Magic Of Two:

Black versus White Magic, the two Opposing Powers Helena Petrovna Blavatsky, 2018-05-16 When a Solitary Ray from the Infinite One is about to become the Many Duality interposes between It and Its finite differentiations In the mayavic worlds of being everything is dual Even the Divine Logos manifests as a double principle of Good and Evil In terms of human evolution the seeds of White and Black Magic were sown in Atlantis Though perfected in materiality Atlanteans degenerated in spirituality Black magic bestiality selfishness and self adoration spelled their demise Magic is arcane knowledge of the subjective side of Universe and Man and of the Occult laws and powers that govern their objective manifestations Arcane science misused is Sorcery wisely applied True Magic Black Magic is the predictable outcome of selfish motives For it is the motive and the motive alone which makes any exercise of power become black malignant or white beneficent Magic Practical Theosophy is the modern term for old Magic Metaphorically speaking Magic is the conscious reunion of Psyche with Cupid her beloved groom upon her return to their celestial abode or the re integration of Thought and Spirit This is the mystery that sanctifies marriage and every earnest hope for a better life Thus true Magic is the marriage of Nous Atma Buddhi with Manas a union where Will and Thought separated at the beginning of time become One again when self consciousness reaches the summit of divine power and inner knowledge When man was first created he couldn t commit any sin for he was mindless and therefore irresponsible The only vice of his origin was not his it has been committed by those who refused to fire him with self consciousness with its inherent freedom of thought and personal responsibility borne by informed decisions Gnosis is the Western term for the mysteries and destiny of our being both White and Black A metaphor for the same enigma is Resurrection or the Raja Yoga of Eastern Occultists Amongst Neoplatonists Raja Yoga is known as Theurgy Gnosis will either crown the pure with the sovereignty of their own spirit or crush the opportunist in the darkness of ignorance and earthy passions Theosophy is the keynote of our relationship with and in Divine Magic For Magic is the study and application of divine law Magic is the ancient Persian word for knowledge and embraces all Chaldeans sciences It is proficiency in Nature s hidden powers and laws or Secret Wisdom as it was taught in the sanctuaries of the Old World Magic is the Maha Magi or Maginsi of Medes and the Egyptians and the Meghiston of the Zoroastrians Ancient Magic is Secret Wisdom the very opposite of Diabolism It is the theurgy of Iamblichus the gnosis of Pythagoras the ecstasy of the Philaletheians the summit of Eastern Philosophy and Ethics Magic or Practical Occultism is the object of Yoga Mesmerism is another key to our inner nature It is the Gupta Vidya of the Eastern Occultists excellence in universal philosophy and pinnacle of human knowledge As Truth is One so the method for attaining It must be also one Its disciples help each other in their lessons The Witches of Thessaly are still amongst us But as Magic differs from Sorcery so the Magician differs from the Witch Hypnotism is Black Magic irrespective of whether conscious or unconscious There is little difference between Voodoos and the Vivisectionists of our age Therefore Western practitioners of the Black Arts should not have the punishment and reputation without the profits

