Library of Printed Books and Illuminated & Other Important Manuscripts of the Late Henry White, Esq. ...* Henry White, 1902 Routledge Library Editions: W. B. Yeats Various Authors, 2022-07-30 This set reissues 6 books originally published between 1951 and 1990 on William Butler Yeats a foremost figure of twentieth century literature and one of the driving forces behind the Irish Literary Revival The volumes examine Yeats s work his poetic development and his social and private life and will be of interest to students of literature

Magic and Magicians in the Middle Ages and the Early Modern Time Albrecht Classen, 2017-10-23 There are no clear demarcation lines between magic astrology necromancy medicine and even sciences in the pre modern world Under the umbrella term magic the contributors to this volume examine a wide range of texts both literary and religious both medical and philosophical in which the topic is discussed from many different perspectives The fundamental concerns address issue such as how people perceived magic whether they accepted it and utilized it for their own purposes and what impact magic might have had on the mental structures of that time While some papers examine the specific appearance of magicians in literary texts others analyze the practical application of magic in medical contexts In addition this volume includes studies that deal with the rise of the witch craze in the late fifteenth century and then also investigate whether the Weberian notion of disenchantment pertaining to the modern world can be maintained Magic is oddly but significantly still around us and

exerts its influence Focusing on magic in the medieval world thus helps us to shed light on human culture at large

Routledge Library Editions: Romanticism Various,2021-08-05 This set reissues 28 books on Romanticism originally published between 1940 and 2006 Routledge Library Editions Romanticism provides an outstanding collection of scholarship which explores not only Romantic literature but the Romantic Movement as a whole including art philosophy and science

Routledge Library Editions: Chaucer Various,2021-08-29 Reissuing works originally published between 1964 and 1994 this superb set of books is an array of scholarship on one of the most important authors of the medieval period Some of these titles are introductory books on Chaucer and his works but others are specifically focused on his humour or the sources he drew from or his importance to the development of English poetry and between them they address all of his works not only the Canterbury Tales A good coverage of critical study in the area of medieval poetry that contains interesting fodder for any literature student or academic

Routledge Library Editions: Alchemy Various Authors,2021-03-05 Reissuing seminal works originally published between 1916 and 1995 Routledge Library Editions Alchemy 7 volume set offers a selection of scholarship covering various facets of alchemical traditions Some texts examine alchemy itself while some offer insight into the motives for alchemical research and others outlay portraits of people such as Giordano Bruno and John Dee

Routledge Library Editions: Historiography Various,2021-06-23 The greatest problem in historical scholarship theoretically and practically is the relation between historians and their subject matter The past is gone and historians can only study its remnants On what basis do scholars select certain facts from the mass of data left from the past How do they explain the interrelationship of the facts they select What criteria do they use to evaluate their subject The 35 volumes in this set originally published between 1926 and 1990 discuss and answer these essential questions faced by historians The development of historical understanding during the 18th and 19th centuries was one of the most striking features of Western culture Both historiography and historical thinking advanced as never before The historical movement of the 19th century was perhaps second only to the scientific revolution of the seventeenth century in transforming Western thought One consequence was extensive organisation and professionalization of research which the volumes in this set reflect

Routledge Library Editions: Education Mini-Set O Teaching and Learning 14 vols Various,2021-12-02 Originally published between 1973 and 1993 the 14 books in this set discuss a number of themes such as policy practice and evaluation in schools dealing with disruptive behaviour issues regarding the teaching of arts and sciences ethnographic studies of life in primary and secondary schools and critical events in teaching and learning

Routledge Library Editions: Education and Religion Various,2021-07-14 The 10 volumes in this set originally published between 1965 and 1994 draw together research by leading academics in the area of religious education and provides a rigorous examination of related key issues The volumes examine the teaching of world faiths in schools religious education in both primary and secondary schools and the teaching of morality This set will be of particular interest to students of Education and Religious Studies

Routledge

Library Editions: Occultism Various, 2022-07-30 The volumes in this set originally published between 1978 and 1992 draw together research by leading academics in the area of the occult and provide a rigorous examination of related key issues. The collection examines occultism from a broad range of disciplines from shamanism and the occult tarot to the esoteric and spiritualism. It includes volumes across the disciplines of religion covering new religious movements, spiritualism, ritual and magic practices. The three books that comprise this set include investigations into the evolution of occultism as well as the history and practices of the occult as a religious movement. This collection brings back into print insightful and detailed books and will be a must-have resource for academics and students not only of religion and anthropology but also of history and psychology.

Psychology Library Editions: Social Psychology Various, 2021-07-09 Psychology Library Editions Social Psychology 30 volume set brings together an eclectic mix of titles from a wealth of authors with diverse backgrounds seeking to understand human behaviour and interaction from a socio-psychological perspective. The series of previously out of print titles originally published between 1908 and 1993 includes those from some authors considered to be founders of social psychology and traces the development of the subject from its early foundations.
