Lost in Transition Yiu-Wai Chu, 2013-05-13 In this timely and insightful book Yiu Wai Chu takes stock of Hong Kong's culture since its transition to a Special Administrative Region of the People's Republic of China in 1997 Hong Kong had long functioned as the capitalist and democratic stepping stone to China for much of the world Its highly original popular culture was well known in Chinese communities and its renowned film industry enjoyed worldwide audiences and far reaching artistic influence Chu argues that Hong Kong's culture was lost in transition when it tried to affirm its international visibility and retain the status quo after 1997 In an era when China welcomed outsiders and became the world's most rapidly developing economy Hong Kong's special position as a capitalist outpost was no longer a privilege By drawing on various cultural discourses such as film popular music and politics of everyday life Chu provides an informative and critical analysis of the impact of China's ascendancy on the notion of One Country Two Cultures Hong Kong can no longer function as a bridge between China and the world writes Chu and must now define itself from global local and national perspectives

Lost in the Funhouse Bill Zehme, 2009-11-04 From renowned journalist Bill Zehme, author of the New York Times bestselling *The Way You Wear Your Hat*, *Frank Sinatra and the Lost Art of Living*, comes the first full-fledged biography and the only complete story of the late comic genius Andy Kaufman. Based on six years of research, Andy's own unpublished never-before-seen writings, and hundreds of interviews with family members, friends, and key players in Andy's endless charades, many of whom have become icons in their own right, *Lost in the Funhouse* takes us through the maze of Kaufman's mind and lets us sit deep behind his mad, dazzling blue eyes to see firsthand the fanciful landscape that was his life. Controversial, chaotic, splendidly surreal, and tragically brief, what a life it was. Andy Kaufman was often a mystery even to his closest friends. Remote, aloof, impossible to know, his internal world was a kaleidoscope of characters fighting for time on the outside. He was as much Andy Kaufman as he was Foreign Man, Dank You Viddy Much, who became the lovably bashful Latka on the hit TV series *Taxi*. He was as much Elvis Presley as he was the repugnant Tony Clifton, a lounge singer from Vegas who hated any audience that came to see him and who seemed to hate Andy Kaufman even more. He was a contradiction, a paradox on every level, an artist in every sense of the word. During the comic boom of the seventies, when the world had begun to discover the prodigious talents of Steve Martin, Richard Pryor, John Belushi, Bill Murray, and so many others, Andy was simply doing what he had always done in his

boyhood reveries On the debut of Saturday Night Live he stood nervously next to a phonograph that scratchily played the theme from Mighty Mouse He fussed and fidgeted waiting for his moment When it came he raised his hand and moved his mouth to the words Here I come to save the day In that beautiful deliverance of pantomime before the millions of people for whom he had always dreamed about performing Andy triumphed He changed the face of comedy forever by lurching across boundaries that no one knew existed He was the boy who made life his playground and never stopped playing even when the games proved too dangerous for others And in the end he would play alone just as he had when it was all only beginning In *Lost in the Funhouse* Bill Zehme sorts through a life of disinformation put forth by a master of deception to uncover the motivation behind the manipulation Magically entertaining it is a singular biography matched only by its singular subject

Lost in Uttar Pradesh Evan S. Connell, 2010-05-14 Although he may be best known for his novels *Mr Bridge and Mrs Bridge* or perhaps for his brilliant biography of Custer *Son of the Morning Star* Evan S Connell is an undisputed master of the short story His restraint concision and perfect pitch lend themselves beautifully to the form and he intuitively senses when to explain and when to let silence stand in speech's stead *Lost in Uttar Pradesh* collects new work by Connell along with some of his earlier masterpieces Memorable characters like the corpulent Mr Bemis Katia and her lion and a wanderer back from Spain ring true not because their stories are filled with monumental events but because they center around seemingly insignificant events that somehow remain in the mind Through Connell's mastery the most trivial happening the voice that speaks only once resonates far beyond the final page

Lost in the Fifties, Wheeler Dixon examines the lost films and directors of the 1950s Contrasting traditional themes of love marriage and family the author's 1950s film world unveils once taboo issues and television shows such as *Captain Midnight* are juxtaposed with the cheerful world of *I Love Lucy*

Joseph Campbell, 2024-02-20 This update of a lively first of its kind study of polling misfires and fiascoes in U S presidential campaigns takes up pollsters' failure over the decades to offer accurate assessments of the most important of American elections W Joseph Campbell's work always opens my eyes challenging assumptions the world has turned into facts Whenever I get a chance to read Campbell's work I seize it Jake Tapper CNN anchor *Lost in a Gallup* tells the story of polling flops and failures in presidential elections since 1936 Polls do go bad as outcomes in 2020 2016 2012 2004 and 2000 all remind us This updated edition includes a new chapter and conclusion that address the 2020 polling surprise and considers whether polls will get it right in 2024 As author W Joseph Campbell discusses polling misfires in presidential elections are not all alike Pollsters have anticipated tight elections when landslides have occurred They have pointed to the wrong winner in closer elections Misleading state polls have thrown off expected national outcomes Polling failure also can lead to media error Journalists covering presidential races invariably take their lead from polls When polls go bad media narratives can be off target as well *Lost in a Gallup* encourages readers to treat election polls with healthy skepticism recognizing that they could be wrong

Lost in the Horse Latitudes H Allen Smith, 2015-07-24 The horse latitudes are certain zones in the ocean

which used to be the despair of sailing vessels They are characterized by dead calms light baffling winds and hot dry weather If a ship came along and got stuck in one of those dead calms drinking water might soon run out and then everyone would go berserk including the horses if they were onboard In fact as passengers and crew clambered around in their berserkness the horses might get thrown overboard At least that s H Allen Smith s story and he s sticking to it Always quick to see the zany side of even the most serious of situations and known as a prankster Smith descended on the Paramount lot like a plague of locusts and then proceeded to offer such vital contributions as mowing the lawn and asking for the men s room He rubbed elbows daily with such great names as Charlie McCarthy and Edgar Bergen W C Fields and James Cagney as well as leading agents directors and producers

Lost in the New West Mark Asquith,2021-10-07 Lost in the New West investigates a group of writers John Williams Cormac McCarthy Annie Proulx and Thomas McGuane who have sought to explore the tensions inherent to the Western where the distinctions between old and new myth and reality authenticity and sentimentality are frequently blurred Collectively these authors demonstrate a deep seated attachment to the landscape people and values of the West and offer a critical appraisal of the dialogue between the contemporary West and its legacy Mark Asquith draws attention to the idealistic young men at the center of such works as Williams s Butcher s Crossing 1960 McCarthy s Blood Meridian 1985 and Border Trilogy Proulx s Wyoming stories and McGuane s Deadrock novels For each writer these characters struggle to come to terms with the difference between the suspect mythology of the West that shapes their identity and the reality that surrounds them They are in short lost in the new West