and enjoyments they may get therefrom Selfish initiates lured by the glamour of power retrogress inexorably and curses always come home to roost There are Brothers of the Light and Brothers of the Shadow there are genuine seers and passive mediums there are High Planetary Spirits and their illusionary appearances on the psychic screen of mediumistic perceptions There is White Tantric Magic and its tainted counterpart there is Neoplatonic Theurgia and its opposite number Go tia Christians beware The New Testament is all about Unselfishness and Spirituality The Old Testament is a manual of Selfishness and Psychism At the apex of its development our Race will branch off to initiated Adepts Sons of Light and natural born mediums or Sons of Darkness the latter to be exterminated by fire when time expires We live in dangerous times There are scores of unconscious crimes committed and many innocent people punished Terror tremor and dreadful incidences as well as beauty peace and inspiration are true presentiments of what lies in the bosom of the future and much of which is already born Practical Theosophy is fraught with dangers for dabblers and neophytes alike No one should go into occultism or even touch it before he is perfectly acquainted with his own powers For it s all too easy to fall into Black Magic Even a deed of kindness done with partiality may become evil by stirring up animosity in the mind of others The Book of Magic (Practical Magic 2) Alice Hoffman,2022-10-18 The Owens family has been cursed in matters of love for over three hundred years but all of that is about to change The novel begins in a library the best place for a story to be conjured when beloved aunt Jet Owens hears the deathwatch beetle and knows she has only seven days to live Jet is not the only one in danger the curse is already at work Provided by publisher **Tris's Book (Circle of Magic #2)** Tamora Pierce,2011-09-01 Part of the 8 book Tamora Pierce reissue for Fall 2006 this title in the Circle of Magic quartet features spellbinding new cover art Coincides with the release of WILL OF THE EMPRESS in trade pb Four elements of power four mages in training learning to control them In Book 2 of the Circle of Magic Quartet earthquake damage has left Winding Circle vulnerable to pirate attack and Tris Briar Daja and Sandry are working with the community to strengthen their defenses When the pirate onslaught begins two things become terribly clear The pirates have a powerful new weapon and they have an accomplice within Winding Circle But they ve failed to anticipate the fury of a young mage who has been betrayed once too often and who has very stubborn very loyal friends Murder at Midnight (Midnight Magic #2) Avi,2011 Falsely accused of plotting to overthrow King Claudio scholarly Mangus the magician along with his street smart servant boy Fabrizio face deadly consequences unless they can track down the real traitor by the stroke of midnight Making Magic Randall Styers,2004-01-15 Since the emergence of religious studies and the social sciences as academic disciplines the concept of magic has played a major role in defining religion and in mediating the relation of religion to science Across these disciplines magic has regularly been configured as a definitively non modern phenomenon juxtaposed to distinctly modern models of religion and science Yet this notion of magic has remained stubbornly amorphous In Making Magic Randall Styers seeks to account for the extraordinary vitality of scholarly discourse purporting to define and explain magic despite its failure to do

just that He argues that this persistence can best be explained in light of the Western drive to establish and secure distinctive norms for modern identity norms based on narrow forms of instrumental rationality industrious labor rigidly defined sexual roles and the containment of wayward forms of desire Magic has served to designate a form of alterity or deviance against which dominant Western notions of appropriate religious piety legitimate scientific rationality and orderly social relations are brought into relief Scholars have found magic an invaluable tool in their efforts to define the appropriate boundaries of religion and science On a broader level says Styers magical thinking has served as an important foil for modernity itself Debates over the nature of magic have offered a particularly rich site at which scholars have worked to define and to contest the nature of modernity and norms for life in the modern world [The Wish Hunt: A heartwarming middle grade novel about the magic of friendship and believing in your](#) Sandra Schwartz,2019-07-08 Did you know that finding a stray eyelash is an opportunity to make a wish When Frida loses an eyelash her best friend Runa now under the spell of all things witchy thanks to their new friend Vigga insists she make a wish Frida doesn't believe in any of it but when her wish actually comes true things get complicated Now caught in a whirlwind of horoscopes lucky stones and secret spells Frida and her friends embark on a hilarious and unpredictable Wish Hunt Can they harness the power of four leafed clovers double yolked eggs and ancient folklore to make all their dreams come true Or will their quest for magic teach them that the greatest powers lie in friendship and believing in yourself The Wish Hunt is a story about the magic of believing the challenges of friendship and discovering that sometimes the truest magic is the one you create yourself A Hint of Magic A series for middle grade readers about the everyday struggles of three girls and their friendship with just a hint of magic Growing up author Sandra Schwartz's mother would often take her to the most magical place in the world the library And her grandmother would make up dramatic stories about The Kitchen Knife that Went Down the Drain and had amazing adventures all over the world *My Little Pony: Legends of Magic #2* Jeremy Whitley,2017-05-10 The legendary Rockhoof is the strongest pony in the realm But is he strong enough to stop the mighty magma creatures that live inside a volcano
