Capturing the imposing large scale installation Landscape of Transformation this examination portrays the Czech artist
Magdalena Jetelova and how she has brought the explosive topic of human rights into the museum With the help of numerous
illustrations this catalogue documents how Jetelova in a project specially designed for the Kunsthalle Mannheim has created
a colossal experience space that confronts visitors with the relationship between law injustice and morality The study details
how the artist works on various levels alongside optical mises en scene with mirrors and black light and even addressing her
topic through the media of writing and speech Depicting a creative force who first attracted attention with out of kilter
monumental chairs this exploration showcases her unique spatial and perceptual transformations initiated through electronic
media and categorical interventions in the architectural environment This bilingual edition includes English and German
