Sheer Grace Drasko Dizdar, 2008 Sheer Grace shows not just the link between but the indissolubility of the union of theology liturgy and spirituality It does so by grounding it in a radical tradition of liturgy as transformation which has its roots in the scriptures and the lived liturgical experience of our biblical and ecclesial ancestors At the same time the book looks to the present experience of Christians who feel a deep and largely unmet need for that same kind of transforming experience that liturgy can be The book also looks to the future with hope as a gift of sheer grace as something only God can and does give and not as something we can manufacture by our own efforts at renewal or restoration Book jacket
