

The Magic of the Swatchways

MAURICE GRIFFITHS
INTRODUCTION BY DICK DURHAM

Including a Glossary of Maurice Griffiths' most popular yacht designs

Magic Of The Swatchways

Janet Harber

Magic Of The Swatchways:

Magic of the Swatchways Maurice Griffiths, 2001 This is a beautiful gift edition of a much loved classic In the words of John Leather few sailing books become classics like this one and since first publication in 1932 it has lost none of that fresh charm which has endeared it to so many generations of sailors The Magic of the Swatchways rejoices in the natural romance of the wild and deserted creeks and views of the East Coast of England speaking to those who love to explore in small boats It is a book that will enthrall anyone who is entranced by the peace and solitude of the creeks at night and the moan of the sea on the sands The Magic of the Swatchways provides a fascinating insight into a unique and beautiful area which may never again be the same *The Magic of the Swatchways* Maurice Griffiths, 1998-08-21 One of the best yachting books ever written this is MAurice Griffith s first collection of yarns about the joys and problems of sailing the Thames estuary The Magic of the Swatchways rejoices in natural romance of the wild and deserted creeks and rivers of the East Coast of England speaking to those who love to explore in small boats The magic of the swatchways Maurice Walter Griffiths, 1972

Magic of the Swatchways Cheap Ed 1949 Rpt M. GRIFFITHS, 1937 *The Magic of the Swatchways* Maurice Griffiths, 1997 Aimed at those who love to explore in small boats this yachting book looks at the natural romance of the wild and deserted creeks and rivers of the East coast of England **Stars to Steer By** Julia Jones, 2025-05-08 The extraordinary stories of the fearless women who set their sights on the sea in an all male world paving the way for the female sailing superstars of today Gender issues are stark at sea Historically a ship s crew is all male and although vessels are referred to as she women s contributions to sailing have been largely ignored if not actively opposed Today s sailing legends such as Tracy Edwards and Ellen MacArthur compete with men on equal terms but they stand on the shoulders of many women before them who had to challenge preconceptions prejudice and even the law in their wish to sail Spanning the 19th century to today Julia Jones dives into the lives of an array of incredible and unconventional women we meet single handed sailors wealthy explorers long suffering wives and penniless chancers with a thirst for adventure Each had to face down barriers of official exclusion family imposed restriction social disapproval and often a resulting lack of self belief In the 21st century British women wear Admiral s uniforms and break global yachting records yet their journey to professional sailing remains challenging and the public face of sailing remains mostly male evident in the lack of female Commodores in prestigious yacht clubs Even as sailing becomes more accessible the remarkable contributions within these stories are a precious source of inspiration to all women facing their own challenges today **The English Catalogue of Books Published from January, 1835, to January, 1863** ,1864 **Swatchway Magic** Paul Antrobus, Charles Scoones, 2012-03-21 A collection of tales of the same east coast of England swatchways that Maurice Griffiths explored in *The Magic of the Swatchways* The authors tell of how they are today embellished by their experience of sailing them over 40 years **"Swallows, Amazons and Coots"** Julian Lovelock, 2016-09-29 In 1929 Arthur Ransome 1884 1967 a journalist and war correspondent who was on the books of

MI6 turned his hand to writing adventure stories for children The result was *Swallows and Amazons* and eleven more wonderful books followed spanning in publication the turbulent years from 1930 to 1947 They changed the course of children's literature and have never been out of print since In them Ransome creates a world of escape so close to reality that it is utterly believable a world in which things always turn out right in the end Yet *Swallows Amazons* and *Coots* shows that to be properly appreciated today the novels must be read as products of their era inextricably bound up with Ransome's life and times as he bore witness to the end of Empire and the dark days of the Second World War In the first critical book devoted wholly to the series Julian Lovelock explores each novel in turn offering an erudite assessment of Ransome's creative process and narrative technique and highlighting his contradictory politics his defence of rural England and his reflections on colonialism and the place of women in society Thus Lovelock demonstrates convincingly that despite first appearances the novels challenge as much as reinforce the pervading attitudes of their time Written with a lightness of touch and enlivened by Ransome's own illustrations *Swallows Amazons* and *Coots* is both fresh and nostalgic It will appeal to anyone who has enjoyed the world of *Swallows and Amazons* and there is plenty here to challenge both the student and the Ransome enthusiast

The Jottings of a Thames Estuary Ditch-Crawler Nick Ardley, 2011-10-15 A compilation of tales of the Thames Estuary

Uncommon Courage Julia Jones, 2022-03-17 An extraordinary account of heroism and sacrifice An unexpected and important story rivetingly told Rip roaring stuff Get this into the paws of the sea dog in your life Griff Rhys Jones A book that had to be written Let's Talk People ashore don't realise what a grim war we are waging at sea with the Germans A cold blooded war in a way I think requiring the maximum of bravery from the men of both sides in the long run as it is so ceaseless and intangible You just don't know whether the next moment will be your last Robert Hichens RNVSR

