

MAGICAL IMAGES & THE MAGICAL IMAGINATION

The knowledge and use of magical images was once a closely guarded secret of initiates and adepts in the Mystery Schools. Gareth Knight gives easy-to-follow classifications of the various kinds of magical image, along with instructions for their use as agents of self realisation and spiritual service.

Indispensible for beginners and advanced practitioners alike, this book presents the theory and techniques of creative visualisation and meditation. These practical teachings range from the circulation of force within the aura for the purpose of balancing the personality to the development of a full magical system of pathworking, enabling deep contact with inner sources of wisdom.

Now in its third edition, a new section is included on the magical images of the Tarot, plus an extensive chapter on Qabalistic pathworking in the Western Mystery Tradition.
