Lots Wife Salt And The Human Condition:

Lot's Wife Sallie Tisdale, 1988 A cultural analysis and scientific exploration of the myriad uses of salt its place in folklore and religion and its effects upon the human body reveals the overwhelming presence of this substance in all areas of our lives

Forgetting Lot's Wife Martin Harries, 2009-08-25 Can looking at disaster and mass death destroy us Forgetting Lot's Wife provides a theory and a fragmentary history of destructive spectatorship in the twentieth century Its subject is the notion that the sight of historical catastrophe can destroy the spectator The fragments of this history all lead back to the story of Lot's wife looking back at the destruction of the cities of Sodom and Gomorrah she turns into a pillar of salt This biblical story of punishment and transformation a nexus of sexuality sight and cities becomes the template for the modern fear that looking back at disaster might petrify the spectator Although rarely articulated directly this idea remains powerful in our culture This book traces some of its aesthetic theoretical and ethical consequences Harries traces the figure of Lot's wife across media In extended engagements with examples from twentieth century theater film and painting he focuses on the theatrical theory of Antonin Artaud a series of American films and paintings by Anselm Kiefer These examples all return to the story of Lot's wife as a way to think about modern predicaments of the spectator On the one hand the sometimes veiled figure of Lot's wife allows these artists to picture the desire to destroy the spectator on the other she stands as a sign of the potential danger to the spectator These works that enact critiques of the very desire that inspires them The book closes with an extended meditation on September 11 criticizing the notion that we should have been destroyed by witnessing the events of that day

A Natural History of the Senses Diane Ackerman, 2011-12-07 Diane Ackerman's lusciously written grand tour of the realm of the senses includes conversations with an iceberg in Antarctica and a professional nose in New York along with dissertations on kisses and tattoos sadistic cuisine and the music played by the planet Earth Delightful gives the reader the richest possible feeling of the worlds the senses take in The New York Times

Your Life as Story Tristine Rainer, 1998-04-13 In *Your Life As Story* autobiography expert Tristine Rainer explains how we can all find the important messages in our lives Like Mary Karr or Frank McCourt we can shape those stories into dramatic narratives that are compelling to others Blending literary scholarship with practical coaching Rainer shares her remarkable techniques for finding the essentials of story structure within your life's scattered experiences Most important she explains how to treasure the struggles in your past and discover the meaning within those experiences to capture the unique myth at work in your life

Advice for Future Corpses (and Those Who Love Them) Sallie Tisdale, 2019-06-18 A NEW YORK TIMES BOOK CRITICS TOP 10 BOOK OF THE YEAR In its loving fierce specificity this book on how to die is also a blessedly saccharine free guide for how to live The New York Times Former NEA fellow and Pushcart Prize winning writer Sallie Tisdale offers a lyrical thought provoking yet practical perspective on death and dying in *Advice for Future Corpses and Those Who Love Them* Informed by her many years working as a nurse with more than a decade in palliative care Tisdale provides a frank

direct and compassionate meditation on the inevitable From the sublime the faint sound of Mozart as you take your last breath to the ridiculous lessons on how to close the sagging jaw of a corpse Tisdale leads us through the peaks and troughs of death with a calm wise and humorous hand Advice for Future Corpses is more than a how to manual or a spiritual bible it is a graceful compilation of honest and intimate anecdotes based on the deaths Tisdale has witnessed in her work and life as well as stories from cultures traditions and literature around the world Tisdale explores all the heartbreaking beautiful terrifying confusing absurd and even joyful experiences that accompany the work of dying including A Good Death What does it mean to die a good death Can there be more than one kind of good death What can I do to make my death or the deaths of my loved ones good Communication What to say and not to say what to ask and when from the dying loved ones doctors and more Last Months Weeks Days and Hours What you might expect physically and emotionally including the limitations freedoms pain and joy of this unique time Bodies What happens to a body after death What options are available to me after my death and how do I choose and make sure my wishes are followed Grief Grief is the story that must be told over and over Grief is the breath after the last one Beautifully written and compulsively readable Advice for Future Corpses offers the resources and reassurance that we all need for planning the ends of our lives and is essential reading for future corpses everywhere Sallie Tisdale s elegantly understated new book pretends to be a user s guide when in fact it s a profound meditation David Shields bestselling author of Reality Hunger *The Good Cook's Book of Salt and Pepper* Michele Anna Jordan, 2015-07-21 It amazes me that so little has been written about the two foods we eat most often Here is a book that tells us about these two ingredients one essential to life the other the flavor of almost everything we eat A book like Ms Jordan s is long overdue James Peterson Salt is indispensable Pepper is superfluous Michelle Anna Jordan guides you through this cookbook where saltandpepper is a one word dictionary term in her kitchen vocabulary You ll learn all there is to know about salt and pepper even so far as to where and how they grow This exquisite cookbook will go over the necessities of salt and the luxury of pepper via 135 seasoned recipes Serve your friends family and party guests with delicious recipes and first hand facts behind the science of one of the culinary world s dynamic duos The Good Cook s Book of Salt and Pepper separates itself from other competitors by offering scientific facts a healthier exposure to salt and pepper and some interesting worldwide trivia Did you know that India produces the leading amount of pepper and that the United States is its largest consumer Did you know that shrimp and small crustaceans cooked with spices are common throughout Asia and South America And that salt is an essential ingredient in coaxing out the flavor of nearly all grains Recipes in this book include Au poivre rouge steak Three peppercorn bread Roast pork with black pepper Seafood roasted with rock salt Pepper crusted pizza with porcini fontina and sage Skyhorse Publishing along with our Good Books and Arcade imprints is proud to publish a broad range of cookbooks including books on juicing grilling baking frying home brewing and winemaking slow cookers and cast iron cooking We ve been successful with books on gluten free cooking vegetarian and vegan cooking paleo

