Death Valley Gold Rush Ted Faye,2022-10 From the mid 19th century to the 1930s no place in America was more feared or mysterious than the stretch of desert on the California Nevada border known as Death Valley While today Death Valley National Park is seen as a place of natural beauty and scenic wonders there were once rumors of vaporous gases so toxic that birds flying overhead would drop dead instantly One of the first Americans to encounter this dreaded land was William Lewis Manly who left his Wisconsin home for California s 1849 Gold Rush and who heroically saved those lost pioneers who would give Death Valley its name Other pioneers in the early 20th century were Frank Shorty Harris who made Death Valley s biggest gold strike the Hoyt brothers who in 1908 struck it rich in a place called Skidoo and in the 1920s a con man named C C Julian who used the valley s reputation to scam naive investors There was a time when the entire country seemed to be consumed with news and tales of the Death Valley Gold Rush Ted Faye is a documentary filmmaker exhibit curator and historical researcher on stories and people of the Death Valley region Faye has worked with tourism boards on both the state and local levels to develop materials that tell the stories of their communities He was a historian at US Borax and many images from this book are from the Borax collection at Death Valley National Park **Death Valley** Charles Butler Hunt,1975-01-01 [Live! From Death Valley](#) John Soennichsen,2013-08-16 [CLICK HERE](#) to download the first three chapters from Live From Death Valley Eloquently written Soennichsen s book is a triumph of reportage reminiscent of McPhee Publishers Weekly A compelling narrative about one of the most mysterious places on Earth by acclaimed nonfiction writer Soennichsen Death Valley is a place of record breaking heat and unexplained natural oddities a place where salt beds descend a thousand feet below the surface where inch long fish swim in a 112 degree creek where huge boulders slide mysteriously across a dry lakebed There are also gas stations convenience stores a visitor center and a five star hotel Despite the modern conveniences however it s still quite easy to die in Death Valley Author John Soennichsen spent decades hiking exploring and observing as much of this forbidding yet fascinating region as possible Based on journals kept during his

travels Live From Death Valley relates his experiences in the region and examines the history geology and philosophical inspirations of the surrounding area Alongside his own stories Soennichsen weaves an imaginative retelling of William Manly and the Bennet Arcane party s fateful pioneer trip through Death Valley in 1849 50 as well as modern day tales of UFO sightings doomsday prophets and movie and TV production sets Part guidebook part autobiography part narrative Live From Death Valley chronicles the raw history weirdness and geographical charm of this extraordinary place

Death Valley and the Amargosa Richard E. Lingenfelter,1988-01-11 This is the history of Death Valley where that bitter stream the Amargosa dies It embraces the whole basin of the Amargosa from the Panamints to the Spring Mountains from the Palmettos to the Avawatz And it spans a century from the earliest recollections and the oldest records to that day in 1933 when much of the valley was finally set aside as a National Monument This is the story of an illusory land of the people it attracted and of the dreams and delusions they pursued the story of the metals in its mountains and the salts in its sinks of its desiccating heat and its revitalizing springs and of all the riches of its scenery and lore the story of Indians and horse thieves lost argonauts and lost mine hunters prospectors and promoters miners and millionaires stockholders and stock sharps homesteaders and hermits

writers and tourists But mostly this is the story of the illusions the illusions of a shortcut to the gold diggings that lured the forty niners of inescapable deadliness that hung in the name they left behind of lost bonanzas that grew out of the few nuggets they found of immeasurable riches spread by hopeful prospectors and calculating con men and of impenetrable mysteries concocted by the likes of Scotty These and many lesser illusions are the heart of its history The Death Valley Chuck-walla ,1907 **Death Valley to Deadwood; Kennecott to Cripple Creek** United States.
