## **Magnetic Leadership:**

The Magnetic Leader Roberta Chinsky Matuson, 2017-03-03 Employees don't work for companies they work for people The more irresistible you are as a leader the more pull you have for employees to want to stay and for your customers to remain loyal In The Magnetic Leader Roberta Matuson asks us to consider that the quality of a company's leadership is the most important factor in attracting and retaining high quality employees Matuson has spent 20 years helping organizations achieve both market leadership and dynamic growth by maximizing the talent they already have in addition to creating a magnetic environment that attracts high caliber new hires Many are searching for a magical formula but the fact is that the answer lies inside businesses organizations Instead of offering crazy perks companies need to focus on the one perk they can't get anywhere else which is the opportunity to work with a truly magnetic leader The Magnetic Leader aids readers in transforming their leadership style from push to pull repel to attract dismal to good and then good to great They'll become magnetic leaders who attract the cream of the crop and ultimately create legions of loyal talented superstars eager to beat the competition

**Magnetic Leadership** Victor Downing, 2005-01-01 Magnetic Leaders get extraordinary performance out of ordinary people There are precious few Magnetic Leaders and the success of every business depends on them more every day These are not born leaders geniuses or unusually charming corporate poster children Rather Magnetic Leaders are disciplined individuals who are determined to accomplish great things as a result of going to work In every case they are excellent managers and in every case they consistently apply five ancient principles 1 Pursue What You Cannot Do 2 Make The Invisible Visible 3 Invest In The Best 4 Weed The Garden 5 Rest And Remember Regularly Are you a Magnetic Leader Will the best employees hire you This book is dedicated to helping you answer those questions

**Energy Rising** Julia DiGangi,2023-09-26 Your success in life at work and at home rises when you harness the energy that powers your brain A neuropsychologist explains how Your drive to create change catalyze impact and build relationships all come from neuroelectrical energy real electrical impulses firing in your brain Who you are as a person depends on how you work with this energy When this energy rises within you you feel empowered and dynamic But when this energy falls you feel down stressed and defeated You may feel as if you don t control your emotional energy

that it's an inevitable consequence of the world around you and the forces bearing down on you. But that's not the case. To reach your full potential, you can learn to recognize and harness the energy in your brain. Leading neuropsychologist Julia DiGangi will teach you how through eight codes. Some of the codes will surprise you. All will fortify you. You will learn why these codes work and how to apply them to your own challenges through exercises and reflections. When you start viewing your life less about the activities you do and more about the natural energies within and around you, your power to live and lead with impact grows exponentially. *Energy Rising* offers you a provocative and neuroscientifically accurate path to greater emotional power, influence, and connection both at work and at home. DiGangi's lab and clinical work have been conducted at Harvard, Columbia, Georgetown University, the University of Chicago, DePaul, and the University of Illinois Chicago. Her fMRI and EEG research has helped business leaders, parents, couples, educators, and military leaders. Her work rooted in resilience after extreme stress will show you how to effectively deal with struggles you currently face. She tells the stories of business leaders, parents, couples, and even combat veterans and trauma survivors who used the eight codes to rise. Get ready to feel your energy rising.

*To Boldly Go* Jonathan Klug, Steven Leonard, 2021-09-30. A rich exploration of sci-fi universes we know and love merged flawlessly with discussions on leadership, national security, diplomacy, and more. *Diplomatic Courier* As a literature of ideas, science fiction has proven to be a powerful metaphor for the world around us, offering a rich tapestry of imagination through which to explore how we lead, how we think, and how we interact. *To Boldly Go* assembles more than thirty writers from around the world, experts in leadership and strategy, senior policy advisors, and analysts, professional educators, and innovators, experienced storytellers, and ground-level military leaders to help us better understand ourselves through the lens of science fiction. Each chapter of *To Boldly Go* draws out the lessons that we can learn from science fiction, drawing on classic examples of the genre in ways that are equally relatable and entertaining. A chapter on the burdens of leadership by Ghost Fleet author August Cole launches readers into the cosmos with Captain Avatar aboard the space battleship Yamato. In another chapter, the climactic Battle of the Mutara Nebula from *The Wrath of Khan* weighs the advantages of experience over intelligence in the pursuit of strategy. What does inter-species conflict in science fiction tell us about our perspectives on social Darwinism? Whether using *Star Trek: Deep Space Nine* to explore the nuances of maritime strategy or *The Expanse* to better understand the threat posed by depleted natural resources, *To Boldly Go* provides thoughtful essays on relevant subjects that will appeal to business leaders, military professionals, and fans of science fiction alike.