raw foods and more Our list includes French cooking Swedish cooking Austrian and German cooking Cajun cooking as well as books on jerky canning and preserving peanut butter meatballs oil and vinegar bone broth and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Violation: Collected Essays Sallie Tisdale, 2016-04-18 Most Anticipated Too The Great 2016 Nonfiction Book Preview The Millions GROUNDBREAKING A career defining book The New Yorker Sallie Tisdale is the author of seven books on such varied subjects as medical technology her pioneer ancestors and Buddhist women teachers Her many essays have appeared in Harper's Conjunctions The New Yorker Antioch Review Threepenny Review and many other journals This first collection of work spans thirty years and includes an introduction and brief epilogues to each essay Tisdale's questing curiosity pursues subjects from the biology of flies to the experience of working in an abortion clinic why it is so difficult to play sports with men and whether it's possible for writers to tell the truth She restlessly returns to themes of the body the family and how we try to explain ourselves to each other She is unwilling to settle for easy answers and finds the ambiguity and wonder underneath ordinary events The collection includes a recent essay never before published about the mystery of how we present ourselves to each other and whether it is possible to know even our own inner lives

Bad Foods Michael Oakes, 2017-10-24 Bad Foods demonstrates how a variety of historical or political events and personalities have shaped our current views of good nutrition On several occasions in American history concerns have arisen over the safety of our food supply e.g. harmful ingredients in processed foods and the potential that processing might deplete foods of their nutrients These concerns help explain how food characteristics such as freshness natural organic and unprocessed have become important to Americans Bad Foods traces how the food nutrients fat salt and sugar have acquired negative reputations for health as well as any controversies and outright misconceptions of the dangers of these nutrients Bad Foods also explores confusion that can in part be attributed to biased media coverage about foods Modern Americans are routinely bombarded with information about the health value of certain foods and the dangers of others Frequently health information about certain nutrients receives exaggerated coverage e.g. dietary fat while the importance of other nutrients gets ignored e.g. vitamins and minerals Moreover health information about foods is often perceived as contradictory While some readers may be startled by what they perceive to be a challenge to sacred beliefs about foods others will see the honesty in both the research and the writing and recognize the social benefits of examining our beliefs about foods Bad Foods will be of interest to sociologists food science specialists and social historians

Why Did God Create Viruses, Bacteria, and Other Pathogens? Jerry Bergman, James Hoff, 2023-05-23 The question Why did God create viruses bacteria pathogens venomous creatures and poisonous chemicals is usually asked by irreligious skeptics to challenge God's authority design and goodness It is also asked by those of faith either out of innocent ignorance or curiosity Life per se is a balance of life forms co-existing because they

were created by God by means of obvious intelligent design The authors show the vast majority of bacteria viruses and insects are beneficial The reason some pathogens are harmful is discussed in some detail Furthermore the role of toxic chemicals which are beneficial and even essential to human and animal life at low to moderate concentrations is also covered The authors conclusions are well documented by several hundred peer reviewed scholarly articles and books if you have ever wondered about why in God s creation there are parasites and pathogens ticks and toxins maladies and mosquitoes then you owe it to yourself to consider the scholarly explanations that set the record straight the professional perspective of Bergman and Hoff If you are looking for sound scientific answers to the question Why did God create life forms that have harmful side effects to other organisms this is the book to read **The Miracles of the Sacred Scripture** Augustine of Hippo,D.P.

