in a struggle between poverty abuse and a chance to get an education Yet as far back that he can remember he was put to work Born into a poverty stricken family that worked as sharecroppers on a cotton plantation Texas Fred did not experience much of what it was like to just be a child One Lost Boy a memoir of a missing childhood is a moving and heartbreaking coming of age story of a young child's constant search for work as he leaves home at the age of 14 years old to find work to help support his family My Mother's Voice Adrienne Kertzer,2001-12-11 How do children's books represent the Holocaust How do such books negotiate the tension between the desire to protect children and the commitment to tell children the truth about the world If Holocaust representations in children's books respect the narrative conventions of hope and happy endings how do they differ if at all from popular representations intended for adult audiences And where does innocence lie if the children's fable of Roberto Benigni's Life is Beautiful is marketed for adults and far more troubling survivor memoirs such as Anita Lobel's No Pretty Pictures A Child of War are marketed for children How should Holocaust Studies integrate discourse about children's literature into its discussions In approaching these and other questions Kertzer uses the lens of children's literature to problematize the ways in which various adult discourses represent the Holocaust and continually challenges the conventional belief that children's literature is the place for easy answers and optimistic lessons *Blackbird* Jennifer Lauck,2001-09 With the startling emotional immediacy of a fractured family photo album Lauck's memoir is the story of an ordinary girl growing up at the turn of the 1970s and the truly extraordinary circumstances of a childhood lost *Hiding from the Nazis* Hallie Murray,Linda Jacobs Altman,2018-07-15 As Adolf Hitler's control over Germany became absolute those Jews who could not run from the Nazis were forced into hiding Readers will experience the harrowing first hand narratives of those who concealed either themselves in bunkers or attics or even the forest or by their Judaism relying on Aryan looks to hide themselves in plain sight Some people tried to plan in advance constructing secret rooms in which they hid silently relying on the kindness of trusted

friends Others hid wherever possible building bunkers into the dirt floor of barns in the ghettos in order to avoid being shot or deported to death camps and even in the rubble of bombed out cities as the war progressed **After Shock - a Memoir** Margo Bouer,2000-08-15 This is the story of an adolescent girls survival following electric shock treatments to enforce compliance In a stark narrative the girl recounts dysfunctional family dominance that forces her to escape further brain damage death or suicide The story moves through her experiences as a child in an adult psychiatric hospital where the patient staff differences are often blurred When disowned and disinherited by her dysfunctional family she moves into adulthood assumes a new identity acquires and then loses a surrogate family through cancer and becomes a psychiatric professional nurse and ultimately achieves a Ph D in psychotherapy Her professional life involved patient care psychiatric training for psychiatrists and nurses psychoanalysis and sexual abuse by her own therapist But there was always a need to cover up her early history and the daunting implications of possible brain damage from her early electric shock She married a gentle physician and with her own motherhood found it imperative to go back to the memories and losses for a reconciliation with her past through successful treatment The story is poignant often funny often gritty and always compelling **Hidden Teens, Hidden Lives** Linda Jacobs Altman,2010-01-01 In simple poignant prose these primary source accounts capture the tragic and courageous experiences of young people who lived through the Holocaust and whose lives were forever altered by it *Children's Exodus* Vera K. Fast,2010-11-09 In the months leading up to the outbreak of World War Two Britain rushed to evacuate nearly 10 000 Jewish children from the Nazi occupied territories Through the unprecedented cooperation of religious and governmental organizations the Kindertransport spared thousands of Jewish children from the terror of the Third Reich and provided them with host families in Britain *Children s Exodus* offers an in depth look at the people and politics behind the various chains of rescue as well as the personal narratives of the children who left everything behind in the hope of finding safety Drawing on unpublished interviews journals and articles Vera K Fast examines the religious and political tensions that emerged throughout the migration and at times threatened to bring operations to a halt *Children s Exodus* captures the life affirming stories of child refugees with vivid detail and examines the motivations religious or otherwise of the people that orchestrated one of the greatest rescue missions of all time [Memoirs of a Stateless Person](#) Anna Fries,2013 Her memoirs cover the pre WWII period of the 1930 s in her birth country Bulgaria and her growing up in the German and Russian cultures of her parents and that of Bulgaria the uprooting of her family because of WWII and subsequent events tells of the increasing horrors and dislocations not only of her family but that of countless others The author successfully captures the sharp contrast between her childhood bliss before the war and the horrors of life in German occupied Europe an insightful firsthand account of European life in the 1930 s and 40 s filled with lessons applicable to the present day Kirkus Review
