*CyberLit* Marilyn Dover Newman, 2004 Elementary school media specialists and teachers routinely use children's picture books in their lessons These books add depth and vitality to the curriculum because they are written and illustrated by some of the world's most gifted writers and artists Yet educators are finding it increasingly harder to insert this pleasant and important activity into the busy school day due to increased pressures to improve test scores to implement a standards driven curriculum and to stay abreast of new technologies to deliver instruction This book helps educators continue to incorporate literature into the school day in spite of these obstacles *CyberLit* is a book for those who work with or teach others who work with children in the primary grades It is for those who use trade books to supplement and enhance health science creative writing history geography reading math language arts character education multicultural studies holidays citizenship and the fine arts It is for those who love children's literature and book illustration With this book you no longer need to get lost in cyberspace The information has already been searched collected assessed and compiled Easily accessible and at your fingertips this directory can help you to get biographical information about authors and illustrators and to learn how they get ideas for stories how illustrations are created how to extend the books into the curriculum and where to find time saving lesson plans and book related activities for classroom projects and units These outstanding websites of children's authors

illustrators and storybook characters were selected based on their educational value and for the fact that they contain a minimum of commercialization. They are exemplary examples of authors, publishers and scholars who understand and acknowledge the roles of teachers and librarians. Like little gems in cyberspace, they go beyond the ordinary content for busy educators.

***The Primary English Encyclopedia*** Margaret Mallett, 2012. This newly updated user-friendly encyclopedia explains concepts, aims and current requirements in all aspects of the primary English curriculum and is an invaluable reference for all training and practising teachers. Now in its fourth edition, entries have been updated to take account of new research and thinking and now reflect the requirements of the new Primary National Curriculum and particularly The Communication Language and Literacy Development element. The approach is critical but constructive and supportive of the reflective practitioner in developing sound subject knowledge and good classroom practice. The encyclopedia includes over 600 entries including new entries on English in the Early Years, bilingualism, SEN, the use of the internet, synthetic phonics and many more. Short definitions of key concepts, succinct explanations of current UK requirements, extended entries on major topics such as speaking and listening, reading, writing, drama, poetry, bilingualism and children's literature, input on new literacies and new kinds of texts for children, discussion of current issues and some input on the history of English teaching in the primary years, gender and literacy, important references for each topic, advice on further reading and accounts of recent research findings, a Who's Who of Primary English and lists of essential texts, updated for this new edition. This encyclopedia will be ideal for student teachers on BA and PGCE courses preparing for work in primary schools and primary school teachers.

**Quentin Blake: In the Theatre of the Imagination** Ghislaine Kenyon,2016-03-10 Based on interviews with the subject this visual biography is an intimate portrait of Quentin Blake the much loved illustrator and artistic genius of our age Quentin Blake is one of the foremost illustrators of the twentieth century Perhaps best known for his collaboration with Roald Dahl on

books such as *The Giraffe and the Pelly and Me*, *The Twits* and *Matilda* he is cherished by young and old alike throughout the world Yet his work has not attained fine art status Should it be considered so How does Blake's background in education inform his work And what is the interrelation between the work he makes and the life that he leads Distinguished curator Ghislaine Kenyon has spent a great deal of time with Blake during the last decade and a half and in *Quentin Blake In the Theatre of the Imagination* she provides a profound insight into an extraordinary man and a truly remarkable body of work Kenyon has known Quentin Blake since 1998 and worked with him on staging a jointly curated exhibition *Tell Me A Picture* in the year of Blake's tenure as Children's Laureate 1999-2000 She followed Blake during the years in which he continued to work off the page producing work for hospitals in Angers and Paris and staging major exhibitions around the world collaborating with him both in an administrative and curatorial capacity But what Kenyon has observed during a number of years of working alongside him and sharing a friendship is that Blake's work is necessarily intertwined with his life His life informs his wonderful illustrations and his artwork in turn informs his life a life which is extremely private mysterious and full of complexities and ambiguities Kenyon and Blake share a background in teaching and this interest informs Blake's connection to what educationists call learning and teaching but which could also be termed simply education A shared enthusiasm for education brought Kenyon and Blake together and informs the projects both the artist and curator now work on aiming to reach children and adults in new ways and provide new experiences With exceptional insight into Blake's oeuvre and his life Ghislaine Kenyon has produced not merely a biography but a critical view of the artist's work *Quentin Blake In the Theatre of the Imagination* is a fitting tribute to Quentin Blake's journey and his great legacy the delightful illustrations to over 300 books several written by him paintings prints and sculptures and the contribution he has made to art education and the lives of so many different people