Curtin,2023-06-22 This medieval Irish work recounts the author s motivation and rationale for writing three books on the Holy Scriptures prompted by the commands of his father and the encouragement of the Christian community He reflects on the historical context and spiritual significance of the Scriptures emphasizing the importance of obedience to divine commands despite personal inadequacies The work is structured into three volumes focusing on the Pentateuch the Prophets and the New Testament with a goal to clarify the divine governance of creation and to present the historical accounts without delving into allegorical interpretations The author seeks validation from readers regarding the significance of his work

The Lie About the Truck Sallie Tisdale,2021-10-26 In a world of fake news and rampant conspiracy theories the nature of truth has increasingly blurry borders In this clever and timely cultural commentary award winning author Sallie Tisdale tackles this issue by framing it in a familiar way reality TV particularly the long running CBS show Survivor With humor and in depth superfan analysis Tisdale explores the distinction between suspended disbelief and true authenticity both in how we watch shows like Survivor and in how we perceive the world around us *Portraits of Extraordinary Women* ,1997 Father William Maestri has written verbal portraits of 24 fascinating women in the Bible pointing out their virtues and vices strengths and weaknesses isolating their essences in the conviction that each has something to offer in terms of example

hidden Tomas Mournian,2011-02-01 When Ahmed s parents send him to a residential treatment center known as Serenity Ridge it s with one goal to fix their son at any cost But eleven months of abuse and overmedication leave him desperate to escape And when the opportunity comes Ahmed runs away to San Francisco There he moves into a secret safe house shared by a group of teens Until they become independent at eighteen the housemates hide away from authorities bound by rules that both protect and frustrate Ahmed now known as Ben tries to adjust to a life lived in impossibly close quarters with people he barely knows all of whom guard secrets of their own But even if they succeed in keeping the world at bay there s no hiding from each other or from themselves And there s no avoiding the conflicts crushes loneliness and desire that could shatter their fragile complicated sanctuary at any moment This fresh and original novel defies easy labels It s knowing yet vulnerable observant yet naive a wholly unique and compelling read Rachel Cohn New York Times bestselling author Tomas

Mournian attended U C Berkeley A freelance journalist he s written articles for The San Francisco Bay Guardian Los Angeles Magazine OUT In Style and Marie Claire His investigation journalism Hiding Out Anywhere But There and Girls Sent to Institutions has been recognized with awards from the Peninsula Press Club East Bay Press Club and NCCD Pass awards with nominations by the GLAAD Media Awards and Pulitzer Writing under a pseudonym his plays have been produced internationally He held the Eli Cantor Chair at The Corporation of Yaddo and lives in Los Angeles *Living Waters* Egon Keck, Svend Søndergaard, Ellen Wulff, 1990 *Living Waters* Scandinavian Oriental Studies In Honour of Frede L kkegaard

Sodomscapes Lowell Gallagher, 2017-06-01 *Sodomscapes* presents a fresh approach to the story of Lot s wife as it s been read across cultures and generations In the process it reinterprets foundational concepts of ethics representation and the body While the sudden mutation of Lot s wife in the flight from Sodom is often read to confirm our antiscopic bias a rival tradition emphasizes the counterintuitive optics required to nurture sustainable habitations for life in view of its unforeseeable contingency Whether in medieval exegesis Russian avant garde art Renaissance painting or today s Dead Sea health care tourism industry the repeated desire to reclaim Lot s wife turns the cautionary emblem of the mutating woman into a figural laboratory for testing the ethical bounds of hospitality *Sodomscape* the book s name for this gesture revisits touchstone moments in the history of figural thinking and places them in conversation with key thinkers of hospitality The book s cumulative perspective identifies Lot s wife as the resilient figure of vigilant dwelling whose in betweenness discloses counterintuitive ways of understanding what counts as a life amid divergent claims of being with and being for *Human Nature* , 1896 **The Holy Word in Its Own Defence ... Second Edition, Revised** Abiel SILVER, 1867 [Kurt Vonnegut and the American Novel](#) Robert T. Tally Jr., 2011-08-11 The novels of Kurt Vonnegut depict a profoundly absurd and distinctly postmodern world But in this critical study Robert Tally argues that Vonnegut himself is actually a modernist who is less interested in indulging in the free play of signifiers than in attempting to construct a model that could encompass the American experience at the end of the twentieth century As a modernist wrestling with a postmodern condition Vonnegut makes use of diverse and sometimes eccentric narrative techniques such as metafiction collage and temporal slippages to project a comprehensive vision of life in the United States Vonnegut s novels thus become experiments in making sense of the radical transformations of self and society during that curious unstable period called perhaps ironically the American Century An untimely figure Vonnegut develops a postmodern iconography of American civilization while simultaneously acknowledging the impossibility of a truly comprehensive representation [The Oxford Handbook of Impulse Control Disorders](#) Jon E. Grant, Marc N. Potenza, 2012 Research in the area of impulse control disorders has expanded exponentially The Oxford Handbook of Impulse Control Disorders provides researchers and clinicians with a clear understanding of the developmental biological and phenomenological features of a range of impulse control disorders as well as detailed approaches to their treatment **The Holy Word in Its Own Defence** Abiel Silver, 1863
