**Understanding Augmented Reality** Alan B. Craig, 2013-04-26 Understanding Augmented Reality addresses the elements that are required to create augmented reality experiences The technology that supports augmented reality will

come and go evolve and change The underlying principles for creating exciting useful augmented reality experiences are timeless Augmented reality designed from a purely technological perspective will lead to an AR experience that is novel and fun for one time consumption but is no more than a toy Imagine a filmmaking book that discussed cameras and special effects software but ignored cinematography and storytelling In order to create compelling augmented reality experiences that stand the test of time and cause the participant in the AR experience to focus on the content of the experience rather than the technology one must consider how to maximally exploit the affordances of the medium Understanding Augmented Reality addresses core conceptual issues regarding the medium of augmented reality as well as the technology required to support compelling augmented reality By addressing AR as a medium at the conceptual level in addition to the technological level the reader will learn to conceive of AR applications that are not limited by today s technology At the same time ample examples are provided that show what is possible with current technology Explore the different techniques technologies and approaches used in developing AR applications Learn from the author s deep experience in virtual reality and augmented reality applications to succeed right off the bat and avoid many of the traps that catch new developers and users of augmented reality experiences Some AR examples can be experienced from within the book using downloadable software

Walking the Tar Pit Karin Schwan,2020-05-28 Life is not fair Even though we are taught to be fair to others and we expect to be treated fairly that is not always the case It s a concept that may work when dividing toys or candy amongst children or being selected top seller on a business team but it doesn t work when it means watching the love of our life die from brain cancer Walking the Tar Pit is about the path through the process of grief and understanding that life is not fair when it comes to loss The book is a collection of essays reflecting on the pain of grief as well as the glimmers of light and sources of strength through the darkness and depth of the Tar Pit It includes beloved Bible verses and inspirational quotes as well as personal letters from the author to important people in Karin s life her sons her girls her parents and the rest of the family friends and the community The book concludes with the tribute Karin presented in honor of her beloved husband Fred at his funeral We all enter the Tar Pit for different reasons but we all must make our way through it to successfully navigate the grief process The Tar Pit is one widow s path through the pit to her destination on the other side **Thinking Past**