Several years ago Julia Jones was searching through long forgotten items stored at her house and discovered some suitcases of old written material which turned out to be accounts by her father of his experiences in the RNVSR Royal Naval Volunteer Supplementary Reserve She realised that as a child she'd met some of the people mentioned and although she was too young to truly know them these youthful impressions spurred her on to rediscovery and understanding In this absorbing book Julia tells the compelling stories of the yachtsmen Some were famous such as Sir Peter Scott others were wealthy such as August Courtauld who returned his pay to help with the war effort but the majority were just ordinary professionals such as publishers lawyers and advertising agents who signed up because they loved sailing Few could ever have dreamed that they would end up acting in areas that were so far beyond their normal lives as they found themselves commanding destroyers and submarines and undertaking covert missions of sabotage Some undertook the dangerous daily drudgery of minesweeping others tackled unexploded bombs engaged the enemy in high speed attacks or played key roles in Ian Fleming's famous intelligence commandos This varied crew of men were given tasks vital to the war effort requiring endurance extraordinary bravery resourcefulness and quick thinking Some died in the process but for the ones who survived Julia asks

how their experiences changed them Could their love of sailing and the sea survive the harsh realities of war **East Coast Rivers Cruising Companion** Janet Harber,2016-11-01 Well established as the East Coast yachtsman s bible this 20th edition of Jan Harber s classic cruising companion marks the book s 60th anniversary Dating back to 1956 when Jack Coote Jan s father produced the first black and white edition East Coast Rivers now extending from Lowestoft to Ramsgate continues to cover the rivers curlew haunted creeks and intricate shoals and swatchways of the Thames Estuary and surrounding rivers Comprehensive pilotage and nautical information based on years of local knowledge is complemented by port information and local maritime history helping cruising sailors to make the most of their visit to the East Coast The text is illustrated throughout with updated charts and photographs including spectacular aerial shots of a number of the rivers and entrances that make up this cherished cruising ground Not only a pilot guide this is the memoir of a family s history exploring capturing and celebrating this extraordinary sailing area *Cruising World* ,2001-01 **Just Sea and Sky** Ben Pester,2013-08-04 This charming account of the voyage of two men in a small boat half way round the world from Plymouth to New Zealand in 1953 is a rare insight into a time not long ago when sailors had no GPS electronics radio or any of the mod cons that we take for granted today Without lifejacket or a liferaft they just took what came along hand steering all the way navigating by sextant hand cranking their engine and using oil lamps for light at night and for navigation Sailors will be staggered how primitive conditions were only a few decades ago even though it was the norm at the time Part travelogue and part adventure story the two friends encountered drunken harbourmasters the mafia the legacy of slavery and lost civilisations in the Pacific Beautifully written vivid in its descriptions of the two men s exploits ashore and on board this quirky and entertaining book will be a fascinating read for sailors and non sailors alike A compelling story I feel like I have sailed with them *Yachting Monthly* The Magic of the Swatchways. Cameos of Cruising in Small Yachts, Etc Maurice GRIFFITHS,1932 **The Annapolis Book of Seamanship: Third Edition** John Rousmaniere,1999-10 Offers information based on the sailing program of the U S Naval Academy giving detailed instructions for all levels of experience on developing and maintaining effective sailing skills AMETHYST Joseph Young,2022-07-05 AMETHYST By Joseph Young AMETHYST is a sailor s tale about living aboard a 23 sailboat for twelve years alone along the East Coast of the United States via the Inter Coastal Waterway It s an itinerary of summering in Massachusetts and wintering in Florida Read this journey about Joseph Young s experience of sailing more than forty thousand miles Sailing - Philosophy For Everyone Patrick Goold,2012-07-10 This volume reveals the wisdom we can learn from sailing a sport that pits human skills against the elements tests the mettle and is a rich source of valuable lessons in life Unravels the philosophical mysteries behind one of the oldest organized human activities Features contributions from philosophers and academics as well as from sailors themselves Enriches appreciation of the sport by probing its meaning and value Brings to life the many applications of philosophy to sailing and the profound lessons it can teach us A thought provoking read for sailors and philosophers alike *Amazing Sailing Stories* Dick

Durham,2011-08-23 Set sail on a thrilling journey to discover some of the most exciting tales of adventure afloat There s every sort of vessel from majestic square rigger to humble homemade yacht Journey around gale whipped headlands and survive mountainous seas or turn the page to discover the delights of cruising among the islands of a tropical paradise The exploits of sailing s greatest names are recounted along with an eclectic mix of tales that never made the headlines yet make compelling reading Discover a treasure trove of sailing stories from across centuries and from the four corners of the globe This is wonderful reading for anyone with a love of sailing and the sea Ultimate Sailing Adventures Miles

Kendall,2023-10-10 This new edition of Ultimate Sailing Adventures takes you on a thrilling ride around the world s best boats locations and voyages from amazing passages and destinations through memorable races and rallies to special boats and sailing experiences There are exciting adventures that will appeal to everyone from novice to expert Stunning full page photographs put you at the heart of the action while inspirational descriptions allow you to dream of being there It s perfect for planning your next sailing adventure or alternatively allows you to indulge in some armchair sailing in boats and places of your wildest dreams As well as major expeditions like crossing the Atlantic or sailing around the world and classics like the Fastnet Race there is a wealth of adventures in a wide variety of boats in amazing locations from Lake Titicaca to the Arctic Circle and from the turquoise waters of the Caribbean to the icebergs of the Southern Ocean Every continent is covered so expect to find places where you ve sailed alongside those you never knew existed Each entry is accompanied by useful information such as the degree of difficulty best time of the year and similar adventures Discover where you will sail next in reality or in your imagination
