Magical Transformations on the Early Modern English Stage Lisa Hopkins,Helen Ostovich,2016-05-13 *Magical Transformations on the Early Modern Stage* furthers the debate about the cultural work performed by representations of magic on the early modern English stage It considers the ways in which performances of magic reflect and feed into a sense of national identity both in the form of magic contests and in its recurrent linkage to national defence the extent to which magic can trope other concerns and what these might be and

how magic is staged and what the representational strategies and techniques might mean The essays range widely over both canonical plays Macbeth The Tempest The Winter s Tale The Merry Wives of Windsor Doctor Faustus Bartholomew Fair and notably less canonical ones such as The Birth of Merlin Fedele and Fortunio The Merry Devil of Edmonton The Devil is an Ass The Late Lancashire Witches and The Witch of Edmonton putting the two groups into dialogue with each other and also exploring ways in which they can be profitably related to contemporary cases or accusations of witchcraft Attending to the representational strategies and self conscious intertextuality of the plays as well as to their treatment of their subject matter the essays reveal the plays they discuss as actively intervening in contemporary debates about witchcraft and magic in ways which themselves effect transformation rather than simply discussing it At the heart of all the essays lies an interest in the transformative power of magic but collectively they show that the idea of transformation applies not only to the objects or even to the subjects of magic but that the plays themselves can be seen as working to bring about change in the ways that they challenge contemporary assumptions and stereotypes

Giving up on a marriage because the love is gone is like selling a car because it ran out of gas This book demonstrates How to heal from past hurts find solutions that meet both persons needs and reignite love or build on the love you already enjoy Love, Honour, and Jealousy Niamh Cullen,2019-05-09

Love Honour and Jealousy investigates the impact of the Italian economic miracle of the 1950s and 1960s on intimate life Just as Italy was rapidly forged into an urban industrial nation in these years the ways in which Italians thought about family love and marriage were transformed by migration and modern consumer culture

At the core of this book lies the investigation of almost one hundred and fifty unpublished diaries and memoirs written by ordinary men and women who were coming of age during these years These personal testimonies reveal unique insights into the experiences thoughts and feelings of those who came of age against the backdrop of a rapidly changing Italy

The personal stories are explored alongside the films magazines and music of the time which were saturated with both new and old ideas of romance Films and magazines encouraged young Italians to put romantic love and individual desire over family contributing to changing expectations about marriage and often resulting in family tensions

At the same time popular love stories were frequently laced with jealousy hinting at the darker emotions that were linked in many minds to love This darker side was a significant part of the story of changing ideas about intimacy in post war Italy as was the growing desire to marry for love

Control and violence against women was closely linked to southern ideas about family honour but also to anxieties about Italy s changing society which manifested itself in romantic jealousy Through its exploration of courtship marriage honour crime forced marriage jealousy and marriage breakdown Love Honour and Jealousy traces the ways in which the lives both of individuals and of the nation itself were shaped by changing understandings of romantic love and its darker companions honour and jealousy Wild Love Gill Edwards,2012-03-29
